FORTY-FOURTH YEAR—No. 42.

OREGON CITY, OREGON, FRIDAY, OCTOBER 21, 1910.

ESTABLISHED 1866

HIGH SCHOOL DEFEATS P. A. ELEVEN

FAST GAME WITH PORTLAND ACADEMY WON BY CROSS' PHENOMENAL RUN.

BAKER STARS IN LAST FEW SECONDS

Overtakes Runner Five Yards From The Goal, Preventing Score—Both Teams Played Good Ball With Lack of Fumbles.

Captain Webb's football team from Oregon City High School played their initial game Saturday afternoon with the Portland Academy eleven, and won the contest, 6 to 5. At all stages, the game was everybody's, and the outcome was a matter of doubt, even to the last seconds of the game, when Baker, Oregon City's booter, fullback, downed an Academy player within five yards of the goal, thus saving the day for the locals.

The game was played at Chautauqua Park, and while the attendance was anything but a large one, all present were most enthusiastic. Several mishaps of a minor nature occurred, but the worst, injuring being Moore, an Oregon City tackle, who in the first quarter, sprained his shoulder so badly that he was forced to leave the game. Andrews replaced him.

The forward pass was used several times to good advantage by the Academy, while Oregon City gained mostly on end runs. Sheahan, the foot-footed ex-McLaughlin star, was the most consistent gainer. In punting, Sheahan also excelled his opponents, and never failed to boot the pigskin 55 or 60 yards. The remainder of the Oregon City backfield did excellent work in advancing the ball, while Graves, Kelly, Cross, Welch and Baker shone on defensive work. Woodcock, McClung and Wilson were stars for the visitors.

Ten minutes after the first kick-off, Woodcock, the Academy quarterback, who was the mainstay of the team, secured the ball on a free-for-all punt, and raced thirty yards for a touchdown. The goal was not kicked. During the third quarter, five minutes after the ball had been put in play, Cross seized the ball on a forward pass by the Academy, and with-out interference, he ran from his own twenty-five yard line through the whole Academy team for a touchdown. Kelly kicked the goal with ease, winning the day for the local school. By using the forward pass, Portland Academy, by the end of this quarter, had the ball on Oregon City's fifteen yard line. By its line holding intact in the last quarter, Oregon City stopped the Academy's advance, and Sheahan's boot kept the ball in the middle. During the last few seconds of the game, occurred Baker's brilliant run and play, the whistle sounding immediately afterwards.

HIGH SCHOOL VS. LINCOLN

Scholastic Elevens Will Meet Tomorrow Afternoon.

On account of a conflict in dates, the Oregon City High School will not meet Woodburn High School on the football field to-morrow, but instead, will line up against Lincoln High of Portland on Chautauqua Field. Lincoln is represented on the gridiron this year by a remarkably husky and fast aggregation of pigskin men, and realizing this the local institution's eleven is practicing hard every evening. A game will perhaps be played with Woodburn later in the season. Gresham High, one of Oregon City's old rivals, will also be played.

DANN'S CONDITION SERIOUS

Following Accident, Erysipelas and Blood Poison Set In.

William Dann, of Gladstone, who was injured about two weeks ago while engaged in digging a well in the Carter place at Gladstone, is still in a precarious condition, with no signs of improvement. Mr. Dann was working at the bottom of the well, when some of the curbing worked loose, and one of the rocks, falling, struck him on the head. Instead of the hoped for improvement, erysipelas set in, and recently blood poison has made itself manifest. So serious has the case become that the attending physician has summoned a specialist from Portland to assist.

ADVERTISING TALKS

No. 4.
People read advertisements as they do the rest of the news of the day—provided the advertisements are MADE a part of the news, by having been prepared in a breezy, talkative, natural manner.
The day of business cards in a newspaper's advertising columns are nearly over. Nowadays the advertiser who are most successful are the ones who TALK to the people through the advertising columns of a newspaper. They tell the people of new things that are of interest, of new styles, of new inventions, in a way that makes the reader want to see ALL the new things FIRST. Therefore make your ads, TALK! (To be Continued.)

SANITARY FOUNTAIN WILL BE INSTALLED

IMPROVED APPLIANCE WITH LA-TEST IN SANITARY DRINKING CUPS IS ORDERED.

Superintendent of City Water Works W. H. Howell, of this city, has ordered from the East through the city, a sanitary drinking fountain, which will have four German silver drinking cups. This will be installed by Superintendent Howell as soon as it arrives at the entrance of the city filtering plant on Second and Main streets. The grounds of the plant will be beautified and Mr. Howell will have planted four dozen rose bushes, which have been ordered from a florist. A four-foot circular cement sidewalk leading to the fountain will be constructed. The height of the fountain will be four feet, while the circumference at the basin will be about three feet.

