### ARE YOU DEAF?

Catarrh is Probably the Cause. Get Rid of the Cause.

If you have catarrh and have constant ringing noises in your ears look into the matter at once.

It's a pretty sure sign that catarrh is spreading and is making its way through the Eustachian tubes that lead from the nose to the ears.

When catarrh gets to the ears partial deafness follows. If you have ringing noises in your ears go to Huntley Bros. Co. today and get a HYOMEI outfit and drive out catarrh.

To cure catarrh HYOMEI should be breathed through the Hyomei inhaler for a few minutes, four or five times a day. Just pour a few drops into the hard rubber inhaler and breathe it.

It kills the germs; soothes the irritation; heals the inflammation; stops hawking, spitting and snuffling. HYOMEI keeps the throat free from mucus and prevents crusts in nose.

The complete HYOMEI outfit includes the little indestructible hard rubber inhaler, a bottle of HYOMEI and simple instructions for use, costs \$1.00.

Groceries Close Earlier. By common consent, the grocers of this city have agreed to close their stores at 6 o'clock, instead of at 6:30, which for some time past has been the closing hour. They consider that the convenience to themselves and their clerks in getting away from the store half an hour earlier each day offsets any mercenary gain that they might make by staying open.

You Can Always Get The best cough medicine if you ask for Dr. Bell's Pine-Tar-Honey and look for the bell on the bottle. Guaranteed to give satisfaction. Sold everywhere. Jones Drug Co.

New Grocery Store. Guenther & Schultz have formed a partnership, and will open a grocery store on Seventh street in the Shively building. This will make six grocery stores on Seventh street.

Antiseptic Remedies destroy disease germs. Dr. Bell's Anti-Pain is an antiseptic remedy for external and internal pains, relief is almost instantaneous. Sold by all dealers.
