AIR MEETING.

SHALL PEOPLE SELECT?

George C. Brownell, W. A. Dimick. Judge McGinn, Dan Malarkey and B. F. Mulkey, Made Warm Speeches.

In defense of the direct primary law and in antagonism to the assem-bly plan, Dan Malarkey, gandidate for joint senator from Multiformah, Clack-amus and Columbia counties; Henry Weight States and States a E McGinn, an aspirant for circuit judge in Multhomah county; B. F. Mulkey, direct primary candidate for congress: George C. Brownell, candi-date for state senator and Walter A.

question at issue in the present cam paign was whether the people of the state should continue to rule thom-solves or whether the machine and the political bosa should be given back the control of the state.

"It is the greatest question," said much that confronted Oregon then are County nation wide now. And the men who II nor sues that confronted Oregon then are nation-wide now. And the men who were heaten in the state then have railing now for another battle. called now for another battle.

machine and the political boas to the of the faxoayers of Clackamas County, scrap heap when they enacted the in and endeavor to reduce the taxes levitlative and the referencium and the led in said county to the lowest direct primary law. Now comes the amount consistent with efficient ad-assembly, and it is an organized effort ininistration of public affairs. He is of the old leaders and the old machine in favor of the direct prmary law to destroy the direct primary law and nullify popular government. They want to go back of the old convention ystem, to take the control of the politles of the state from the voters of state and get it into the hands of the old machine.

"It is not a question of men, but of principle; not a question of good felreship, but of whether the railroads ILLNESS FATAL TO DAUGHTER number, and the other big corporate influences. of the state shall dictate"to the people the members of the legislatures, the ch and th in the United States senate. It is a question of whether the corporation sathered in the morning and nominated Gibson for state senator and Captain T. J. Apperson for representative on the assembly ticket. What kind of representative govthere were representatives from all over the county to name the ticket Today 12 men did it. Did they represent Clackamas county? In this campation if John Gibson is nominated he will be the nominee of the 12 who put him up. If I am nom insted I will be the nominee of all the party, named in the lawful primary of arrived her last Sunday To find their 'Before you vote," the speaker continued, "stop and think what liberty cost, and then think that the present JONES FILES PETITION. issue is to take that liberty away from you again if the assembly movement wing, to pull down the flag of popular government and put up that of the corporation and the boss. Everyone who thinks knows that the assembly ticket was named by the Portland Railway, Light & Power company, and other corporations, in the private of fices of the First National Bank and will better our educational and public of the railway company. Is not that worse than under the old convention thool system, would conserve the nathral resources of the state and will. system? Is it for the voters to set support any legislation that will imthe the question, for them to decide prove the roads and highways, whether they shall select their candiwill endeavor to secure the passage dates or the corporations shall do "Oregon has started on a great promovement that has made the state a leader among the states of the union, a state that is being looked to and followed by other states. It is for voters of the state to continue in that class they know what they want stands for Statement No. 1. and how to govern themselves." Senator Brownell, in closing, told Apperson Files for Legislature, of his fight for the initiative and refcrendum amendment, made, in the state senate in 1901, when he introthe resolution calling for the submission of the question to the peo-ple and fought the measure through ple and fought the measure through to adoption.
