REV. ZIMMERMAN RESIGNS AS PASTOR OF METHODIST CHURCH

MINISTER TELLS CONGREGATION HE CANNOT LIVE ON SALARY OF \$1,000 ANNUALLY—PERSECUTION IS ALLEGED BY RETIRING CLERGYMAN—MEMBERS ARE DIVIDED

Declaring that he and his family of seven could not live on the salary of \$1,000 a year, Rev. E. F. Zimmerman at the service Sunday morning graphically told of his troubles, and resigned the pastorate of the Methodist church to take effect at the close of the year. Mr. Zimmerman said that he had accepted a position at \$1,500 with the Anti-Saloon League for which he formerly worked. His headquarters probably will be Portland.

Another pastor to tender his resignation was Rev. A. H. Mulkey, of the Gladstone Christian church to become effective May 1. Mr. Mulkey has weak eyes, and he desires to take a rest. He, however, expects to deliver sermons occasionally at various churches in this county and Portland after he gives up the Gladstone pulpit. Mr. Mulkey organized the church four years ago, services being held at first in a shed. The congregation grew rapidly and about a year ago an edifice that cost \$2,500 was erected. The resignation of Mr. Zimmerman follows the splitting of the congregation into two factions, one for and one against him. The one opposing him being in the majority, it is alleged, to some extent, started a boycott on the pastor. It is charged that several of the wealthiest members, not only refused to attend services, but declined to assist in the support of the church, and that the pastor feared the contributions, from which his salary was paid, would not in the future be sufficient to yield him \$1,000 annually.

Mr. Zimmerman was assigned to the pastorate following the General Conference at Hillsboro about eighteen months ago. He was generally liked at first, but it was not long until several members began opposing him, it is said. Unknown to Mr. Zimmerman ten members of the official board addressed a letter, asking that he be removed to the general conference held at Salem about a month ago. District Superintendent Moore wrote to Mr. Zimmerman informing him of the request that another man be sent to

Rev. Hayworth To Leave First Baptist Church

Rev. S. A. Hayworth pastor of the First Baptist church, notified his congregation, at a special called meeting Sunday morning, that it was his desire to be released from the duties of the present pastorate at a date not later than March 31, 1912. He urged the church to take action granting his request at the December Covenant meeting. The pastor's request came as a surprise to many members of the congregation to whom

"I have been led to ask a release from the pastorate because I believed that a new leader might more successfully rally the membership of the church as a whole to active Christian work. By the last of March I shall have closed two and one-half years of service with the church and I believe that my work can be finished in that time. So far as I know every member of the church is a personal friend of mine and my action is entirely voluntary. My love for the people of this church and of Oregon City is unquenched and it is because I love the members, some of whom have lost interest in Christian work under my ministry that I resign, in the hope that a new pastor can lead the indifferent backslider back to a renewal of his Christian living."

REV. S. A. HAYWORTH.

He has greatly endeared himself. Mr. Hayworth came to Oregon City in August 1909, from Dilta, Col., as the successor of Rev. John M. Linden. At the close of the first year Mr. Hayworth's work as pastor of the congregation was heartily indorsed and by a unanimous vote he was granted a substantial increase in salary. He is now on the third year and every branch of the church work is organized and in a prosperous condition. Mr. Hayworth has added 112 members to the church during his pastorate. Under his leadership the church contributed more than \$1,800 to missionary work and other philanthropies. Before he leaves, the church will engage in a special evangelistic campaign. Mr. Hayworth made the following statement Monday:
