HIDDEN DANGERS.

Nature Gives Timely Warnings That No Oregon City Citizen Can Afford to Ignore.

DANGER SIGNAL NO. 1 comes from the kidney secretions. They will warn you when the kidneys are sick. Well kidneys excrete a clear, amber fluid. Sick kidneys send out a thin, pale and foamy, or a thick, red, ill-smelling urine, full of sediment and irregular of passage.

DANGER SIGNAL NO. 2 comes from the back. Back pains, dull and heavy, or sharp and acute, tell you of sick kidneys, and warn you of the approach of dropsy, diabetes and Bright's disease. Doan's Kidney Pills cure sick kidneys and cure them permanently. Here's Oregon City proof.

Frank H. Bush, Jr., Main Street, Oregon City, Or., says: "I suffered from an acute attack of kidney and bladder trouble and received no relief until I used Doan's Kidney Pills. This preparation did its work so thoroughly that since taking the contents of two boxes, I have had no recurrence of my former complaint. Whenever an opportunity is given Doan's Kidney Pills my endorsement."

For sale by all dealers. Price 50 cents. Posters-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other. 6-17-24

TWILIGHT.
Everything is fine at Twilight. The grain is being stacked and we expect threshers in the near future.
Adolph Joehnk has been sick for the past week. Dr. Mount is in attendance.
Wallace McCord, our genial horse-trainer, made a business trip to Needy last week. While there he attended the Grifflie horse sale.
Mr. Nash has moved his family into the new residence that he has just been completed.
The Twilight School will open on the first Monday of October, being the third. Miss Eleanor Brodie, of Portland, has been hired as the teacher. With the addition of the new wood shed that has just been built, the Twilight district is one of the best equipped in the county. We should be proud of this fact.
A good many from here attended the big meeting at Warner Grange on Saturday at New Era.
Mrs. Graham and son, of Davenport, Wash., is visiting with her mother, Mrs. Faulk, of this place.
Mr. Harvey is building a hen house and wood shed. Oliver Bailey is the man on the job. He finds that the Twilight improvements keeps him pretty busy.
Mr. Colwell is hauling the lumber for the construction of his new residence. These are the kind of improvements that we like to see.
Wm. Young is building a new house on his place and expects to repair the place in general. We are glad to have Mr. Young and his progressive spirit with us.
Marvin Faulk is meeting with fine success in his endeavors to become a school teacher. He is attending the Summer Normal.
Eldon Swick made a business trip to Gladstone last week. While there he called in to see how the Chautauqua was progressing.
The Black family as well as several others from here went to Gladstone on last Thursday to meet with ex-Gov. Faulk of Missouri.
Those attending the New Era camp meeting report a good time with good lectures. A nice grove and a good place for a picnic dinner.
Summer Colds
Are harder to relieve than winter ones, but they yield just as readily to treatment with Dr. Bell's Pine-Tar-Honey. Sold everywhere. Look for the Bell on the Bottle. For sale by Jones' Drug Co.

CHILDREN'S DAY AT GRANGE.
Picture of Founder of Warner Grange is Valued Gift.
Last Saturday at New Era was the one big day of the year for the Grangers, the occasion being Children's Day. During the morning the Grange convened in regular order for the routine business, but in the afternoon all were made welcome whether Grangers or not.
The dinner, which was served at noon, was well patronized, and all did justice to the cause and the long tables with the Grangers seated all around with the Warner Grange orchestra supplying the most beautiful strains of music, certainly did prove that it pays to be a Granger.
The program in the afternoon was in charge of Mrs. J. Hoffman, and included music, readings and recitations of a very entertaining nature that was truly enjoyed by all.
After the program
