### A HOPEFUL MESSAGE TO SCALP SUFFERERS AND MEN WHO'S HAIR IS THINNING.

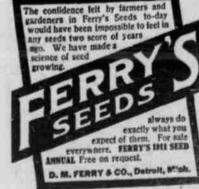

Dandruff now-bald later. same is true of scalp diseases. In fact baldness is a scalp disease. The trouble with the greasy salves lotions, the so-called dandruff and scalp cures you have tried so far is that they don't do anything but temporarily relieve the itching and cake the dandruff so it doesn't fall until it's dried out again. Nothing can cure really cure such troubles but a real scalp medicine that will kill the germs causing dandruff and scalp disease.

Learning from leading fellow druggists throughout America that they had found a whirlwind cure for dandruff, eczeina, and all diseases of the skin and scalp, the Huntley Bros. Co. Drug Store on proving to the laboratories compounding the treatment store in this city secured the agency for the remedy. This remedy is ZEMO, the clean, liquid preparation that kills the germ of disease and ZEMO SOAP to wash the scalp or skin clear and clean of the dandruff eral important meetings in the near or scale and by its antiseptic qualities soothe and heal.
