E. building. Communication has just arrived from E. A. King, president of the Washington State Christian Endeavor Union. In his communication he states that he is working hard to do his part to have a Christian endeavor car through to Atlantic City, N. J., either from the State of Washington, or from the State of Oregon, Washington and Idaho. He suggests if we could do no better than to have a car starting from Portland going through Tacoma and Auburn, taking Seattle and Western Washington delegates, going east to Spokane and through Idaho taking Idaho delegates. The regular monthly business meeting of the executive board of the Oregon Christian Endeavor Union will be held on Monday, May 8, 1911, at 6:30 p. m., in the small dining room of the Y. W. C. A. At which time the members will take luncheon together. After which the regular business meeting will be held. Each member of the executive board is urged to be on time as important business is to be considered. OREGON STATE C. E. UNION, G. Evert Baker, Pres.

Charles Bricker has obtained his release from the county jail by raising \$20 for the support of his family, who live at Oswego. Bricker failed and last Saturday he was again taken into custody. This summary action frightened him into obtaining the money.

Today the prisoners confined in the county jail will be given a feast by the good wife of Sheriff Mass. There are at present five prisoners and one man who is without funds in the jail, and are treated with consideration by the sheriff. J. D. STEVENS HANDS U'REN HOT STUFF

SCATHING JEREMIAH GIVEN ON STREET BY RABID SOCIALIST. J. D. Stevens who announced early last week that he would talk in Oregon City Saturday evening against the Single Tax and W. S. U'ren was on the job alright. Such a scathing Jeremiah as Stevens delivered is not often heard on the streets of this city. Stevens is a crowd gathered to hear. While getting in a few licks at the single tax that showed on the face that they were meant more for U'ren than the tax, Stevens did not spare U'ren in the least. Coward, politician, bribe taker, hypocrite and sly attorney were some of the mildest terms in his vocabulary of abuse. Stevens is an inveterate enemy of U'ren and so proclaimed himself in no uncertain terms. The crowd listened good naturedly but it is very doubtful if any converts were made for the anti-U'ren forces by what Stevens had to say. His language being too personally abusive.
