## SENATE LIMITS ELECTION FUNDS

PUBLICITY MUST BE GIVEN TO CAMPAIGN CONTRIBUTIONS AND EXPENSES.

## PRIMARIES INCLUDED IN MEASURE

Senators Are Prohibited From Spending More Than \$10,000 and Congressmen \$5,000 in Campaigns.

WASHINGTON, July 17.—The most drastic campaign publicity legislation ever passed in either branch of Congress was adopted by the Senate today, practically without a dissenting vote.

Using the pre-election publicity bill passed by the House of Representatives as a basis, the Senate constructed a proposed law with the following important features:

No candidate for the Senate or House shall spend in the election more than a sum equal to ten cents for each voter in his district or state.

No Senatorial candidate shall spend a total of more than \$10,000 in the primary and general election, and no candidate for the House shall spend more than \$5,000.

Publicity Mandatory.

Publicity must be given to all primary campaign contributions and expenditures.

All general elections expenses must be made public before the election, beginning 15 days before election and making publication mandatory each day until election.

All promises of political jobs must be made public. The bill further makes it illegal to promise political places in order to secure election support or to influence the election of any member of a State Legislature.

The bill probably will be the subject of prolonged conference between the two houses. It originated in the House as a part of the Democratic legislative program and was designed to require the publication of expenditures before election which is not required by the existing publicity law.

Amendment Adopted.

The Republicans in the House unsuccessfully attempted to extend the bill to cover primary election expenses. In the Senate the primary election amendments coupled with more radical amendments were adopted with little opposition.

The Senate amendments authorized by the committee on privileges and elections, required publicity of all primary election expenses and all pledges of political jobs or favors.

Some objection was made on the ground that the primary elections were not within the control of Congress.

The amendment was finally adopted, however, by a vote of 59 to 7. Senators Bacon, Bailey, Bankhead, Johnston, Bryan, Overman and Taylor voting against it.

## SEALS AGAIN VICTIMS OF FRISKY BEAVERS

SEATON HAS VISITORS AT HIS MERCY, ALLOWING FIVE BINGLES.

PORTLAND, Ore., July 19 (Special)—McCredie's men found San Francisco easy again today and took the long end of the game by a score of 5 to 1. Seaton pitched rings around the Seal twirler, and kept the visitors chopping air most of the time. Only five hits were made off his delivery. What he didn't have isn't of any use on a ball field. The game was exciting and close up to the eighth when the Beavers got their willows to working and made three scores. San Francisco got its only tally in the sixth.

The results Wednesday were as follows:

Pacific Coast League—Portland 5, San Francisco 1; Sacramento 5, Oakland 0; Vernon 5, Los Angeles 4.

Northwest League—Portland 5, Tacoma 1; Seattle 14, Spokane 2; Vancouver 9, Victoria 2.

American League—Boston 10, Cleveland 2; no other games scheduled.

National League—St. Louis 4-8, Brooklyn 2-5; New York 4, Cincinnati 2; Chicago 5, Boston 3; Philadelphia 5, Pittsburgh 4.

## BUILDINGS PLANNED FOR CHAUTAUQUA

Secretary Gary of the Willamette Valley Chautauqua Assembly, said Tuesday that the meeting which closed Sunday was the most successful ever held. The attendance was larger than ever before. The Women's Christian Temperance Union cottage was so popular that several other societies are planning building before the next meeting. It is also planned to build an annex to the Women's Christian Temperance Union cottage. Mrs. Alice Weister is thinking of erecting an art pavilion; the confederated Women's Clubs probably will build, and several of the patrons of the chautauqua have under consideration the erection of a bible building. The erection of a Domestic Science building also is a possibility.

## STORM KILLS 2; MANY ARE INJURED

CYCLONE SWEEPS THROUGH TOWN IN CALIFORNIA DEMOLISHING BUILDINGS.

## BUSINESS SECTION SUFFERS MOST

Big Cotton Warehouse Collapses Burying in Ruins Three Men—Property Loss is \$30,000.

EL CENTRO, Cal., July 15.—A storm of cyclone violence, in which two lives were lost, several persons injured and buildings throughout the business district badly damaged, struck this section today. While it lasted only a few minutes, it damaged property to the extent of at least \$30,000.

The two whose deaths were caused by the storm were Leslie Novak, who died in St. Thomas' Hospital two hours after being injured in a falling building, and Singh Sunda, a Hindu, who lost his life in the same way.

