## THE BEST EVER.

#### Barnes Big Three-Ring Wild Animal Show Is Coming

A novelty of any description is thoroughly approclated by man, especially so in the amusement line, of which there are a few. The one that enjoys the distinction of possessing really more novelty and interesting features is Barnes Big Three-Ring Animal Circus, which exhibits in this city under monster tents on Monday, May

Barnes Shows always have some thing new to present and this year 1 no exception to the rule. In fact, no 71,100 ENUMERATORS USED. has as many sensational acts. The press of California pronounce Barnes Circus the best ever in the West, and their tents were packed at all the leading cities. In addition to a number of special attractions, over 200 wild and domestic animals from all parts of the world are presented in new and novel acts, under the direction of fearless male and female trainers in three rings, steel arena and on elevated stages, all going on at the same time. You will see monster lions ride horseback; Arctic sea lions that play on musical instruments, play football and do other funny stunts, Persian leopards, tigers, lions, pumas, jaguars in groups, directed by lady trainers, performing wonderful tricks and unheard of feats that hold the audience spell bound. Siamese elephants that display human intelligence and their act alone is worth the price of admission. Bengal tigers, the most feroclous of all cat animals, in complete subjection, h thly educated. "Maud," the champion kicking mule, famous the world over, made so by MacDonald of the New York Hernever fails to bring shouts of laughter. Over 100 ponles, dogs, monkeys and babboons are presented. Two military bands, free street parade, given daily at 10:30 A. M. Come to town early and enjoy this gorgeous spectacle. The Barnes Circus has the reputation of being one of the most brightest, cleanest and most educational shows traveling. Remember the date, Monday May Sth. A street parade will be given at 10:30 A. M. Bring all the little folks and see this special feature.

#### BEAVERS WIN THE GAME.

PORTLAND, Or., April 25 .- (Special.)-The Beavers won against Sacramento in the game Tuesday in a score of 5 to 1. At that Portland made the five runs in a rally in the second inning.

## SAY THEY'RE THE GOAT.

CHICAGO, Ill., April 21.-(Special.) fight, and they are making an effort to organize to care for their own interests.

#### Joke on the Joker.

When Professor Scheffel, the Gerlowing words: "I am quite well ed in continental United States was Yours truly, B." Annoyed at having about 71,100.

COST OF CENSUS WAS \$5,855,500 About 37 1-2 Per Cent More Than in 1900.

Earlier Legislation Recommended by Director Durand-Salaries and Expenses Paid Counters of Uncle Sam's Population Aggregated \$4,870,000, or 5.3 Cent Per Caoita.

Director E. Dana Durand has sub importance of winning the confidence mitted his anoual report concerningthe operations of the bureau of the census during the year 1909-10. It is shown that the entire cost of the field work on population and agriculture in continental United States for the thir teenth census was about \$5,855,500 In 1900 the cost was \$4,267,394. The 1910 cost was about 3715 per cent more than in 1900.

The original estimate of \$14.117.00 conceal ideas. as the total cost of the decennial cen sus, including the other work of the me. bureau during the census period, the director now believes too low, and he thinks, in view of the additional work good cook." required by congress and for other reasons, it will reach fully \$14,500,000

Delayed Legislation Is Deplored. The director urges that if new leg islation is required for taking the cen sus of 1920 it should be passed much earlier than was done for the present census. Were it not for the fact that the bureau is now a permanent organi zation it would have been practically impossible in the nine months which elapsed from the passage of the cec sus act to the date of the 1910 enu der his capacious coat and ample meration to arrange properly for the taking of the census. The three preceding censuses had preparatory pe riods fifteen months long. The census act authorized not to