By the installing of the fountain it will make three drinking fountains that have been erected in this city during the past few years, and this has been needed in the southern part of the city for many years. The other two are located at the head of Seventh street and on Seventh and Main streets. These two latter fountains were erected by the Clackamas County Humane Society, assisted financially by the city. These drinking fountains are greatly appreciated by the public, and during the day hundreds of horses and other dumb animals besides hundreds of people quench their thirst from these fountains, the water of which comes from the splendid filtering plant of Oregon City.

MEXICAN WRESTLER DOWNED BY BUSCH

BUSCH'S TOE HOLDS PROVED THE UNDOING OF DAN SHOTEL WEDNESDAY.

BOTH MEN UNDERSTOOD THE GAME

In Strength the Wiry Mexican Was No Match for Busch—Swartzy One Had Busch Going With Double Nelson.

Carl Busch, the German middle-weight champion wrestler, won again Wednesday night, getting two straight titles from Dan Shotelo, who claims the Mexican championship. The bout was fairly fast, both men being evenly matched as far as knowledge of the game went, but in strength, the Mexican was no match for the titanic Busch. Shotelo was evidently not in the best of condition.

On the start of the bout Shotelo took the aggressive, and after a few minutes of grappling, he secured a splendid double nelson on the German. Busch was unable to break the hold, and saved himself only by getting off the mat in his struggles. Later, the Mexican secured a body scissors that looked good to his supporters, but Busch succeeded in breaking this. Busch then took the offensive, and after trying several holds, which were wriggled out of by the slippery "Greaser," he turned his opponent's shoulders to the mat with a body and punishing toe hold. The time on this fall was eighteen minutes.

Honors were evenly divided during the second tussle, with Busch on the top of the heap the greater part of the time. Several times it looked as though he had his man, but like a flash, Shotelo would jerk loose and the struggle would begin anew. After 27 minutes of wrestling, Busch secured another good toe hold, this time with his leg as a lever, and in order to save his foot from being fractured Shotelo was compelled to say "nuff."

A four round boxing match between Brown and Freeman preceded the main event.

Hackett, for sheriff; W. L. Mulvey, for clerk; Lloyd E. Williams, for recorder; J. A. Tufts, for treasurer, and Dr. Thomas J. Fox, for coroner. HOW BOWERMAN STANDS

Statement No. 1 is a part of the direct primary law. I have heretofore publicized and now state again that I will oppose by every means within my power any effort to amend, modify or repeal, or in any other manner render less useful or less satisfactory any part of the direct primary law, including Statement No. 1 or any other law written on the statute books of the State by the people under the Initiative and referendum. If I am elected Governor, I will veto any and every measure which attempts to amend, change, or repeal the Primary Law, Statement No. 1 or any other law adopted by the people, or any part of them.—Jay Bowerman.

READ IS ANSWERED BY ESTACADA COUNCILMEN

REASONS GIVEN WHY SALOON IS NOT WANTED BY THE TOWN'S RESIDENTS.

Mayor Reed and the city councilmen of Estacada have filed an answer to the suit of Gilbert C. Reed, who seeks to compel the town of Estacada to grant him a license to retail liquor. The answer recites that an election was held at Estacada June 1, 1905 under the local option law and that 121 votes were cast for prohibition and 94 votes against prohibition, and that as a consequence Estacada is a "dry" precinct. It is further set out that the place where Reed proposes to maintain his saloon is in the center of the city, on Second and Broadway streets, and that the conduct of a saloon would be objectionable to the residents of the city and the members of the council. It is also stated that Reed's petition for a liquor license failed to state the particular building or particular place or on what corner of Second and Broadway streets Reed desired to conduct a saloon, and his petition was accordingly denied. Reed started proceedings a few weeks ago by filing an application for an alternative writ of mandamus.

GLADSTONE HAS BUILDING BOOM

SOUND OF THE HAMMER RINGS IN ALL PARTS OF THE FAST-GROWING SUBURB.

RAILROAD BUILDING A NEW DEPOT

Residences and Business Houses Are Springing Up All Over Community—Suburb Now Has Millinery Establishment.

Gladstone is still on the boom, and many buildings have gone up within the past few months. The latest building that is now under construction is the depot of the Portland Railway Light & Power Company that is being built on property belonging to Richard Freytag, the grocer of that place, this land being leased by the railway company. The building is to be 27x30 feet, having a room for the accommodation of the passengers and also a freight room. This depot was established through a petition sent into the company by the Gladstone Improvement Company, as so many of the residents of that suburb reside along the roadway or in the section near the Clackamas River bridge. This will be a great advantage to those people by having this new station.

A new building is being erected adjoining the depot. This property has been leased from Mr. Freytag to Louis Sevis, who will operate a meat market, and will probably be open for business the latter part of the week.

Opposite the postoffice building, the building formerly occupied by a real estate firm, Mrs. Nellie Sladen has opened a millinery parlor. This is the first millinery establishment of this little suburb.

