MAY CURTAIL HOLIDAYS DESPITE TEACHERS

It was declared Thursday that the defeat by the Clackamas county teachers at the institute held in this city, of a resolution designed to keep the schools open on Columbus day, Washington's Birthday and Decoration Day would not put an end to the movement. The resolution was endorsed by State Superintendent Alderman, County Superintendent Gary, City Superintendent Toole and other noted educators. The resolution provided that appropriate patriotic exercises be held on these holidays at the schools. The teachers, of course, have no power to alter the school laws, and the resolution was intended in effect as a recommendation to the legislature.

County Superintendent Gary, leader of the movement, declared that patriotic observances are educational, but under the present system, this feature is overlooked. The teachers, however, felt that they were entitled to the holidays and voted accordingly.

There is more Calzarr in this section of the country than of other districts put together, and until the last few years was supposed to be harmless. For a good many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it hereditary. Science has proven Calzarr to be a constitutional disease, and that it is taken internally in doses from 10 to 20 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. It cures all the blood and mucous diseases. It is sold in bottles of 50 and 100 drops, and is sold by all druggists and chemists. Address: F. J. CHERRY, CO., Toledo, Ohio. Take Hall's Family Pills for constipation.

OREGON CITY SCORES AGAINST COLUMBIA

The Oregon City High School football team made a good showing Saturday afternoon against the fast Columbia University team, on the latter's grounds. The score was 28 to 6 in favor of the Portland boys. The best that Oregon City had hoped for was to score against the university team.

Professor Pfingston, coach, accompanied the local team, and gave valuable suggestions throughout the game.

The following was the lineup of the local team: Center, Gault; right guard, J. Beatie; left guard, Quinn; right tackle, C. Beatie and Dambach; left tackle, Rottie; right end, Sheehan; left end, Fredericks; quarter, Wilson; right half, Cross; left half, Caulfield and Waldron and full back, Michels.
