Warner who has passed his 93rd birthday, and whose residence is on Ninth and Quincey Adams streets, was visiting among his old friends along Main street Saturday. ONE MEETING A YEAR. November 7 Fixed as Date for Boundary Board. The District Boundary Board decided at its last meeting to hold only one meeting a year for the purpose of changing boundaries and creating districts. This meeting will be held on the seventh day of November. All changes made at that time will be properly entered on the assessor's books and thus avoid confusion. It is hoped that all interested parties who read this will take due notice and prepare their petitions in time. If petitions come in too late for that meeting they will surely have to wait until a year later. VISIT NEIGHBOR CLUB. Clermont School Patrons Not Afraid of the Rain. A delegation from the Clermont school district attended the debate of the Mountain View Booster Club last night. The debate was participated in by the ladies, the subject up for discussion being, "Resolved, That Capital Punishment Should Be Abolished." When the women of a neighborhood begin to take part in the discussions, said a member of the club, "then we are near to a time when there is to be something done." The question as to the relative value of iron and gold was debated at Clermont school Wednesday night, despite the rain, and the school house was as full as was comfortable. BUYS JOHNSON HOME. Place to Be Remodeled and Greatly Improved. E. M. Howell, a prominent resident of this city Thursday closed a deal with Captain J. T. Apperson in which he purchased what is known as the Carey Johnson place on Eleventh and Washington streets. The grounds are to be parked, beautified and cement walks and cement walks built. Mr. Howell will not state as to who will occupy the building when completed. The place commands an excellent view, and is a most desirable location for a home. At the rear the parking is to be cleared of the brush, and this too is to be beautified. The main entrance of the place will be from Moss street, and the roadway will be built at that point leading to the house. There are at present about 15 rooms in the building, and is heated by furnace. STATE OF OREGON, CITY OF TOLDO, IN LUCAS COUNTY. FRANK J. CHENEY makes oath that he is sole partner of the firm of F. J. ODD FELLOWS GIVEN LAST TWO DEGREES. GLADSTONE CANDIDATES PUT THROUGH THE PACES BY OREGON CITY TEAM. The Odd Fellows, of Gladstone, were given a good time Thursday night by the Oregon City Odd Fellows. It was the occasion of the working of the second and third degrees on the members of the new lodge at Gladstone, which is at this time being instituted. There were 24 Odd Fellows from Gladstone to take the degrees, and ample preparations had been made for the occasion. At an early hour the work was begun. The local lodge was in force to see the fun. The Oregon City team was at its best and the evening's sport was such that those who participated had not a moment to spare. Those who took the degrees were: Messrs. C. T. Tooz, Harry Morrow, O. E. Freytag, Will Hammond, Ed Hughes, John and Chas. Slevers, W. F. Schooley, J. C. Schmidt, Frank Kennedy, A. F. Parker, Joe Bauer, Chambers Howell, J. A. Tuft, Guy Dwiggin, C. A. Williams, L. A. The lodge will meet each Wednesday and for the present in Galt's Hall, over the postoffice in Gladstone. OSWEGO GRANCE HAS USUAL INSTALLATION. REGULAR GRANCE AND JUVENILE GRANCE OFFICERS TAKE UP BURDEN OF OFFICE. In spite of the inclemency of the weather about fifty grangers, staunch and true, met at their hall in Oswego and the officers of both the grange and juvenile grange were installed on Saturday, January 14. Prof. Gary, our county superintendent, acted as installing officer. He was assisted by Mrs. C. T. Dickenson and Mrs. Lane. Mrs. Lane has been a very efficient matron of the juvenile grange for the past year and Marjorie Tiedeman has been her assistant, both having gained the love and respect of all the members of the juvenile grange. Mrs. Stone, of Springbrook, will take her place for the coming year. Perhaps it is not generally known that any children between the ages of 6 and 14 can join the juvenile grange, whether their parents belong or not, by the payment of a small fee and obeying the rules and regulations laid down. Its teachings tend to uplift and form good traits of character which will go with them into the busy scenes of manhood and womanhood. Prof. Gary, among other good things, said when he was asked to install the officers of Oswego Grange, and its juvenile grange, he felt glad to be able to do it and told the story of the man who searched the world over for the bed of diamonds, and they were found at his own door. Therefore we may not have to look to the Far East for the great and good; they may be growing up in Oswego juvenile grange. The Professor, who has been a successful teacher for a number of years, claims never to have seen a bad boy. The juvenile grange has an organ and have various exercises dear to the heart of every boy and girl, and the times pass quickly for the children. The have their own officers of 13 who carry on the meetings under the supervision of the matron, and they have their separate table in the dining room, a trifle better laden perhaps than the other. A. J. Thompson, who was elected steward, resigned as Mrs. Geo. Slevers, who was elected Ceres, also sent in her resignation, as she was very ill. Mr. Milan was elected steward and Mrs. Milan, C. C. Borland, who succeeded himself, told of a card shower given him on his birthday, the 3rd of the month, he having received 113 from grangers and other friends. A committee of one was appointed to send words of sympathy and condolence to Tualatin grange and the bereaved family upon the death of Sister Barnes. The evening was spent by the youngest set in dancing. The Association of young men of the grange, and its always make their dances enjoyable. GRESHAM GRANGE FAIR. Association Getting Things Shaped Up for Fair Exhibit. The newly elected board of directors of the Grange Fair Association met Tuesday afternoon for their first meeting by electing the following officers: President, Lewis Shattuck; vice president, R. M. Gill; secretary, Emil Kardell; treasurer, T. R. Hewitt. The association is in good condition, with scarcely any indebtedness except \$300, which is owing to the farmers, and which are worth several times that amount. Several improvements will be made the coming summer, and an effort will be made to give a fair next fall that will eclipse anything of the kind