E. P. Carter is just completing one of the neatest cottages at Gladstone, and has already taken possession, having rented his other house which he formerly occupied.

The modern cottage on the property adjoining the store building of Thomas E. Gault is owned by Mr. Soesbee, formerly of this city. Mr. Soesbee has taken possession of his new home.

Near Gladstone is the beautiful new bungalow of Miss Eva Moulton, which was recently completed on the Moulton property at Fern Ridge. This is one of the finest homes at Gladstone, and many home comforts are found there, including a large fireplace. A fine water system has been installed, the water being taken from a spring on the place.

TO EXHIBIT AT BIG SHOW

Clackamas Apples Will Be Displayed at Spokane.

Clackamas county will have an opportunity to prove to the world her claim to recognition as an apple-growing region, for the Publicity Department of the Oregon City Commercial Club will send an exhibit of fifty boxes of Clackamas county fruit to the National Apple Show at Spokane next month. The fruit will be purchased from the horticulturists of this county, and will be sent to Spokane by the Commercial Club in charge of a well informed representative.

1911 CHAUTAUQUA PLANS BEING MADE

SESSION NEXT YEAR WILL OPEN WITH FOURTH OF JULY CELEBRATION.

EX-GOVERNOR HENLEY WILL SPEAK

Indianan, Dr. Maguire, DeWitt, Sanders Health Company and Williams Jubilee Singers Are Among Features Secured.

The 1911 session of the Willamette Valley Chautauqua Assembly will open July 4, with a great celebration, and continue 13 days, closing July 16. The date was determined this week at a conference of the managers and secretaries of the Pacific Coast Chautauquas. It has been the custom of the officers of the Chautauqua at Gladstone Park to open the session about July 12, but in order to get the best talent, an earlier date was necessitated.

The headliner of the Chautauqua next year is ex-Governor Hanley, of Indiana, who will deliver two lectures on July 7 and 8. Dr. Maguire, a former African traveler and missionary, will be heard on the platform July 4 and 5, and DeWitt Miller will lecture on Sunday and Monday, July 9 and 10. Battis, who interprets Dickens' writings in costume, will give an entertainment on Monday evening, July 10.

The Sadlers Company, who delighted large audiences last summer will come back again on July 11 and 12. This company, with Miss Sarah Mildred Wilmer, went over the Pacific Coast last season, and in every instance their return was demanded. The Williams Jubilee Singers, who entertain Chautauqua audiences July 13 and 14 and the Appolo Concert Company of Chicago, has been engaged for four days. The best Chautauqua talent in the country has already been secured for the 1911 session and Secretary Gary anticipates a successful assembly.

MRS. KRAMER SEEKS DIVORCE

Charges J. J. Kramer With Cruelty and Non-Support.

Tena Kramer has filed a suit for divorce from J. J. Kramer, through her attorneys Dimick and Dimick. Mrs. Kramer in her complaint states that her husband has a cruel and ugly disposition, and has treated her cruelly and in an inhuman manner, and has failed to support her. She has worked hard improving their farm and by overwork she was forced to go to Portland, where she underwent a surgical operation. She says that her husband visited her only one time and that was on one Sunday, when he called and scolded the plaintiff and made faces at her, and asked her if she thought that her life was worth the bills of the hospital and physician. He has told his wife, so states Mrs. Kramer, that he hated her and did not care for her any longer, and also accused her of infidelity.

67 NEW MEMBERS JOIN THE COMMERCIAL CLUB

CAMPAIGN CLOSES WITH MOST CRATIFYING RESULTS—GOOD WINTER PROGRAMME

Sixty-seven new members have been added to the Commercial Club as a result of a campaign that has just closed. Several weeks ago the club authorized a reduction in the membership fee to \$10 for a limited time and many of the members connected up with the electric spark. The results are very satisfactory and \$670 has been added to the club's treasury. The prospects are exceedingly bright for the winter, both socially, and also in relation to the work the club is doing to boost Oregon City and Clackamas County.

The board of governors at a special meeting referred four propositions to the "Live Wires." These are public dock, hitching posts, bridge across the Clackamas river near its mouth and a straight road from Oregon City to Portland. The president and the entertainment committee was directed to arrange for a social evening for the members of the club and their wives and sweethearts. Dr. L. A. Morris and Dr. Thomas J. Fox were appointed members of the athletic committee, to fill the vacancies caused by the resignations of J. N. Wisner and Dr. H. S. Mount.

Arrangements will be made to receive returns on the general election on the night of November 8 at the club rooms. Members of the club only will be admitted.

SUES PAPER COMPANY

Man Injured in Sawmill, Seeking Damages.

