HIDDEN DANGERS.

Nature Gives Timely Warnings That No Oregon City Citizen Can Afford to Ignore.

DANGER SIGNAL NO. 1 comes from the kidney secretions. They will warn you when the kidneys are sick. Well kidneys secrete a clear, amber fluid. Sick kidneys send out a thin, pale and foamy, or a thick, red, ill-smelling urine, full of sediment and irregular of passing.

DANGER SIGNAL NO. 2 comes from the back. Back pains, dull and heavy, or sharp and acute, tell you of sick kidneys and warn you of the approach of dropsy, diabetes and Bright's disease. Doan's Kidney Pills cure sick kidneys and cure them permanently. Here's Oregon City proof.

Frank H. Bush, Jr., Main St., Oregon City, Ore., says: "I suffered from an acute attack of kidney and bladder trouble and received no relief until I used Doan's Kidney Pills. This preparation did its work so thoroughly that since taking the contents of two bottles, I have had no recurrence of my former complaint. Whenever an opportunity occurs I give Doan's Kidney Pills my endorsement."
