MADE FRIENDS BY HELPING POOR

Funeral To Be Conducted By Elks
And Masons Friday After-
noon—Body Lies in
State Today.

Dr. Walter E. Carll, one of the leading physicians of Oregon, whose home has been in this city for many years, died Wednesday morning, after an illness of several months of a complication of diseases. Dr. Carll's death was a surprise to many of his friends in this city; although his condition has been serious for several days. He was well known throughout the county, and was one of Oregon City's big-hearted citizens. Many of the poor of this city have been assisted by him. Dr. Carll was mayor of Oregon City three years. He was also a member of the Oregon City Board of School Directors, member of the State Board of Health, and ex-president of the State Medical Association. He was the first exalted ruler of Oregon City Lodge of Elks, and was a member of the Masonic Order, and of the Sons of Revolution. Dr. Carll was born in Chicopee, Mass., October 25, 1858. He was a son of Mr. and Mrs. Jason L. Carll. His grandfather, Seth Carll and one of his uncles, were editors of the Boston Bee.

Dr. Walter E. Carll, noted Oregon City physician, who died Wednesday.

Dr. Carll attended the public schools of his native city, and later attended Harvard college, where he took a special medical course, and at which institution he was graduated in 1885. He spent a year traveling, visiting Africa and other countries, and came to Oregon in 1886, locating in Portland, where he lived two years, and was a member of the medical faculty of the State University. He soon obtained a large practice. He became associated, some time ago, with Dr. C. H. Meissner. Dr. Carll was formerly a member of the State Board of Charities, and his philanthropic work while a resident of this city will long be remembered. In politics Dr. Carll was a Democrat as expounded by Andrew Jackson. His father was a Republican, but the doctor's first vote was cast for Democratic candidates when the party was greatly in the minority in Massachusetts. Dr. Carll's father married Miss Malinda H. Burnham, a native of Maine. Her grandmother was Priscilla Tarbox, who was a member of one of the oldest and most prominent Massachusetts families. The body will lie in state in the Masonic Lodge rooms from 2 to 5 o'clock today where it may be seen by friends. Funeral services will be conducted in the Masonic rooms at 2 o'clock Friday afternoon to which the public is invited. The Oregon City Lodge of Elks will have charge and the pallbearers will be as follows:

Honorary—E. J. Daulton, W. B. Pratt, Dr. Ernest Tucker, Dr. William Wood, C. H. Caufield and J. W. Moffatt.
Active—B. T. McBain, J. T. Jennings, Dr. M. C. Strickland, William Sheehan, James H. Cary and E. A. Chapman.

Services which immediate friends are invited to attend, will be held at the Sellwood Crematorium later in the afternoon. The members of the Commercial Club, Elks and Masons will attend the funeral in the Masonic rooms.
Dr. Carll was unmarried, and is survived by a sister who lives in the East. His parents died when he was a child and he lived until grown with an uncle and an aunt, who survive him.

**Our Souvenir Opening Day and
Twentieth Business Anniversary
Wednesday, December 6th**

THIS being a double event for us to be thankful for, we hope to make our Opening day this time one long to be remembered. We bought our Souvenirs ten months ago and now have three big cases of China in our warehouse imported expressly for this occasion. The souvenir will be a large handsomely decorated 9-inch China Salad Dish. This dish cannot be bought in the large art stores for less than 50 cents and many stores will get as much as 75 cents. We will give it absolutely free with any purchase amounting to 50 cents or more, but one only to a customer. We want you to come just the same whether you buy anything or not. If you come just to look around and hear the music you will be just as welcome as if you bought. We have provided music for the afternoon and all of you who have been attending our Souvenir Day Openings in the past, know we will do our best to give you a good time. We ask you to come and pass judgment on what we believe to be the best Holiday Stock ever shown in Oregon City.

OUR TWENTIETH BUSINESS ANNIVERSARY

Many "Old Timers" will remember the successful drug store conducted by Mr. E. G. Caufield twenty years ago. They will also remember the good substantial reputation the store had for honesty and fair dealing. Since 1891, when Mr. Caufield retired from the drug business and the present owners took his place in the drug store work of Oregon City, they always kept in mind the high standard of business integrity set by him. The business has grown wonderfully since then from a store conducted by two people to one employing fifteen, and the high mark set by the old store has been the greatest factor in our later day success. Not a day passes but we see in the store from five to twenty-five of these old customers of 20 years ago. We want to thank you here and now for your continued patronage and to express the hope that you will visit us on Wednesday, December 6th—Our Twentieth Business Birthday.

Conditions of Souvenir Gift One Salad Dish free with a 50 cent purchase. None reserved after opening day. One dish only to a customer. Souvenirs given free from 8 A. M. as long as they last. No dishes given to children.

**MRS. PATTERSON IS
FREED; WOMEN CHEER**

DENVER, Nov. 29.—Gertrude Gibson Patterson, accused of the murder of her husband, Charles A. Patterson, whom she shot to death while the couple were walking together in a suburb on September 25 last, was declared not guilty today by a jury in the District Court.
The jury was composed entirely of married men, their ages averaging 35 years.
As the clerk finished reading the verdict Mrs. Patterson sprang to her feet and caught the outstretched hand of her attorney. From outside the courtroom came a great roar of cheers; inside, the crowd was quiet and orderly.

**STOLEN HORSE AND
BUGGY RECOVERED**

A valuable horse, stolen from the barn of David French, a farmer, who lives near Liberal, Wednesday night, was recovered by Chief of Police Shaw in this city Thursday morning. The thieves hitched the horse to a buggy and evidently drove direct to this city. Mr. French reported his loss to Sheriff Mass and Chief Shaw. Upon arriving in this city the thieves unhitched the horse at Sixteenth and Madison streets, where the buggy and harness were found. The horse was found grazing in a yard nearby. Mr. French thinks the robbers were two men who were acting suspiciously near his home Wednesday evening.

**MAN INJURED BY CAR
GETS \$5,000 VERDICT**

A verdict of \$5,000 was awarded the plaintiff Thursday in Judge Campbell's court Thursday in the case of Joseph Connell against the Puget Sound Bridge & Dredging Company and the Portland Water Power & Electric Transmission Company. The plaintiff alleged that he was run down and permanently injured by a tramway car February 19, 1911, at River Hill. He charged the defendants with negligence in not having a brake on the car, which was operated on a trestle four feet above the ground. Connell said his back, legs and head were injured. He sued for \$15,000 damages.

The quicker a cold is gotten rid of the less the danger from pneumonia and other serious diseases. Mr. B. W. L. **MAJOR M'INDOE TO
REPORT ON LOCKS**

Major Melndoe, Corps of Engineers, U. S. A., is preparing a report to be forwarded this week to the War Department concerning the progress of negotiations for right of way on the east bank of the Willamette River at the falls. As prices asked for property on the two routes selected are regarded exorbitant, it is doubtful if the department will recommend further negotiations, but Major Melndoe will not say what recommendations he will make.
The new figure on the old locks, the Portland Railway, Light & Power Company, of \$450,000, will probably be mentioned in the report. The previous price for the old locks, which was made about a year ago, was \$600,000, plus half the cost of a dividing concrete wall to separate the property from the corporation's holdings, estimated at \$150,000, and half of \$25,000 as the estimated cost of moving the plant of the Willamette Pulp & Paper Company across the river, in all \$687,500. In 1899 the company offered the canal and locks for \$1,200,000. Even in the face of the reduction it remains for the War Department to decide whether \$450,000 is reasonable.

When you have a cold get a bottle of Chamberlain's Cough Remedy. It will soon fix you up all right and will ward off any tendency toward pneumonia. This remedy contains no opium or other narcotic and may be given as confidently to a baby as to an adult. Sold by all dealers.
