THE LION AND THE MOUSE.

Baker, Stock Co. in Charles Klein's Masterpiece Opens Sun. Matinee.

One of the most important stock announcements for several years is that Manager Baker of the Baker Company has secured the rights to offer Charles Klein's greatest dramatic triumph "The Lion and the Mouse" and will offer it to his patrons of the beautiful new Baker Theatre all week starting Sunday matinee October 16. The royalty Mr. Baker was obliged to pay for the privilege of presenting this play, would support a family in ordinary circumstances a whole year, and as an acting test upon the members of the new Company nothing could be more severe. The tremendous emotional climaxes, particularly that of the third act, when Shirley Rosemore, the little mouse who has worked her way into the home and friendship of the mighty John Ryder, money King and Lion. Business firms are recognizing the superior training of our Business University over the work of the business colleges. Our standard is higher; our work is much more thorough; our work is more complete; and our students are more proficient in every way.

OUR TEACHERS ARE TRUE TEACHERS.

The reason for this is that we use teachers for teaching. They are trained for the work; they know how to get mental development. We do not use office managers, clerks or bookkeepers for teachers; they do not know how to teach. For this reason, our pupils advance much more rapidly than the pupils in the large business schools.

We Love To Teach: Everybody Busy: Everybody Happy.

Just the school for the earnest young man or lady who desires to learn and have the highest and best training at reasonable tuition rates. You are sure of individual help and instruction. You know the large schools cannot give it. You should investigate our work. Do it now; do not wait. In session all the year in day and night school.

The farmers in this locality were glad to see the rain; now they would be glad to see it stop raining, so they can do their plowing.

Our school bell began its chimes Monday with Jake Mitts as teacher. Mr. Mitts taught the spring term, last spring and got along nicely, so he was chosen by the board of directors for the present winter. He reports twenty-six scholars on enrollment.

Vic Grimm and Jake Mitts were among those who attended the fair at Molalla, Saturday, also, the dance at Liberal, Saturday night. They report a good time and attendance at both places.