heretofore held in this section. The new premium list will be issued early in the spring and will enumerate awards for all exhibits aggregating several thousand dollars. A LEADING GRANGER. Mrs. T. L. Turner Died at the Family Home. Mrs. Thomas L. Turner, wife of Thomas L. Turner, a prominent farmer of the Stafford county, died at 1 o'clock Thursday afternoon at the family home at Frog Pond after an illness of 10 days. Her death was due to pneumonia. Mrs. Turner was about 60 years of age, and was a leading member of Tualatin Grange, Patrons of Husbandry. Besides her husband, she is survived by a large family of grown sons and daughters. Kill More Than Will Beasts. The number of people killed yearly by wild beasts don't approach the vast number killed by disease germs. No life is safe from their attacks. There is air, water, must, even food. But grand protection is afforded by Electric Bitters, which destroy and chase these dreaded disease germs from the system. That's why chills, fever and ague, all malarial and many blood diseases yield promptly to this wonderful blood purifier. Try them, and enjoy the glorious health and new strength they'll give you. ST. PAUL'S CHURCH HOLD BUSINESS-MEET. PLAN FOR A PAPER WHOSE COLUMNS WILL BE USED FOR NEWS PURPOSES. The meeting of the St. Andrew's Brotherhood of the St. Paul's Episcopal church was held on Wednesday evening at the rectory. This was also a meeting of the vestrymen, and business of both organizations was brought up for discussion. Among the business brought up for discussion was the issuing of a paper of pure reading matter pertaining to the work of the church, but no advertising matter, that will be published by the parishioners for the parishioners of this church once a month. It will be of four pages, the first issue to appear in the month of February. It is planned to have a representative from the St. Andrew's Brotherhood, Vestry, Ladies of St. Paul's Guild, the King's Daughters, the choir, and the St. Andrew's Brotherhood, Jr., the latter of which is soon to be organized by the rector, and rector, to write for this paper each month. The committee having this in charge consists of William Hammond, Dr. L. A. Morris and John R. Humphrey, with Rev. Charles Robinson, rector, at the head of it. It was proposed several weeks ago to purchase a new organ for the church, and there has been one on trial, but the one that has been in use in the church for several years has been thoroughly overhauled and repaired, by an experienced man of Portland, so that the committee in charge has decided to retain this in the church instead of purchasing another. MOTHER RESCUES BOY LITTLE GIRL DROWNS. CHILDREN BOTH FALL FROM FOOT BRIDGE INTO LITTLE MOUNTAIN STREAM. The 12-year-old daughter of Mr. and Mrs. John Ferguson, living near Scott's Mills, was drowned Wednesday afternoon while crossing a small stream near her home. The girl, her mother and little brother were on their way to Scott's Mills to do some trading and in crossing a small wet weather stream, as they passed through the fields, both boy and girl fell from the foot bridge into the water below. After much effort the mother succeeded in pulling the boy out of the water, but in the meantime the little girl had disappeared from view. Search was at once instituted for the girl. Not finding her at once, and being unable to determine where she could have disappeared to in so short a time, the alarm was given and friends soon joined in the search. Search was continued until late at night but with no success. Thursday morning the search was again taken up and about 8 o'clock the body was found in a pool a short distance from where she fell into the stream. Ferguson lived in Clackamas county, near Russellville and also near the Marion county line, and was in the habit of going to Scott's Mills to do trading. The stream in which the little girl was drowned is an ordinary pool during freshets such as have been experienced the past few days. When found the body was entangled in the debris that usually settles into the pools that form a part of these wet-weather streams. CASTORIA For Infants and Children. WHOSE IS THE MONEY FOUND ON THE DEAD? BOURNE RESOLUTION PRECIPITATES A ROW GOVERNOR WEST TAKES A HAND IN THE EFFORT TO SEE RIGHTFUL HEIR WIN. REPUBLICAN SENATORS DO NOT OBJECT TO OREGON SYSTEM BUT TO BOURNE METHODS. A case in the courts here that has furnished no end of conversation is that of the estate of the old man found dead with near \$500 in gold on his person. It was thought the man's name was Williamson and a woman named Effie B. Robinson lay claim to the estate and set up the claim that she was his daughter and that her maiden name was Williamson. During the time covered by the legal contention it was claimed the discovery was made that her name had been Williams and that two letters had been added to the marriage certificate for the purpose of securing the money. The final windup in the county courts was the order of Judge Beattie for the County Treasurer to pay the money over to the woman. The last move in the case came with Governor West on Saturday appointing Frank C. Hesse special prosecutor to begin exchequer proceedings for the money. That means that the State of Oregon will review Judge Beattie's order for error on the grounds that no decree can be vacated after the term in which it has been rendered has passed. This case was decided by Judge Dimick in January, 1910, and this renews the controversy. DEEDS, NOT WORDS. Oregon City People Have Absolute Proof of Deeds at Home. It's not words, but deeds, that prove true merit. The deeds of Doan's Kidney Pills, for Oregon City kidney sufferers, have made their local reputation. Proofes in the testimony of Oregon City people who have been cured to stay cured. William McLarty, 1521 Washington St., Oregon City, Ore., says: "The public statement I gave in praise of Doan's Kidney Pills in January, 1906, still holds good as I have had no return attack of kidney complaint. I was afflicted with backache and pains through my loins and I could not sleep well, as no position I assumed was comfortable. My strength and energy left me and I was miserable when Doan's Kidney Pills were brought to my attention. Deciding to try them, I procured a box at the Huntley Bros. Drug Co. and by the time I had taken the contents, I felt so much better every way that I did not consider it necessary to continue their use. I have been convinced that Doan's Kidney Pills are a reliable kidney medicine." For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
