

Aids Nature

The great success of Dr. Pierce's Golden Medical Discovery in curing weak stomachs, wasted bodies, weak lungs, and obstinate and lingering coughs, is based on the recognition of the fundamental truth that "Golden Medical Discovery" supplies Nature with body-building, tissue-repairing materials, in condensed and concentrated form.

If your dealer offers something "just as good," it is probably better FOR HIM—it pays better. But you are thinking of the cure not the profit, so there's nothing "just as good" for you. Say so.

VESSEL STRUCK BY OFF-SHORE GALE Heroic Efforts of Men on Craft Save Them From Slow Death—Water Casks Swept Away by Storm.

ASTORIA, Or., Oct. 14.—After having gone five days without water, during which time their waterlogged and dismasted vessel drifted before a heavy gale, Captain A. W. Svenson, First Officer William Brown and eleven members of the crew of the schooner William Nottingham reached port late today as passengers on the British schooner David Evans, Saptain Saunders, bound in ballast from Kobe, Japan, to Portland.

The schooner William Nottingham is a complete loss, and is adrift in the latitudes north and west of the mouth of the Columbia River, and a derelict menacing all shipping.

She sailed from Astoria October 2, bound for Callao, Peru, with over 1,000,000 feet of lumber aboard, loaded at Portland and river points.

Only incomplete details of the wreck and suffering of the survivors is to be had, the schooner David Evans lying in quarantine, to which she was towed by the Port of Portland tug Wallula, Captain Parsons, and with all communication, except wireless, being prohibited by quarantine regulations.
