GARY IS MAYOR OF WILLAMETTE

SCHOOL SUPERINTENDENT IS CHOSEN BY COUNCIL TO FILL DOWNEY'S SEAT.

WATERWORKS CAUSE OF DISSENSION

Some Criticized Mayor's Purchase of Water Plant, and Hearing It, He Tendered His Resignation.

At a meeting of the city council of Willamette Tuesday night, the resignation of Mayor James Downey was accepted, following the notice he gave that body some time ago. To fill the vacancy, the council elected County School Superintendent T. J. Gary to the office.

The town of Willamette was incorporated two or three years ago principally for the purpose of purchasing the water supply of the town, then owned by the Portland Railway, Light & Power Company. The company offered to sell the waterworks and the park surrounding it for \$5000, and the city was authorized to issue bonds for that amount to make the purchase. Though the bonds were offered for sale and advertised, they remained unsold.

Some time ago Mayor Downey purchased the waterworks from the railway company, and this act caused considerable comment among the townspeople, who considered it a most unusual proceeding for the Mayor to purchase the property that he was striving to buy. Hearing this, Mr. Downey some time ago tendered his resignation to the city council, to take effect at the meeting.

Mr. Downey has offered to sell the waterworks to the city, and T. J. Gary, E. P. Burdine and Bert Rogers were appointed a committee to sell the bonds. It is the plan of the committee to sell the bonds to local people on the basis of interest being a little higher than usual as an added inducement.

WABASH WINS FROM OREGON CITY TEAM

TOUCHDOWN IN LAST MINUTES PREVENTS HARD GAME FROM BEING SCORELESS.

The Oregon City football team met defeat Sunday at the hands of the Wabash team of Portland, after a gruelling contest that bruised all of the players to a certain extent. Injuries were frequent occurrences, although luckily, none of them were serious. Wabash won on a touchdown in the last minutes of the game, when Dowling, who was easily the star player of the day, caught a punt, and sprinted over half the length of the field for a touchdown. A storm of dissension immediately arose, the Oregon City players declaring that the runner went across the sidelines the Wabash team insisting that he did not. The officials decided in favor of the visitors, much to the disappointment of the locals.

Neither side attempted any thing startling in the line of new football, the old style game being used the greater part of the time. The line backs of Long, the local fullback were nearly always successful, and he seldom failed to make a gain. Moore, left half for Oregon City, and Dowling, who played the same position for Wabash, were both badly battered at all times, but in spite of injuries, they made many consistent runs for their teams. Speddy, the Wabash right end played an exceptionally fast game, and broke up many Oregon City plays by getting behind the line.

The line up: Oregon City Speddy... R.E.L... Larson Fenning... R.T.L... Baker Dotson... R.G.L... Barry Yeager... C... Montgomery Deburne... L.G.R... Smith Fowler... L.T.R... Bennett Bateman... L.E.R... Green Brill... Q... White Watts... R.H.B... Sellers Dowling... L.H.B... Moore Schub... F... Long Referee, Spagie; umpire Jackson.

LOCAL HIGH SCHOOL WINS ANOTHER GAME

GRESHAM HIGH WALLOPED 15 TO 5 BY LIGHTER ELEVEN LAST FRIDAY.

Outweighed 10 pounds to the man, but light and fast, the football team of the Oregon City high school won from the Gresham high school aggregation Friday afternoon on the Chautauqua field by a score of 17 to 6. In the first quarter Sheahan hurled the ball down the field and Baker pushed it over for a touchdown. Kelly kicking goal. Gedamke went through the Oregon City light line a few minutes later for five points, a perfect goal being kicked by Thompson. With the score standing 6 to 6 at the beginning of the second quarter, Gresham tore through the light line of the home team, but the Oregon City lads put up a stubborn defense near their own goal and secured the ball on downs, and the quarter ended without a score. Sheahan made a magnificent run following a forward pass in the third quarter, and Kelly failed to annex the lone point after the touchdown. Near the end of the game Clarke smeared up the Gresham interference and Cross secured the ball on a forward pass, and with a clear field ahead of him, he went over the line for another five points and Kelly placed the ball between the bars.

The teams lined up as follows: Oregon City Gresham Welch... C... Roberts Clarke... R.G.L... Ryan Canfield... R.T.L... Ryan Sheahan... R.E.L... Metzger Kelly... L.G.R... Thompson Moore, Michels, Williams Wilson... L.T.R... Graves... L.E.R... Gedamke Cross... R.H.L... Jones, Reed Avison... L.H.R... Hess Sinnott... Q... Kern Baker... F... Glowing Account of Business Conditions at Grants Pass.

GRANTS PASS, Or., Oct. 21.—(To the Editor:—) As various articles have appeared in the public press in regard to the business conditions of Grants Pass, articles which are misleading and detrimental to the best interest of the town, the undersigned persons hereby issue the following statements, the figures all being taken from the records: Business conditions in Grants Pass were never more satisfactory than at the present time. Merchants report collections easier than two, three or four years ago. Larger and better stocks are in evidence on every hand.

The deposits in the banks show an increase of about 70 per cent for two and one-half years. The County Recorder's fees for the first nine months of 1910 show an increase of 73 per cent over same months of the year 1908.

The postoffice receipts for the past year show an increase of 15 per cent over preceding years. The general growth and improvement of the city has been steady and substantial.

The wage earner is paying his obligations more promptly than formerly and a less number of cases of delinquency is reported. There is no excuse for any able-bodied man being out of employment.

Formerly, the banks had a great deal of annoyance from persons who had become intoxicated and had paid with their checks voluntarily or otherwise, and who wanted to have payment stopped thereon that they might recover the proceeds. But one case of this kind has come to our notice in two years.

For three years previous to the time local option was put into effect, four business houses went into bankruptcy. In the little over two years since its operation, there has not been a case of failure of a business concern.

There is not a desirable residence to be had or a vacant store building in the city. Several store buildings are being erected and arrangements have already been made for their occupancy.
