CLACKAMAS.

The Halloween party given Monday night by Mrs. Harry Jennings was a delightful affair. About twenty young people of the town assembled in the dusk of the evening and were led along a trail lighted by Jack-o lanterns, to the large barn. Here was found splendid arrangements for the evening's amusement. Several "spooks" were in attendance and the time passed merrily in appropriate games, when at the invitation of the hostess to "follow me," the guests were led along a winding trail which ended in a lovely retreat of witches and fairies. Miss Ethel Mather, in costume, presided over the black kettle of the witches, brewing a mixture (coffee) of which each guest was only too glad later to partake of. In a pretty sylvan bower, a graceful little fairy, Miss Cummins, stood to welcome the company to substantial ambrosia of pumpkin pie, cake, etc.

The Misses Gwendolfe, Margaret and Katherine Jones entertained a party of little people Monday evening. After wandering around town playing a few Halloween's penny jokes, the party assembled at the parsonage for a good old fashioned candy pull.

STAFFORD.

The minister's classes in German held Tuesday evenings and Saturday afternoons are progressing nicely, and parents are much pleased.

Last week, the event most talked of was the marriage of Mark Baker, a progressive young farmer of this place and Miss Ruth Magnusson, late of Kansas, whose people live at Canby.

The marriage took place at high noon Tuesday at the home of P. A. Baker, and the resident Baptist minister, M. Lucas, performed the ceremony. The bride looked beautiful in her gown of pure white, and bridal veil adorned with natural flowers. A bouquet of daisies followed the impressive ceremony, after which the bride and groom walked hand in hand as they expect to walk through the years stretching out before them, to their own home, a short distance away and when the shades of night were falling fast from far and near friends gathered in, male and female, old and young, to honor Mark and his bride, with a genuine old fashioned chivalry.

All had an introduction to the bride of course and received a generous slice of the wedding cake. The boys shot off a few guns and jingled their cow bells, and all went home wishing the young couple many years of health and prosperity.

On Friday the newly wedded pair gave a dinner to relatives and on Saturday the two sisters of the bride returned to their homes, accompanied as far as Oregon City by Mrs. Wiseman and Mrs. Peterson, other sisters who are residents of Stafford.

What Ails You?

Do you feel weak, tired, despondent, have frequent headaches, coated tongue, bitter or bad taste in morning, "heart-burn," belching of gas, acid risings in throat after eating, stomach growl or burn, foul breath, dizzy spells, poor or variable appetite, nausea at times and kindred symptoms?

If you have any considerable number of the above symptoms you are suffering from biliousness, torpid liver with indigestion, or dyspepsia. Dr. Pierce's Golden Medical Discovery is made up of the most valuable medicinal principles known to medical science for the permanent cure of such abnormal conditions. It is a most efficient liver invigorator, stomach tonic, bowel regulator and nerve strengthener.

The "Golden Medical Discovery" is not a patent medicine or secret nostrum, a full list of its ingredients being printed on its bottle-wrapper and attested under oath. A glance at these will show that it contains no alcohol, or harmful habit-forming drugs. It is a fluid extract made with pure, triple-refined glycerine, of proper strength, from the roots of native American medicinal forest plants. coming election. Our county superintendent is not up for office, but is simply interested enough in the boys and girls of this growing county, to give up his valuable time, in helping them to secure an education, giving the country scholars an equal chance with those who reside in towns.

The A. O. U. W. hall was packed to the limit of its capacity on Sunday evening last to hear Rev. Zimmerman in the interests of the anti-saloon league. The chairman announced that Rev. Zimmerman was ill and unable to be present, but Rev. Proctor, of Oregon City had been secured to fill the vacancy.

Rev. Proctor is a forcible, convincing speaker, with a pleasant voice, and unobtrusive delivery which captivates his audience. Campaign songs were rendered by the Methodist choir, and a collection was taken in the interests of the Anti-Saloon League.

The voters of Wilsonville and vicinity can surely be counted upon to ring in a fine vote in favor of the "High School Fund Law," after that splendid lineup of 33 to 0 in favor of a high school in our village. This law is the only one that has been advanced with regard to high schools that will give the boys and girls of country districts an equal chance with those who reside in towns. We hope that the Oregon City voters will remember the golden rule in this respect, for although we are glad and proud that our county seat can afford such a splendid high school yet a little shack, out in the country where our scholars can attend is more valuable to those who reside in the country districts. When voting for the high school fund law, do not forget that you are voting in the interests of the boys and girls, who have to depend upon your vote for
