SAVING TIME by TELEPHONE here in twenty

WHEN a man feels the necessity of being in two places at the same time he goes to the nearest telephone and sends his voice.

It is not exactly the same thing, but when a man talks hundreds of miles in opposite directions from the Bell Telephone, it is about as good.

In the daily use of the telephone a man travels all over town by wire in a few minutes. It is just as easy to travel all over the state and other states by means of the universal Long Distance Service of the Bell System.

Pacific Telephone and Telegraph Co. Every Bell Telephone is the Center of the System

out of the city several matters were put over for further discussion. The first month's business showed up very satisfactory.

After the fire had been extinguished Tom Brown opened his cash drawer The The board endorsed the matter of the issue of sertificates and placed the working out of the details in the hands of the secretary, M. J. Lazelle It was discovered that as the board had ordered the sale of stock at 45 a ened and disfigured but it will not prove a loss. Tom Brown lost a new share for 60 days, and February had only contained 28 days, stock could be suit in addition to his other loss, the Union's prospects are promising.
