Beware of Ointments for Catarrh that Contain Mercury

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should be avoided. Use only preparations from reliable physicians, as the damage they will do is too full to be good, you may possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. ROBBER CATARRH Steals Energy and Will Power From its Victims.

Catarrh robs its victim of energy—some physicians say of will power. That may be the reason why thousands of catarrh sufferers haven't ambition enough to accept this fair and square offer by Huntley Bros. Co. in a body, and the royal offerings were beautiful. The interment was in the I. O. O. F. cemetery. The pallbearers were E. W. Scott, S. S. Walker, Harry Trembath, John Lowry, from the local order of I. O. O. F., and O. R. Mack and Mr. Zec, of Canby lodge.

Mr. Weismandel has been an active member of the I. O. O. F. lodge for many years. There were many friends of the deceased here from Canby to attend the funeral. Deceased leaves besides his widowed mother, the following sisters: Mrs. Rose Howard, of Portland; Mrs. Emma Phillips, of Eastern Oregon, and Mrs. Nellie Lyons, of this city.