The injured were W. H. Hamilton, of the Hamilton Supply Company, whose leg was broken; Isaac Lowthian, a carpenter, cut about the head and face; three Hindus, who were caught beneath the alien warehouse of the California Cotton Company; Leslie Novak, Jr., 11 years old, whose leg was broken by the collapse of the walls of Dick's restaurant; and L. P. Novak, who suffered internal injuries.

The property damaged included the First Presbyterian church, which was demolished; the warehouse of the California Cotton Company, which collapsed, burying beneath its heavy timbers three Hindus, who had sought shelter from rain under its roof; J. B. Whitaker's feed and fuel shed collapsed; the storage and drying sheds of the Valley Lumber Company, which were completely wrecked. Other houses damaged were the wholesale house of the Hamilton Supply Company, one of the largest buildings in El Centro; the Marble Livery Stable and residence, the roofs of which were blown off; the Abbott cement sheds, destroyed; the cantaloupe sheds of the Crutchfield & Woolfolk Company; the establishment of the Valley Laundry Company, the engine room of which was destroyed, the iron roofing crashing through the laundry; the Valley Planning mill, collapsed; the Blackington building, roof and plate front destroyed, and Dick's restaurant and lodging-house, 100 feet front, collapsed.

## WIFE'S DAUGHTER HAS RANCH MAN ARRESTED

W. M. HARDIN SAYS ACTION IS RESULT OF HIS TRYING TO COLLECT DEBT.

W. M. Hardin, owner of a large goat ranch near Ames, will be tried in Justice of the Peace Samson's Court next Saturday on a charge preferred by his stepdaughter, Mrs. Eva Phelps, of Ames. The woman's husband also is a complainant. Hardin was given a hearing on the same charge about three years ago when the complaint was dismissed. At the time of the alleged attack the stepdaughter was under 16 years of age and lived at home. About a year later Phelps married her, and has since been active in working up evidence against Hardin. Justice of the Peace Samson released Hardin on \$500 bail which was furnished by J. J. Tobin and L. A. Nobel. Hardin and Mrs. Phelps' mother deny the charge, and the former alleges it was made after he had insisted upon his wife's non-law paying a debt of \$55. He says he will be able to prove that Phelps and not himself is the guilty man.

Mr. and Mrs. Edward Follenbeek left Wednesday morning for Newport, where they will spend two weeks enjoying the sea breezes and fishing.

## GOLDEN AGE MINE IS BIG MONEY MAKER

J. E. ARGO, AGENT OF BIG ENTERPRISE, TO MOVE TO McMINNVILLE.

J. E. Argo, of Spokane, Wash., who has been spending several weeks in this city and in Clackamas county interesting some of the citizens of the county in the Golden Age mine in the Boise Basin, Idaho, will leave for Spokane this evening. From Spokane Mr. Argo will accompany his family to Newman Lake, a summer resort in Washington, where they will stay during the remainder of the summer. In September they expect to move to McMinnville, where they will reside, and where Miss Edith Argo will complete her education at the McMinnville College. While at McMinnville Mr. Argo will continue as agent of the company.

The Golden Age mine is earning for its stockholders a fine profit. One of the patrons, Ab Russell, of Molalla, who is master mechanic of the company, makes a glowing report of the conditions of the mine. The mine has produced during the past three months about \$14,000, while it is being developed into a large dividend payer.

Electric power has been installed, which will enable the company to run its mill continuously throughout the winter.

## GUESTS FLEE FIRE IN SEATTLE HOTEL

FLAMES GET BEYOND CONTROL AND BUSINESS SECTION IS IN DANGER.

## NUMBER OF FIREMEN ARE OVERCOME

Apartment House Also Burned and Wind is Causing Big Blaze to Spread—Loss Already Large.

SEATTLE, July 12.—Fire which started tonight in the basement of a three-story frame building at Ninth avenue and Pike street has already destroyed the building in which it started and is spreading to adjoining property. Four alarms have been turned in. A strong wind is carrying sparks toward the heart of the uptown business district.

When the first firemen arrived great volumes of smoke were pouring out of the basement where a large quantity of furniture and paints were stored. The upper floors of the building in which the fire started were occupied by the Fairmont Hotel. It is believed that all the occupants escaped safely, as did those in a three-story apartment-house adjoining the hotel on the west.

Fire is Beyond Control.

Although the firemen poured water from a dozen lines of hose into the basement, they were unable to make any headway, and after half an hour the entire interior of the building burst into flames, the fire leaping high above the roof.

The blaze then jumped to the Airey apartment house adjoining the Fairmont. A three-story brick building at Eighth avenue and Pike street is threatened. The upper floors of this building are also used as a rooming house, and the occupants have been ordered to vacate.

Firemen Are Overcome.

