

OREGON CITY ENTERPRISE

OREGON CITY ENTERPRISE, FRIDAY, AUGUST 11, 1911.

ESTABLISHED 1866

FORTY-FIFTH YEAR—NO. 32.

Has your subscription expired? Your name on our list? Oregon Historical Society numbers. If not, it now.

CANDIDATES WORK HARD FOR RINGS

ONLY FOUR DOUBLES LEFT OF GREAT DOUBLE VOTE OFFER IN CONTEST.

NOW IS TIME TO GARNER BALLOTS

Contestants Urged To Make Final Effort To Obtain Votes While Proposition Is In Effect.

Only four more working days remain of the DOUBLE VOTE offer that has been in effect since August 4, and the results obtained will go far to determine who the winners of the Enterprise grand prize voting contest will be on the night of September 2.

Are you figuring to have your name announced as one of the lucky ones on that night? If so you should make every moment of the time between now and the closing night of the DOUBLE VOTE offer count.

Since the announcement of this special offer nearly every candidate has started to work with renewed activity and great results can be looked for before August 14, the night this special offer closes.

Thursday, Friday, Saturday and Monday and then you will receive only half the number of votes on subscriptions that you are receiving during this special offer week.

If you are figuring on having your name announced with the winning candidates on the night of September 2, don't you think it worth your while to make another determined effort?

Extra Prizes Tuesday.

The winners of the two diamond rings that are to be named next Tuesday are another feature to account for the activity in subscription getting during the past week.

Think of what two or three five-year subscriptions would increase your vote total at the present time. It would place your name far ahead of other candidates in your district, and no doubt be the means of having your name announced as winner of one of the diamond rings, but also will be awarded to some contestant in your district on the night of September 2.

Candidates have held their vote totals very good so far, and one more final effort before the DOUBLE VOTE offer closes will secure enough votes to make them feel that they have as good a chance (if not better) than any competitor in their respective district.

Twenty-four Days More.

The time before the close of the contest is growing very short, and it does not seem reasonable that any candidate should sacrifice the good work of the past for a few more days of strenuous work. A race is never over until the finish and who can tell who may be the victors if they make another try?

Start today, NOW, and make one final effort, before this offer of DOUBLE VOTES closes.

Over 50,000 votes were polled since the last count, and of this number Miss Mildred Ream, of Willamette, cast the largest amount. Miss Fay Batdorf, of West Oregon City, Miss Elsie Shoeborn, of Carus, Miss Helen Ralack, of Stafford, and Mrs. M. T. Mack, of Canby, all made good showings.

In District No. 1 while all the candidates are apparently "resting on their oars," it does not necessarily signify that they are not doing their best to take advantage of every opportunity before the DOUBLE VOTE offer closes. The four leaders of that district are working incessantly, as the totals accorded each one will show when the winners of the DIAMOND RING prizes are determined next Tuesday, August 15.

NAVAL RULE BROKEN TO HONOR SEA HERO

WASHINGTON, Aug. 8.—(Special.)—Naval regulations of the strictest character were put aside today when Admiral Togo, as the nation's guest, was taken through Washington navy yard and allowed to make a complete inspection. A rule rigidly adhered to prohibits army or navy officers of a foreign nation from even entering a United States navy yard. Admiral Togo's visit fractured the rule. It was a personal compliment to Japan's great sea-fighter.

During the inspection the admiral asked many questions and was much interested in everything he saw. He paid particular attention to the naval gun factory.

Following lunch with Assistant Secretary of State Huntington Wilson, Admiral Togo took an automobile ride around the city and visited Congress.

TOGO TOUCHED BY HEARTY WELCOME

HERO SAYS HONOR CONFERRED ON HIM INDICATES FEELING TOWARD JAPAN.

FIGHTER IS INTERESTED IN NAVY

Admiral Does Not Think Aeroplanes Will Be Effective in War—Banquets Do Not Interest Him.

WASHINGTON, Aug. 7.—A brief speech, the first he has delivered in this country, was made by Admiral Count Togo before the National Press Club of Washington, tonight at the end of a strenuous day's program.

Following his visit to the Naval Academy at Annapolis, the Japanese visitor was the guest of Senator Knox at a banquet at the Pan-American Union building. Later he attended a reception by the newspaper men.

