HAVE YOU REGISTERED?

From the appearance of the registration books it is apparent that the fact that every man must register in order to participate in the primaries is not generally known. Only a very small number of voters have registered thus far.

COME INTO CAMP.

Next Saturday, July 30, the Republican county assembly will hold an adjourned meeting in Oregon City for the purpose of recommending a county ticket to the voters at the primaries.

This is the true situation, but it is probable that a minority of the delegates to the assembly will attempt to name a ticket, which cannot possibly result in benefit to the whole party.

In the interest of harmony in the Republican party, therefore, the Enterprise would urge every delegate to the county assembly to attend the meeting tomorrow and cast his vote against the proposition to name a ticket.

One result of the campaign for advertising the Pacific Northwest as a summer resort country will be noticed this month, when an excursion of several hundred people from Los Angeles and San Francisco will make a trip through Washington, British Columbia and Oregon.

Oregon's apple show will be held in Portland November 29 to December 2. It will be a great exposition of the state's fruit-growing possibilities.

The annual convention of the Ancient Order of Hibernians, which met in Portland last week, was attended by delegates from all parts of the country.

furnians a fine idea of the Pacific Northwest and should be the forerunner of much travel northward in this and other summer seasons.

Portland's Autumn Livestock Show and race meet on the Country Club grounds will be known as the Harvest Festival, and the biggest purse ever offered in the Pacific Northwest for a single race will be hung up.

James J. Hill will probably be the biggest attraction of the festival. A strong telegram of invitation has been sent him, which it is believed he will accept.

Dates of the festival are September 5 to 10. The amusement end of the festival will be far more prominent than ever before.

Forty-two million bushels of wheat is the estimated crop of Oregon, Washington and Idaho, according to an authority here who has completed a trip through the grain sections.

The visit to Western Oregon of Mr. Bernhard Boegglid, the dairying expert of the University of Copenhagen, during the week, was important.

The first all-steel train that ever moved over a roadbed in the Northwest pulled out of Seattle on July 29, over the Oregon and Washington line for Portland.

HIMALAYA BERRIES ARE IN LOCAL MARKET

LARGE SHIPMENT OF CALIFORNIA WATER-MELONS ARE RECEIVED BY LOCAL MERCHANTS.

The apple crop is unusually large this year. The trees are heavily laden with fruit. The peach crop is good, but the peach pits are short.

Oregon cucumbers are in the market, as well as early corn. The latter is bringing a good price, retailing from 25 and 30 cents per dozen.

The cattle market has been strong to higher and there has been a snappy demand for every sort that showed good quality.

Extra good steers have sold for \$5.00 per 100 lbs., and as has been repeatedly stated in market letters from this office, the difference between poor and good quality is steadily growing greater.

The sheep market has not recovered from the demoralization of last week. Good lambs have sold for \$1.00 per 100 lbs., and many were cooked by the sun's rays.

Raspberries and Logan berries are about gone. The hot weather has been hard on the vines and many were cooked by the sun's rays.

The first sale of new crop wheat has been reported. Twenty thousand bushels were sold at Walla Walla at 90 cents f. o. b. for early delivery at Tacoma.

The local markets are well supplied with melons. A large shipment of water-melons arrived yesterday, and the prices this week are much lower than that of last week.

There was a time when we had to explain why Sherwin-Williams Mixed paint at 20 per cent higher cost than white Lead and Linseed Oil was still the cheapest paint to use because of its superior wearing and covering qualities.

Now with Linseed Oil quoted at \$1.05 per gallon, Sherwin-Williams is 20 per cent cheaper in first cost and yet will wear at least two years longer than any hand mixed lead and oil paint.

Of course you want the best, especially as it just now costs less.
