COUNCIL APPOINTS ELECTION OFFICERS

RECORDED TO REPRESENT CON-TRACTOR IN SUIT FILED BY H. E. CROSS.

MONROE STREET WORK INVOLVED

Lawyer Seeks To Enjoin Firm From Removing Earth To Be Used On Grade—\$195 In Fines Collected.

The City Council at a meeting Wednesday night named the following officers to serve at the December election: First ward—William Meyers, John Bradley and W. H. Trembath, judges; Alex Schram and Eben Chapman, clerks. Second ward—S. S. Walker, S. E. Scripture and W. A. White, judges; Charles Kelly and Roy Cox, clerks. Third ward—Samuel Francis, C. Goldberg and William Estes, judges; F. M. Durling and H. Brandt, clerks. The voting places will be in the quarters of Cataract Hose Company, Fountain Hose Company and No. 3 Hose Company.

Reports of Recorder Stipp and Chief of Police Shaw showed that 167 tramps had been arrested in October and fifteen prisoners prosecuted. The fines received during the month totaled \$195. One man served a jail sentence of twenty-five days for having given another a drink of whisky on Sunday.

Recorder Stipp was authorized to represent the Oregon Engineering & Construction Company in the suit filed by H. E. Cross asking that the company which has been awarded the contract for improving Monroe street from Third to Fourteenth streets, be enjoined from removing earth in front of his property to use in making grades on other parts of the street. Mr. Cross alleges that it is planned to move 4,000 cubic feet of earth which would damage his property to the extent of \$2,000. Inasmuch as the city has let the contract it was the opinion of the council that the city should provide counsel for the contracting firm.

A remonstrance of W. W. May against a sidewalk that has been erected in front of his property in the Mountain View section was laid upon the table. W. A. Dimick, representing Misses Louise and Nan Cochran, protested against his clients being compelled to pay any part of the cost of improving Twelfth street. He declared that there was a deep gulch between their property and the street, and that the improvement would be of no benefit to them. Mr. Dimick asserted that the Misses Cochran wanted to have a walk to and a half blocks from their home to get to the street. The protest was referred to the committee on streets.

C. G. MILLER SEES MINK KILL RABBIT

A battle between a mink and a rabbit was witnessed by C. G. Miller, of this city, Monday afternoon on the West Side. It was an unusual sight, which no doubt will not soon be forgotten by Mr. Miller. Mr. Miller was on his way to Portland in his automobile, and when about one-half mile from Bolton, and about one mile from this city, he saw two small animals ahead of him in the road, one seeming to be running after the other. He put on full speed and almost overtook them. He alighted from the automobile, and found that a mink, about two feet long and a rabbit were fighting. Mr. Miller picked up several rocks and started for the mink. The animal had the rabbit by the throat, and had severed its windpipe. Mr. Miller succeeded in getting the rabbit away from his enemy, but no sooner had he done this when the mink started for him. He threw the rabbit away and ran. The mink's eyes were bulging from its head and Mr. Miller says it was the fiercest looking little animal he had ever seen. The mink again attacked the rabbit. Mr. Miller called a man who was passing and the two descended upon the mink which disappeared in the brush, leaving the rabbit dying.

ASHLAND MAN NOT RANCHER'S SLAYER

SUSPECT GIVES ACCOUNT OF HIMSELF WHEN SHERIFF MASS QUESTIONS HIM.

HIS ALIBI IS THOUGHT CONCLUSIVE

Withheld His Name At First, He Said, Because Of Having Served Term in Penitentiary—Employer Located.

Sheriff Mass, upon his return from Ashland Saturday night said that he was confident the suspect under arrest there was not Charles Swain, the missing farmhand wanted in connection with the killing of John Thomas, the wealthy rancher, at Sycamore Station, September 30. The man, who said his name was F. E. Babbitt, gave what the sheriff considers a complete alibi.

J. B. Carlile, chief of police of Ashland, wired Sheriff Mass Friday morning that he had arrested a man who answered the description of Swain. The sheriff caught the first train for the California city, arriving there a little before midnight. The suspect when arrested refused to give his name, but did so when he was told that he answered the description of Swain. He told Sheriff Mass that he had tried to conceal his name because he had served a term in the Oregon penitentiary and had been released August 27. This being before the killing of Mr. Thomas, the sheriff asked him where he went after being released. He said that he had worked for McGavin, 404 S. Main, Ashland, Or., and was employed by that firm September 30 when the crime was committed.

Sheriff Mass communicated with the firm and found the man's statement was true. The warden of the penitentiary also corroborated the statement of the prisoner that he had served a term there. Babbitt was intoxicated when arrested.

PROGRESSIVES START ACTIVE CAMPAIGN

WASHINGTON, D. C., Nov. 1.—Older party organizations have been amazed at the activity shown in the Progressive Republican headquarters in this city. It is estimated that fifty clerks are sending out tons of literature at a cost of \$3,000 a week. This, it is said, is soon to be doubled. The suggestion is offered that some "interests" hostile to the renomination of President Taft are behind this great activity.

Investigators Getting Ready.

As the opening of Congress approaches, the various investigating committees are getting ready to resume their sittings. Some of the biggest men in the business world, like J. P. Morgan, Andrew Carnegie, and James J. Hill, have said that they would attend the hearings and give testimony.

Democrats Get Busy.

Announcement is made that the Democratic National Committee will meet in this city January 8th, to fix the time and place for the national convention which will nominate the Presidential candidate for the party. It will be a sort of jubilee, and keynote speeches will be delivered, which one may be able to forecast the arguments to be used in the campaign. Probably all of the prominent candidates for the first place on the ticket will be in attendance.

Underwood In It.

The launching of a boom for Oscar Underwood for the Presidency calls attention to the fact that the Democrats have plenty of material for the office, for a change, while the Republicans seem practically restricted to two. But it may be different when the conventions meet.

SCIENTIST AVIATOR FALLS TO DEATH
SEVEN GIRLS DIE IN POWDER BLAZE

PROFESSOR MONTGOMERY, OF SANTA CLARA COLLEGE, VICTIM OF GLIDER.
DEVOYED WIFE WITNESS OF TRAGEDY

Hot Paraffine Cause of Big Fire Which Soon Envelopes Building—Bodies of Victims are Not Recognizable.

SAN JOSE, Cal., Oct. 31.—Professor John J. Montgomery, of Santa Clara College, died this afternoon from the effects of a terrible fall from an airplane glider he was experimenting with in the foothills about two miles east of Evergreen.

Professor Montgomery remained conscious up to the last and spoke coherently to Dr. Beattie several minutes before he passed away.

When the injured man was taken to his residence at Santa Clara, he was seen to be slowly sinking. Every thing that medical science could devise was tried by the attending physician, but all that could be done was to lessen the agonies of approaching death.

Mrs. Montgomery was with her distinguished husband, and was watching him in his experimental flights when the tragedy occurred. According to Mrs. Montgomery, who is the most distracted by the terrible termination of the experiments, the machine was about twenty feet from the ground when it got beyond her husband's control and fell. He died in his wife's arms.

Professor Montgomery had been an authority on aerial navigation. Recently he sold for \$1,700,000 his rights to certain aeroplane improvements, the payment of this sum being contingent on the winning of a suit against the Wright brothers for alleged infringement. His electrical rectifier was the subject of extensive litigation for two or three years, which resulted in the complete vindication of his right to the exclusive title.

M'NAMARA JUDGE ACCUSES DEFENSE
M'NAMARA TRIAL NEARS DEADLOCK

BORDWELL SAYS LAWYERS ARE TRYING TO CIRCUMVENT HIS DECISIONS.

ALL CHALLENGES ARE REJECTED

Court Holds Attorneys Cannot Object to Jurymen Because They Are Opposed to Capital Punishment.

LOS ANGELES, Oct. 30.—Judge Walter Bordwell accused the defense in the McNamara case today of trying to circumvent his rulings, and rejected two challenges against talesmen which formed the basis of his opposition. He also refused to the defense the privilege of challenging against a juror who said he would not convict of murder on circumstantial evidence alone, holding that this challenge was available only to the state.

Under these rulings, the jury box contained at the close of court tonight three men passed for cause by both sides, in addition to the four so qualified when the day's session opened.

To both of the court's main rulings today, Attorney Clarence S. Darrow took exception in behalf of his client, James B. McNamara, who is on trial for the murder of Charles J. Hagerly, a victim of the Los Angeles Times explosion a year ago.

For the first time since the trial was begun, the defense brought into court today one of its investigators to confront a talesman. R. H. Fitzgerald, a fledgling attorney, took the stand after George W. Johnson, a retired superintendent of an iron and brass foundry, had said he had not told anyone it was his belief that the Times was blown up by union men, and had not talked to anyone about the case.

Fitzgerald testified that he visited Johnson to obtain some statistical information and later talked to him about the Times explosion. He could not remember what was said, he testified, without referring to his report. Attorney Darrow announced that Fitzgerald probably would testify further tomorrow.

Johnson is the man challenged against whom implied bias on the ground that he is opposed to conviction in cases involving the death penalty, was refused by the court, specifically on the ground that the defense had no right to prefer it.

Challenges against A. C. Winter and Walter N. Frampton, on the same ground, also were denied, but these met the disapproval of the court as being intended to circumvent a previous ruling that the men were not disqualified because of their expressed opinions that James B. McNamara was guilty of murder.

Both men had contradicted themselves somewhat under examination by opposing counsel, the court pointed out. The court held also that they derived their opinions from common notoriety public journals and magazines all of which are excepted by law from disqualifying a talesman.

To this Attorney Darrow excepted, declaring that Winter's opinion concerning strikes and strikers was based on personal knowledge. Winter having testified that he, as an employer, had replaced a striker one time and was pelted with bad eggs and other missiles.

MASQUERADE PARTY GIVEN MISS RABER

An enjoyable Halloween masquerade party was tendered Miss Loretta J. Raber Tuesday evening on Molalla avenue. The rooms of the vacant house where the party was given were beautifully decorated in autumn leaves, ivy, and many pumpkins were used among the decorations of the room forming a very pretty effect. In one corner of the room was the "gypsy" fortune-tellers tent, Miss Edna Terrill being the "gypsy." All the guests visited the tent, where their fortunes were told and were given a sip of "Love Potion," from a large copper kettle. Many Halloween games were played which were followed by a grand raffle. The fortune caek was one of the interesting features of the evening. The cake contained a thimble, destined for an old maid, won by Miss Ellen McMillon; coin, ring, dress, won by Paul Burrows; ring, first to be wedded, won by Miss Loretta Raber. Refreshments were served, music being rendered while they were partaken of.

Mr. and Mrs. J. W. Gray, of West Oregon City, were taken by surprise Tuesday evening by a few of their neighbors, just before the departure of the Grays for Portland, where they will make their home for the present. They recently sold their twenty-acre fruit farm to William Coates, of California, and he will take possession Friday. About 8 o'clock Tuesday evening Mr. and Mrs. Gray heard a rap on their door, which they opened to admit Mr. and Mrs. W. F. Schultz and children, Mrs. A. C. Schultz, Mr. and Mrs. W. M. Robinson and grand-daughter, Mr. and Mrs. George Hall and children, Mrs. H. P. Bestow and C. L. Gray. The surprise was complete and the callers were laden with delicious edibles. After refreshments served, the evening was devoted to Halloween games. Mr. and Mrs. Gray have lived on the West Side about four years, ever since their return from Alaska, with the exception of a few months spent at Green Point. Their farm that they have just sold is one of the finest small fruit ranches in the valley.

Mr. and Mrs. C. A. Baxter, of Gladstone, entertained Tuesday evening, a merry party of young people, friends of Mr. and Mrs. Baxter's little daughter, Elida, the occasion being a Halloween surprise party. The house was appropriately decorated, jack o'lanterns being used in abundance. The evening was devoted to all kinds of Halloween stunts. Refreshments were served.
