Killing of Archie Coble And Wife.

Sheriff Mass, upon returning from Olympia late Tuesday night, declared that he was positive Swan Peterson, the suspect in connection with the slaying of Archie Coble and wife at Rainier, Wash., and was thought to know something of the Hill tragedy at Ardenwald Station, is not the guilty man. The sheriff said there was no truth in the reports that finger prints had been found in the Hill home and

"We made a thorough search for finger prints at the Hill home," said the Sheriff "and could find none. Peterson gives a good account of himself, and we found that the blood in his room was caused by a little girl cutting her finger. While there is a probability that the same man commited both crimes there is no evidence to connect Peterson with either of them. The day after the Cobles were house at Roy, which is eleven miles slayer. He, however, escaped. We took Peterson to the boarding house,

and the proprietor and his family said he was not the man that had applied for lodging. This, with other circumstances convinced me that he was not the man wanted and I came home The Coble couple were killed in identiand the bodies were mutilated alike Sheriff to continue Search.