The admiral spoke in Japanese, his remarks being interpreted by Lieutenant-Commander Taniguchi, his naval aide. He said:

"Since my arrival in this country, the President of this great Republic has received me with the greatest honor and hospitality, your Government has extended to me innumerable courtesies, and your fellow citizens have given me the most hearty welcome.

"All these, I dare say, are more than I am entitled to, and I take them as meant toward my august sovereign, and for his subjects. Nothing pleases me more than to take home the most happy remembrances of my visit to the United States.

"Gentlemen, may I ask to take this opportunity to convey to your countrymen, in behalf of myself, my feeling of profound gratitude and high appreciation of their hearty welcome."

Receptions and banquets were not exactly inviting to the Japanese hero, who has passed most of his 67 years on the quarterdeck, and his visit to the United States Naval Academy at Annapolis was much more to his liking.

The admiral is to be shown every possible courtesy connected with his Navy in his brief visit to this country, and most of tomorrow will be passed at the Washington Navy-yard.

Through the admiral does not believe aeroplanes will do much damage in war, nevertheless he is keenly interested in their development.

Justice Marries Couple.

Claudia J. Tyler, of Clackamas county, and A. R. LeFebvre, of Polk county, were married by Justice of the Peace Samson Tuesday. The witnesses were L. E. LeFebvre and Mrs. Grace LeFebvre.

MOLALLA GRANGE TO HAVE ITS FINEST FAIR

W. W. Everhart, of Molalla, was in this city on business Friday in connection with the Molalla Grange Fair, which will be held on September 23.

The fair last year was a great credit to the Molalla country. More than 1,000 persons attended and the exhibition was the finest ever held in that part of the county, and those having charge of this year's fair promise even a better display.

The Molalla band has been engaged to furnish the music and all kinds of sports, including races, tug-of-war, and greased pig will be on the program.

The following committees have been appointed: Arrangements—J. W. Thomas, O. N. Daugherty and W. W. Everhart; stock, G. V. Adams; sports, J. H. Cole; agricultural and horticultural department, O. R. Daugherty; refreshments, H. N. Everhart; fancy work, Miss Kate Adams; juvenile, Mrs. R. P. Mackrell.

OREGON TO HAVE 3 CONGRESSMEN

REAPPORTIONMENT BILL PASSES IN SENATE WITHOUT AMENDMENT.

MULTNOMAH IS THIRD DISTRICT

Old Apportionment Plan Probably Will Be Used as Basis For Election of Delegates to National Conventions.

WASHINGTON, Aug. 3.—(Special.)—The Senate today allowed without roll call the House bill fixing the number of representatives in the next Congress at 432.

As passed the bill was changed in two particulars, both of them amendments by Senator Burton. One provides that candidates for the House might be nominated in the same manner as candidates for the governorship. The other was that redistricting shall be done by state legislatures, except in those states where the initiative and referendum is in force, where these laws might be invoked.

Under the Burton amendments, the initiative and referendum may be used in states where popular government laws are in force. The proviso for nomination in the same way governs not only the act of Congress, but also a practical recognition of direct nomination, the primary laws of most states being based on the nomination of candidates for governor.

New Districts Created.

The bill as passed provides for an increase in representation as follows: Alabama, 1; California, 2; Colorado, 1; Florida, 1; Georgia, 1; Idaho, 1; Illinois, 2; Louisiana, 1; Massachusetts, 2; Michigan, 1; Minnesota, 1; Montana, 1; New Jersey, 2; New York, 6; North Dakota, 1; Ohio, 1; Oklahoma, 3; Oregon, 1; Pennsylvania, 4; Rhode Island, 1; South Dakota, 1; Utah, 1; West Virginia, 1; Texas, 2; Washington, 2.

In the twenty-one other states now admitted there is no change in representation. The bill provides for one representative each from Arizona and New Mexico when admitted.

An amendment by Root (Rep., New York) to retain the present membership in the House was defeated, 23 to 47. An amendment by Gronna (Rep., North Dakota) to make it 405 was beaten, 22 to 47. The two amendments were intended to reduce the Southern Democratic representation, which would be increased by the reapportionment as adopted.

Action on the reapportionment bill, which will doubtless be promptly signed by the president, makes it certain that Oregon will have three congressmen hereafter. The Oregon legislatures last winter passed a law dividing the state into three districts in anticipation of the act of Congress.

At the primaries next April, therefore, each of the two principal parties will nominate three candidates for Congress, one from Eastern Oregon, one from Multnomah county, and one from the counties west of the Cascades with the exception of Multnomah.

Old Basis to Be Used.

It is presumed that the old apportionment basis will be used as the basis for election of delegates to the national conventions of the great parties, as the new apportionment does not take effect until the next Congress is ushered in. The next Congress, for which nominations will be made next spring, will not be elected until November, 1912. Under the old apportionment Oregon will have eight delegates to each national convention, being twice the number of senators and representatives.

Multnomah county will comprise the third congressional district under the new apportionment. The complete apportionment of the state is as follows:

First—Benton, Clackamas, Clatsop, Columbia, Coos, Curry, Douglas, Jackson, Josephine, Lane, Lincoln, Linn, Marion, Polk, Tillamook, Washington and Yamhill.

Second—Baker, Crook, Gilliam, Grant, Hood River, Harney, Klamath, Lake, Malheur, Morrow, Sherman, Umatilla, Union, Wallowa, Wheeler and Wasco.

Third—Multnomah.

Justice Marries Couple.

Claudia J. Tyler, of Clackamas county, and A. R. LeFebvre, of Polk county, were married by Justice of the Peace Samson Tuesday. The witnesses were L. E. LeFebvre and Mrs. Grace LeFebvre.

FARMERS ARE AIDING STATE FAIR EXHIBIT

The farmers of Clackamas county and residents of this city are taking an active interest in the coming state fair, and the indications are that the exhibition this fall will be the best ever held. There will be many visitors to the fair who wish to locate in Oregon, whose object will be to see what county exhibits the best and most products.

Many farmers have visited the office of Freytag & Miller and deposited with them samples of grain and fruit, which will be sent to the fair. Jacob Grossmiller brought to Oregon City on Monday a fine sample of Klondike wheat, which is about five feet in height; A. Achilles, of Willamette, brought two samples of alfalfa, of the second and third cutting; George Brown, of "The Maples," brought a sample of Black Beauty oats and J. L. Waldron, of this city, brought a sample of Black Republican cherries, that are among the finest that have been placed in this city. They are to be placed in a preservative and taken to the fair. O. D. Eby, of this city, brought two samples of peach plums. There are 49 plums of this delicious fruit on one limb, which is 18 inches in length. These also have been placed in a preservative. At the close of the State Fair these exhibits will be taken to Canby, where they will be placed on exhibition at the County Fair, which will be held on September 27, 28, 29, 30.

MAPLE LANE GRANGE TO HAVE FAIR EXHIBIT

The Maple Lane Grange meeting on Saturday was well attended. The morning session was devoted to business and the proposed exhibit at the Clackamas County Fair to be held at Canby, on September 27, 28, 29, 30, was discussed. Every member will take an active interest in the exhibit and already many have arranged to contribute to the grange display which is expected to win a prize.

Maple Lane Grange won the second premium at the first fair held in Clackamas county, and the members will make an effort to obtain first prize this fall. There are 55 active members of the Grange and the membership a good showing can be made.

At the morning session one candidate was given the third and fourth degrees, and two applications were received. One of the features was the dinner served by the ladies.

The afternoon program was as follows: Song, "The Plow, Spade and Hoe," grange; roll call, which was responded to for or against the following: "Is the funny magazine of the daily papers good for the children?" while many of the members voted that the "funnies" were injurious to the children, it was decided that no harm was done by letting the children read them. Many of the people in the country, as well as in the city, take the Saturday and Sunday papers so as to obtain these pictures for their children. The remainder of the program was: Recitation, Master Heater; reading, "Two Brothers," Mrs. John Tweelien; song, "I Love to Live," Mrs. S. Gillett; reading, "My Wish," Mrs. A. Splinter; recitation, "Fritz and L. Miss Myra Swallow; question box was presided over by A. J. Lewis and J. Hobbie; recitation, "Away Out West, or in Oregon," Miss Emma Derrick; reading, "Superstitions in 35 Years," Mrs. Florence Heater. One of the features of the program was the describing of the program by William Beard, who recently returned to Oregon City, from an Eastern trip. The closing song was "Father We'll Rest in Thy Love."

MILWAUKIE TO HAVE FINE FAIR EXHIBIT

The Milwaukie Grange has made arrangements to have a fine display at the Clackamas County fair to be held at Canby on September 27 to September 30 inclusive. This will be only one of the fine neighborhood displays that will go to make the fair the finest exhibition of its kind ever held in the county. H. G. Starkweather, who is making arrangements for the Milwaukie exhibit says it will be one of the best ever got together in that section of the county. The display will be shown first at the local fair and then moved to Canby.

Secretary Lazelle has the premium list for the Clackamas County Fair ready for distribution. The book is one of the handsomest ever issued in this county and every farmer, whether he intends to be an exhibitor or not, should have one. Mr. Lazelle will give copies to all who call for them at the Promotion Building of the Commercial Club.

MISS KARR IS MARRIED.

Former Oregon City Teacher is Bride of Seattle Man.

The marriage of Miss Edith C. Karr and Gregory E. Karr was solemnized at the Baptist parsonage on Friday evening at 5 o'clock, the Rev. S. P. Davis officiating. Immediately after the ceremony Mr. and Mrs. Karr left for their future home at Seattle, Wash.

The bride is well known in this city. She was formerly teacher in this city, and taught at the school in Portland. She has lived for some time in Milwaukie.

Two Couples Granted Licenses.

The following were granted marriage licenses on Monday: Ida Marston and W. M. Bishop, of Portland; Maud Ryan and H. Saunders, of this city.

STIPP ANSWERS MOORE SHARPLY

ASSISTANT DISTRICT ATTORNEY SAYS HE IS TIRED OF OFFICE.

WANTS PLACE GIVEN TO ANOTHER

Cement Man Thought to Have Understood That Investigation of Fight Should Be Made By Grand Jury.

Deputy District Attorney Stipp, on Thursday, answered the letter of Aman Moore, president of the Portland Cement Company, in which Mr. Stipp was accused of not keeping his promise in regard to the prosecution of John and Henry Bichner who engaged in an altercation with Mr. Moore over a strip of land at Oswego. Mr. Stipp did not give out a copy of the letter for publication, but it is understood that it was to the point. It does not appear that Mr. Stipp tried to evade the duty he was asked to perform, but on the contrary suggested to Mr. Moore that the case should be proved by the grand jury.

It is inferred that Mr. Moore understood this should be the plan of procedure when he agreed to defer the prosecution in the justice's court. "If anyone does not like the way I am doing my work," said Mr. Stipp, to a Morning Enterprise reporter, he can go where he pleases. "I resigned as Deputy District Attorney some time ago, and my resignation is still pending. I don't care for the office, and if anyone can do any better, I am willing for him to take the place. I am thoroughly independent about it. I am looking after the duties of the office as well as I care to under the circumstances, and if my work is not pleasing to people they can find somebody else."

HUNTERS WARNED TO BE CAREFUL WITH FIRE

This is the open season for hunting deer as well as a number of other animals and game birds, and State Forester F. A. Elliott is expecting reports of forest fires started through the carelessness of hunters. Every year a great many fires are caused by sportsmen leaving their camp fires unextinguished, and thoughtlessly dropping lighted matches, cigars and cigarettes as they travel through the forest in pursuit of game.

It will probably be news to many residents of Oregon to learn that the Forest Fire law, which went into effect February 24, empowers the governor to declare a closed season for the shooting of wild birds and animals of any kind. The law covering this point is as follows:

"Whenever, or wherever, during an open season for the hunting of any kind of game in this state, it shall appear to the governor upon the petition of the State Forester that by reason of extreme drought the use of firearms or fire by hunters is liable to cause forest fires, he may, by proclamation, suspend the open season and make it a closed season for the shooting of wild birds and animals of any kind for such time as he may designate, and during the time so designated all provisions of law relating to closed seasons for game shall be in force."

"It is, of course, not my intention to urge the enforcement of this provision unless it becomes absolutely necessary in order to prevent destruction of forest property," said Forester Elliott in commenting upon the above extract. "Whether any action is taken depends entirely upon the behavior of the hunters themselves. However, just as soon as this office receives reports that fires are being started through the carelessness of hunters, I shall immediately present a petition to the governor and recommend that a closed season be proclaimed. The governor is heartily in favor of this plan and has assured me that he stands ready to issue such proclamation should conditions warrant it. This matter, as I see it, is entirely in the hands of the hunters, for as long as they exercise due precaution while in the forests, I will, of course, have no reason for taking any action. It would be an excellent plan for every hunter to familiarize himself with the Oregon Forest Fire law, copies of which will be sent upon application to this office."

BIG FLOW OF GAS OBTAINED AT STONE

A large flow of gas was obtained Friday night at the Home Oil & Gas Company's well at Stone. There is a continuous flow of gas from the bottom of the well, which is 1,400 feet deep. The gas comes through the water, and bubbling has been started. The men employed at the oil well and the stockholders are greatly encouraged, and the work will be pushed at a rapid rate.

This is the third time that gas has been encountered in this well, but the last "strike" was much stronger than the former two. At the time previous to this when gas was discovered the casing of the well gave way, and some time was lost in making repairs. As the repairs are made it is believed that oil in paying quantities will soon be discovered.

NEW MT. PLEASANT TEACHER ELECTED

At a meeting of the Mount Pleasant school board held on Thursday a teacher was elected to the position of the new room that will be added to the schoolhouse before the opening of the school term in the fall. Miss Howett, of Portland, will have charge of the room. The other teachers, who were recently elected by the board, are Miss Grace and Miss Genevieve Capen.

Bids for enlarging the building for new floors, the installing of folding doors in the auditorium, and a general overhauling of the interior of the building, were received Saturday.

WORK ON COURT HOUSE TO START AT ONCE

The County Court at a meeting Wednesday appointed Clarence Simmons superintendent of the work of reconstructing the historic Clackamas County Court House. The work will be started at once. An addition thirty feet wide will be built in the rear of the old building, and virtually all the offices will be rearranged. The Circuit Court room will be on the second floor in the rear and the County Court room will occupy part of the space of the present Circuit Court room. The cost of the work will be about \$13,000. W. A. White is the architect employed by the court to draw the plans.

OREGON CITY MEN WIN ROAD FIGHT

THOROUGHFARES TO CAPITAL WILL BE BUILT ON BOTH SIDES OF RIVER.

GOVERNOR ADDRESSES DELEGATIONS

Representation From This City Strongest of Any Attending Meeting—Local Pride to Insure Fine Driveways.

(By Staff Correspondent.) SALEM, Aug. 3.—The East Side of the Willamette River will not be selected for the exclusion of the West Side for the route of the Capital Highway. This same conclusion was reached by the commission after hearing the flood gate of oratory opened to-night at a meeting in the chamber of the House of Representatives, attended by delegates from Clackamas, Multnomah, Washington, Yamhill, Polk and Marion counties.

Grant B. Dimick, a member of the Capital Highway Commission, County Judge Beattie, J. E. Hedges and Gordon E. Hedges, were the delegates from Clackamas county and the East Side route and Mr. Hedges warned the West Side people that the Commercial Club of Oregon City and allied organizations proposed to have the highway located on the East Side of the river. Considerable local commendation was noticeable in the talks. It is unquestionably true that the Capital Highway Commissioners will not select a route for some time, but will play the West Side against the East Side with the object of raising money through local pride to defray the expenses of constructing good roads from Portland to Salem on both sides of the Willamette.

Governor West talked at tonight's meeting at which State Treasurer Kay presided. The Oregon City delegation was stronger than that from any other town on the route, Salem itself not excepted.

The delegation was composed of the following: G. E. Hayes, W. E. Carll, A. L. Beattie, W. S. U'Ren, George Randall, Charles Risher, M. J. Brown, G. B. Dimick, E. S. Larsen, J. E. Hedges, M. D. Latourette, A. Adams, E. E. Brodie, W. A. Hubbard, J. W. Matt, Charles F. Noble, A. A. Price, W. A. Sheehan, Roy O. Young, M. J. Lazelle, Frank Busch, Sr., William Sheehan, F. J. S. Toole, O. D. Eby, J. Levitt, Robert Beattie, N. Blair and C. A. Elliott.

Announcement was made that the members of the committee would be named the latter part of the week, and President Hedges, of the Commercial Club, is expected to call a meeting upon receipt of the names. There was a unanimity of sentiment that the road would be of great benefit to Clackamas county, and the various delegations gave ample assurance that the money necessary for the enterprise will be forthcoming.

In the absence of President Hedges, F. J. Toole was appointed chairman of the meeting. M. D. Latourette was named secretary. Delegations from Sellwood, Milwaukie, Oak Grove, Jennings Lodge, Gladstone, Oregon City, Mount Pleasant, New Era, Canby, Barlow, Hubbard, and Aurora were present. George F. Rogers, C. T. Fry and Grant B. Dimick, of the Capital Highway Commission, outlined the proposed work. Mr. Rodgers, who is chairman of the commission, said that the routes would be surveyed as soon as possible, and each district was expected to build its part of the boulevard. He said that the governor would furnish convict labor, and that \$2,000 a mile was the estimated cost of the highway. All money he added, contributed by the counties and individuals for the work, must be placed in the hands of the commission. The money, however, is to be spent in the various districts that contribute it.

Judge Dimick said that no partiality would be shown in deciding the routes for the proposed loops. The district that offered the most money, with other things on their side, would be favored.

DISTRICTS FOR SCHOOL SUPERVISORS NAMED

The County Educational Board and Superintendent of County Schools Gary virtually have decided upon the districts to which the supervisors will be assigned. The designations are as follows: C. F. Anderson, to all territory east of Damascus and north of Clarks, and territory south of range 3, between Clackamas and Molalla; J. E. Calavan, districts 10 and 25, and all territory south and west of Molalla and all territory west of the Willamette river; Mrs. Emille C. Shaw, territory north of range 4 between Clackamas, Molalla and Willamette rivers between Damascus and Molalla.

Superintendent Gary will visit the schools at Boring, Sandy, Estacada, Springwater, Upper Logan, Molalla, Needy, Mackaburg, Canby, Wilsonville, Willamette, West Side, Oswego, Milwaukie, Oak Grove, Gladstone, Parkplace and Clackamas. The supervisors have started to work but their salaries do not start until September 1.

Aman Moore, President of the Portland Cement Company, said that the results in Colorado had been found most excellent road workers and that the usual force employed on the work could construct a mile of road a day.

J. F. Kercheval and A. N. Willis, of the Sellwood Board of Trade, promised the aid of the business men of that city in building the thoroughfare. W. H. Golding, of the same place, said that the city would provide a hard surface pavement along the line of the road through the city. Charles Risher, of Oak Grove; C. B. Moores, of Portland, and M. G. Lee, of Canby, promised financial aid. Mr. Lee said that the Canby Commercial Club would furnish \$1,000 or \$2,000 or more if necessary. O. E. Freytag, of Gladstone, promised the co-operation of the residents of that city. G. Nowell, of Jennings Lodge, said that municipality would do its part in the building of the boulevard. H. E. Cross said that Gladstone would contribute handsomely if the road is built under the supervision of a competent engineer.

Busch Offers Suggestions.

Frank Busch, Sr., a merchant of Oregon City, gave some valuable information regarding the building of roads in Germany. J. M. Warnock, of the Mount Pleasant Commercial Club, said that organization would do its part toward providing money for the enterprise. E. Brown, of New Era, urged that River Road south of Oregon City be made a part of the boulevard, and Mr. Bore, of Hubbard, said that the people of that section would contribute as liberally as any in proportion to the population.

E. S. Larsen, the Oregon City merchant, said that the meeting at Salem

VOTE COUPON.

GOOD FOR ONE VOTE.

This coupon, when neatly clipped and properly filled in with the name of the candidate you wish to vote for, will be counted as one vote.

Name of candidate.....

Address.....

This coupon is void after August 19. Cut on lines. Don't roll. Send in flat.

NOMINATION BLANK.

GOOD FOR TWENTY-FIVE HUNDRED VOTES.

I wish to Nominate Miss.....

Address.....

Nominated by.....