Several firemen have been overcome by smoke, but as fast as they fell they were removed to a taxicab building across the street, and after a brief rest returned to work.

The Fairmont Hotel and the Airey apartment are a total loss. It is believed the loss on these two buildings, which are frame, and their contents, will not exceed \$100,000. The heaviest individual loser will be the Munson-Noah Furniture Company, which owned the furniture stored in the basement of the burned buildings.

The guests in the Fairmont Hotel and the Airey apartment did not save any of their personal effects.

Death in Roaring Fire may not result from the work of firebugs, but often severe burns are caused that make a quick need for Bucklen's Arnica Salve, the quickest, surest cure for burns, wounds, bruises, boils, sores. It subdues inflammation, it kills pain. It soothes and heals. Drives off skin eruptions, ulcers or rashes. Only 25c at Jones Drug Co.

## BABY GIRL'S DEATH DUE TO LOVE OF MUSIC

DOROTHY DENNEY'S BROTHER HUNTING VIOLIN WHEN HE SHOT HER.

## HER FONDNESS FOR MUSIC WAS INDIRECTLY THE CAUSE OF THE DEATH OF DOROTHY DENNEY, THE THREE-YEAR OLD DAUGHTER OF CLARK DENNEY WHO WAS ACCIDENTALLY SHOT AND KILLED BY HER NINE-YEAR OLD BROTHER, GEORGE DENNEY, AT THEIR HOME NEAR ESTACADA MOUNTAIN.

The children were at play in a bedroom and the mother was at her work in the kitchen adjoining. It was customary for Mr. Denney to keep a violin near the dresser, hanging on the wall. After the little girl had called her brother to get the violin for her so she could "play" he climbed on a high chair, as both children were small and unable to reach the musical instrument. Lately many of Mr. Denney's chickens had been caught by an animal, and he had loaded the gun, which was hanging near the violin, not dreaming his children would ever take down the heavy firearm.

Mrs. Denney was shocked to hear the report of the gun, and, rushing to the room, found her little daughter on a conscious and blood streaming from a terrible wound in the stomach. The child lived but a few minutes.

Neighbors rushed to the house, and Coroner Wilson, of this city, was called by telephone, but upon investigation found an inquest unnecessary.

George, the little brother, does not seem to realize the dreadful result of the accident, and is only able to give a disjointed account of it. Mr. and Mrs. Denney are prostrated over the loss of their little daughter.

The funeral was held Tuesday afternoon at 3 o'clock at Estacada, and the interment was in the cemetery there.

This remedy strengthens and tones up the kidneys, helping them to drive out of the body the liquid poisons that cause backache, headache and distressing kidney and urinary complaints. Oregon City people testify to permanent cures.

James Wilkinson, 261 Fourteenth St., Oregon City, Ore., says: "I had backache and pains in my loins and could not sleep well at night. There was a stiffness in my limbs and other symptoms of kidney trouble were in evidence. Being advised to try Doan's Kidney Pills, I did so and was gratified by their promptness in relieving me. Although I am in my seventeenth year, I am hale and hearty and I give Doan's Kidney Pills the credit."

## RAPS INSURGENTS FOR TREATY DELAY

DEMOCRATS PRAISED BY BROWN FOR SUPPORTING TAFT MEASURE.

## PRESIDENT DEFENDED BY SPEAKER

Reciprocity Called Beginning of End of High Tariff Duties—"Stubborn and Loquacious Senate" is Blamed.

WASHINGTON, July 19.—Vigorous support of the Canadian reciprocity agreement by Senators Brown, of Nebraska; Stone, of Missouri; and Works, of California, and a speech against the measure by Senator Kenyon of Iowa, made up today's debate on the measure in the Senate.

Brown criticized his insurgent colleagues and praised the Democrats for "having the moral courage and patriotism to support and sustain a Republican President," characterized a speech today of Senator Brown in favor of the reciprocity measure.

"I want to express my grief, my profound grief," Senator Brown declared, "because the bill does not have the support of some of my friends in this body whom I know at heart are in favor of lower duties. I do not complain of them. I do not charge them with insincerity, because I know them to be sincere. But simply cannot understand them."

"It is beyond my comprehension to appreciate how in one session of Congress I could vote for lower duties, in the next session vote a revision of the tariff, a schedule at a time, and at a third session be against the proposition, which, while it is not a revision of a single schedule, is a revision of a few schedules, not with all the countries of the world, but with one country; a plan that I believe marks the beginning of the end of extortionate tariff duties in this country."

The speaker declared that it was not President Taft, "but a stubborn and loquacious Senate," that was responsible for the extra session. He defended the President from charges that he was taking too much part in legislation.
