SISTER FALLS DOWN DUMB WAITER SHAFT Sister Rupert, of the Provincial Home at Oswego, was seriously injured Tuesday evening by falling down a dumb waiter shaft at the home. The sister, who had been accustomed to using the dumb waiter which is propelled by electricity, as an elevator, had gone to the third floor to take some food to another sister. She did not turn on the electric light when she made the landing, and when she returned to the shaft the waiter had dropped two flights. She fell down the shaft on top of the waiter. Her groans attracted attendants and she was taken from the shaft. Dr. H. S. Mount attended her. She sustained a compound fracture of her left foot, and her head and chest were cut and bruised. She will be removed to St. Vincent's Hospital, Portland, today. Dr. Mount said late Tuesday night that his patient would recover. The dumb waiter had been used as an elevator for more than a year, and frequently two persons used it at the same time.

EX-WIFE SUES TO COLLECT ALIMONY MARION F. KRUSE ALLEGES MANAGER OF ESTATE DECLINES TO PAY. Portland Hotel Man Settled With Former Spouse Monthly Until His Departure For Germany. Marion F. Kruse, of Chicago, divorced wife of Theodore Kruse, who departed for Germany a few months ago, leaving numerous creditors, Friday filed suit in the Circuit Court of Clackamas county to compel Robert W. Schmeer, cashier of the United States National Bank of Portland, to pay her the alimony that was awarded to her by the Circuit Judge in Oregon City, January 25, 1910, when she obtained her decree of divorce. Mrs. Kruse did not appear in person, as she is in Chicago, and is represented by Attorney R. Citron, of Portland. Kruse, who operated the Belvedere Hotel and the Louvre Cafe at Portland, paid his ex-wife her alimony of \$125 per month regularly until his disappearance, and soon after he left his business affairs were placed by his creditors, through an agreement with his wife, in the hands of Mr. Schmeer. Mr. Citron has called on Mr. Schmeer to pay the alimony, but the bank cashier declined, and accordingly suit has been instituted here to compel the payment. Mr. Citron denies that Mrs. Kruse had any authority to turn over her husband's property management to Mr. Schmeer, and that her assignment of the business is void. On October 6 Mr. Citron obtained an execution against Kruse, and this execution was sent to the sheriff of Multnomah County, who served it on Schmeer, and Mr. Schmeer made written return of the garnishment, stating he had no money or property under his control belonging to Kruse. Mr. Citron says this return is not true, and that Mr. Schmeer contends that the ex-wife of Kruse must take her chances with the other creditors of the hotel man. The Chicago woman's attorney insists that she is a preferred creditor, and he proposes to compel Mr. Schmeer to answer a string of nine questions calculated to bring out the facts in the case. The first eight questions lead up to question No. 9, which says: "Is it not a fact that your refusal to pay the amount due plaintiff on her alimony judgment is based solely upon the objection made by an attorney for certain creditors of Theodore Kruse, who were a party to your obtaining the management of said Kruse business, and the handling of his money after his disappearance?" The proceedings instituted here are intended to test the validity of the claim of Mrs. Marion F. Kruse that she is a preferred creditor and that her alimony must be paid regularly, regardless of whatever indebtedness Kruse may have. Mr. Schmeer has been summoned by Judge Campbell to appear in Oregon City Monday, December 4, and show cause why Kruse's former wife should have judgment against the bank cashier for \$275 alimony for three months following Kruse's departure for foreign lands.

FALLS DEAD IN ARMS OF FOSTER MOTHER Clifford Armstrong, who has been employed in the Southern Pacific cars in Portland, for seven years, died suddenly at Hubbard. His foster mother, Mrs. J. S. Blair, was with him when he expired. The young man had been visiting at the home of Mr. and Mrs. Nicholas Blair at Elliott Prairie, having gone there for the benefit of his health. He decided to return to Portland, after Mrs. Blair, who lives at 1116 Milwaukie avenue, Portland, had gone to Elliott Prairie to see him. The trip to Hubbard was made overland, and the young man had not complained of feeling ill, but soon after the train had left the station at Hubbard, he called Mrs. Blair, dying in her arms. Mrs. Blair was assisted by several passengers and the body was carried to the I. O. O. F. hall. Medical aid was summoned, but it was found that life was extinct. The remains of the young man were taken to Woodburn, where they were prepared for burial, and afterward taken to Salem to the home of Mr. Armstrong's sister, Mrs. Lou Buckingham, where the funeral services were held, the interment being in the I. O. O. F. cemetery. Rev. P. S. Knight, of Salem, officiated. Many friends of the deceased attended, and the floral offerings were beautiful. Mr. Armstrong was born twenty-four years ago at Salem, his mother dying when he was six weeks old. He was a bright and ambitious young man, and had many friends among his fellow workmen at Sellwood, where he had been employed by the South-ern Pacific Company for the past seven years. He had visited in this city on many occasions at the home of Mrs. A. Nelson, sister of Mrs. J. S. Blair, and daughter of Mrs. R. C. Ramsby. The young man's father and a sister, Mrs. Lou Buckingham, live in Salem.

TREMBATH FINED \$75 ON ASSAULT CHARGE H. W. Trembath, Deputy Flah Warden, indicted on a charge of shooting Alex Douthit, a fisherman, pleaded guilty Thursday to simple assault in Judge Campbell's court and was fined \$75. George C. Brownell was employed by the State Commission to assist in the defense of the accused. Trembath changed his plea from not guilty of shooting and wounding to simple assault upon the recommendation of his attorney and the District Attorney. He was alleged to have shot Douthit at the Falls of the Willamette several months ago, while the fisherman was passing the warden's watch house in a row boat. The defendant said that he called to Douthit to halt, but he refused to do so and he shot to mark the boat. The bullet, however, penetrated Douthit's left arm. John Douthit, a brother of the wounded man, who attacked Trembath with his fists soon after the shooting was fined \$50 on a charge of assault.
