Woodlawn Body Acts in Opposition to National Call.

By a unanimous vote, Woodlawn Grage of the Patrons of Husbandry voted Saturday night to sustain the eciprocity agreement with Canada as roposed by President Taft. This is direct opposition to the call of the

National Grange. Discussion was opened by Dr. W. E. Slater, who argued for the treaty. He said that it would not injure the farmers in this country. Rev. William Douglas said that the agreement would ring the people of the United States and Canada closer together and would not affect the price of grain, as that is controlled elsewhere.
