WHY NOT ENJOY THE MOST DESIRABLE OF CITY CONVENIENCES?

WATER SUPPLY UNDER PRESURE

YOU NEED A Leader Water System

IN YOUR HOME

No doubt you have often envied your city friends and wished for the conveniences afforded by modern water supply under pressure, in your home. The Leader Water System will enable you to enjoy these advantages more thoroughly than is possible with any other system. The Leader is not an ordinary farm water supply system with its attending troubles and annoyances, it is far from ordinary. It will furnish a dependable supply of water wherever and whenever you desire it. You can enjoy modern home conveniences, such as the bath, toilet, etc. You will have plenty of water for all domestic purposes, the laundry, sprinkling and PROTECTION AGAINST FIRE, that danger which constantly menaces the rural home. Pressure up to 125 pounds may be obtained with The Leader System. As is shown in the illustration, the tank may be placed in the basement (more often it is placed underground) where it keeps the water cool and fresh in summer and prevents freezing in winter. The beauty of The Leader System is that it is practically troubleless. With the exception of a few moments when the water or pressure becomes low, it needs no attention. But for the fact that every time you have occasion to call on its services you are reminded of its efficiency, you would forget that you had such a thing as an independent water supply. We will be glad to give you an estimate on a system that will meet your requirements, use the coupon.

KEEP THE KIDNEYS WELL

Health is Worth Saving and Some Oregon City People Know How to Save It.

Many Oregon people take their lives in their hands by neglecting the kidneys when they know these organs need help. Sick kidneys are responsible for a vast amount of suffering and ill health, but there is no need to suffer nor to remain in danger when all diseases and aches and pains due to weak kidneys can be quickly and permanently cured by the use of Doan's Kidney Pills. Here is an Oregon citizen's recommendation:

James Wilkinson, 201 1/2th street, Oregon City, Ore., says: "I had back ache and pains in my loins and could not sleep well at night. There was a stiffness in my limbs and other symptoms of kidney trouble were in evidence. Being advised to try Doan's Kidney Pills, I did so and was gratified by their promptness in relieving me. Although I am in my seventieth year, I am hale and hearty, and I give Doan's Kidney Pills the credit."

For sale by all dealers. Price 50 cents. Foster-McMullen Co., Buffalo, New York, sole agents for the United States.
