John D.'s Check Not Negotiable. BERKELEY, Cal., June 5.—Visitors of the invasion of Berkeley by the families of Rockefeller and Taft were rudely shattered today when Edward Lynn, real estate agent, found that two checks, one for \$250 signed by "Mrs. John D. The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and sending nature to doing its work. The proprietors have no faith in the mere power that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