Samuel Riley today filed a suit in the Circuit Court of Clackamas County against the Hawley Pulp & Paper Company for \$3500 damages as a result of an accident he met with in the company's sawmill at Oswego. The attorney for Riley is W. A. Carter, of Portland.

Riley was engaged in working at the company's plant at Milwaukie and was standing near the endless chain on a platform, an opening being made on the platform to allow the chain to pass through. This, Riley claims was uncovered and unprotected and his left foot became caught in it, and the first two toes of his left foot were torn off and the third toe permanently crippled.

"LIVE WIRES" TO STIR MATTERS UP

DYNAMIC INNER CIRCLE ADDS ENERGY TO COMMERCIAL CLUB'S BOOSTING.

WEEKLY LUNCHEONS ARE A FEATURE

Every Monday Noon, The "Wires" Will Meet Around Festive Board to Discuss The County's Needs and Relief Thereof.

Organization of the "Live Wires," an inner circle society of the Oregon City Commercial Club, was effected at noon Monday with the first luncheon, which will be a regular feature for the "Wires" on Monday noon of each week. The association is modeled after the "live wires" of Portland and other live Western towns, and it is planned to create deeper interest in the affairs of the Commercial Club and it has the hearty approval and co-operation of the board of governors, who were guests at the first luncheon, which was served in the banquet hall on the third floor of the Masonic Building. Twenty members of the club are on the charter roll, and all members of the club are eligible to membership, the only qualification being a willingness to obey orders and work. The officers of the "live wires" are W. A. Hantley, main trunk; Dr. L. A. Morris, sub-trunk; Gilbert L. Hodges, transmission wire, and M. D. Latourrette, guy wire.

At the luncheon Monday Dr. Morris presided, T. P. Randall, president of the Commercial Club, was seated at the right of Dr. Morris and made a neat speech, offering the harmonizing influence of the officers of the club. O. D. Ely explained the purposes of the association lucidly, and the following menu was served:

Clackamas County Baked Ham
Sliced Veal, the Molalla Country
Home Cooked Hot Baked Beans
College Girl Pickles
Broad Like Mother Makes
Candy Creamery Butter
Green Paint Pumpkin Pie
Logan Cream Cheese
Greater Oregon Home Rule Coffee
Fruit From Our Own Orchards.

EXON ANSWERS BLACK

Denies Having Cast Reflections at Latter.

Dover, Or., Oct. 18th, 1910. Editor Oregon City Enterprise: In my article in your paper of the 7th I had not the least thought of casting any reflection on any person because they registered other than Republican. I simply mentioned these men's registration to show that they were not Republicans which is of considerable importance in a primary contest. In their article of September 20th, Mr. Black and Mr. Milliron say they have no ill feeling toward me but in Mr. Black's letter of last week he confesses that they both are my enemies. Mr. Black's letter of last week is an exhibition of pure malice, yet even in that he admits enough that I said in my letter of the 7th. A self-contradicted malicious witness is of no value before any bar of justice. Therefore I am perfectly willing to test the case. However, I hope that Mr. Black realizes he is doing himself no good by creating strife and contention among neighbors.
J. W. EXON.

Fruit Men To Organize

The Fruitgrowers Union, numbering about 100 enthusiastic fruitgrowers of Clackamas County, will incorporate within a few days. By the organization of such a union no doubt but it will be a great benefit to the county as fruitgrowing country. More work will be taken of the soil, and a general interest manifested.

ANOTHER EXHIBIT CAR PLANNED

Commercial Club Will Send Products to Eastern Cities.

Clackamas county resources are to take another trip through the East, this time, as far as Chicago and St. Louis. This decision was reached at a meeting of the Publicity Committee of the Oregon City Commercial Club Monday, on account of the great success of the "Clackamas County Exhibit" which is being shown in towns and cities along the Great Northern. The car, which is soon to be sent out, will go over the O. R. & N. system, and will be filled exclusively with exhibits from this county. These two cars, in addition to the exhibit in the Portland Chamber of Commerce and the Illustrated booklets being published by the club in connection with the O. R. & N. Company, will help greatly in making this section widely known.

FORESTERS ENTERTAIN PORTLANDERS

Enjoyable Evening Spent at Kanpp's Hall Thursday.

Court Robin Hood, Foresters of America at their meeting held at the Knapp hall last Thursday night, entertained Mount Hood Camp, of Portland, many members of this organization being in attendance. There were over 100 people present, who enjoyed a most delightful time, dancing being indulged in until a late hour, the orchestra of the order composed of either violin, concertina and piano, furnishing the music for the occasion.

In the early part of the evening an overture was rendered by the orchestra, address of welcome, James Nichol, chief ranger; response, G. Elwood, of Portland. Addresses were also made by Messrs. Peterson, Jenkins and Babo, of Portland, and followed by solos by Mrs. Harvey, of this city, and H. L. Porter, of Portland, and a fancy club swinging by Thomas Warner.
