The accident came as the fatal termination of a day that undoubtedly was the biggest the State Fair has ever known in point of attendance and attractions.

The honored guest of the day was President Taft. It was but a short time after he had left the grounds that the tragedy occured. Just be-fore he departed, President Taft took a short ride in an automobile on the track, which was wet to keep the dust from the President and his party. This caused competitors in the 50-

mile race to protest. When the race was called Ralph DePalma and Bob Burman, who had been driving in previous races, refused to go on becaues of the condition of the track saying the water made it too dangerous. There was some delay, in which the
