## GUILT ADMITTED BY McNAMARAS

### BROTHERS CONFESS CHARGES OF BLOWING UP BUILDINGS IN LOS ANGELES.

## LIVES ARE SAVED BY STATEMENTS

### McManigal, Who Revealed Plot, Expected to Escape With Light Sentence Or Go Free.

LOS ANGELES, Cal., Dec. 1.—James B. McNamara pleaded guilty to murder in the first degree in Judge Bordwell's court today. His brother, John J. McNamara, secretary of the International Association of Bridge and Structural Iron Workers, entered a plea of guilty to dynamiting the Llewellyn Iron Works in Los Angeles, Christmas day, 1910.

James B. McNamara's confession clears up absolutely the tragedy of the explosion and fire which, at 1:07 o'clock on the morning of October 1, 1910, wrecked the plant of the Los Angeles Times at First and Broadway and caused the death of twenty-nine persons. For nineteen of these deaths the McNamara brothers were indicted, and J. B. McNamara was on trial specifically for the murder of Charles J. Haggerty, a machinist, whose body was found nearer than that of any other to the spot where the dynamite was supposed to have been placed.

Both men's sentences were set for December 5, when it is expected that District Attorney John D. Fredericks will ask for life imprisonment for James B. McNamara, the confessed murderer, and probably fourteen years for his brother. The men's lives are considered saved.

Tonight as the two brothers sat together in the county jail, refusing to see any one or make any statement, an interest second only to the occurrence itself hung about the question with reference to James B.

"Why did he confess?"

"To this opposing counsel gave the same answer. "He confessed because he was guilty, and that's all there is to it," declared District Attorney Fredericks. "He was counseled to confess because that was the best thing he could do, in the opinion of counsel," said Attorney Clarence S. Darrow, chief of counsel. "I will say now that there was no other reason or motive in it. I've studied this case for months. It presented a stone wall."

Darrow's statement was made after looking squarely in the face of charges that the recent arrest of Bart H. Franklin, an investigator, employed by the defense, and two others with him, might have precipitated a situation untenable save by confession of the prisoner.

Ottie E. McManigal, the confessed dynamiter, whose admissions are said to have been a big factor in the McNamara pleading guilty, will go virtually free, if the plans of the state in his behalf do not go wrong.

After court had adjourned this afternoon, Malcolm McLaren, the Burns detective who has been a daily visitor to McManigal's cell since the dynamiter was brought here last spring, and has always spoken in a friendly way of the prisoner, came upon District Attorney Fredericks in the prosecutor's office.

"There's just one thing I want to ask of you," said McLaren to Fredericks, "and that is that you do all you can for McManigal."

Fredericks held up his right hand as he answered: "I promise you I'll do all in my power for him. He may have to take a light sentence, but I'll do the best I can."

## M'NAMARAS WILL TELL PROBERS ALL

### CONSPIRATORS WHO ADMIT DYNAMITING TO BE SENTENCED TODAY.

## CONFESSION IS NOT MADE PUBLIC

### Government Expects to Obtain Evidence Pointing to Gigantic Plot—Accused Going Before Grand Jury.

LOS ANGELES, Dec. 4.—James B. and John J. McNamara will appear before the Federal grand jury here tomorrow morning to tell their stories. They will go before that body immediately after sentence by Judge Walter Bordwell. This declaration was made here late tonight on unimpeachable authority.

The announcement afforded an explanation of the meager confession written late today by James B. McNamara in the jail corridor, in the presence of his attorney, those of the state and his brother, John J. McNamara, in which "Jim" explained how he blew up the Los Angeles Times October 1, 1910, causing a loss of twenty-one lives.

District Attorney Fredericks admitted tonight that in addition to the written confession, both brothers had furnished information of signal

## JOHN D. QUILTS AS HEAD OF OIL TRUST

### NEW YORK, Dec. 4.—John D. Rockefeller resigned today as director and president of the Standard Oil Company of New Jersey.

John D. Archbold was elected to succeed Mr. Rockefeller. A majority of the officers and directors who for years have been associated with Rockefeller in the Standard Oil Company of New Jersey also handed in their resignations. These included:

William Rockefeller, as vice-president and director; C. M. Pratt, as vice-president; William G. Rockefeller, as assistant treasurer; H. C. Folger, Jr., as second assistant treasurer, and Directors H. M. Flagler, T. J. Drake and E. T. Bradford.

Archbold, the new president, also resigned as vice-president. The board of directors is increased from four to nine members.

## LITTLETON MAKES IMPASSIONED PLEA

### CONGRESSMAN CALLED AGENT OF TRUSTS BITTERLY AT TACKS ACCUSERS.

## IMPEACHMENT OF NEW YORKER ASKED

### Opening of Congress Marked by Dramatic Appeal For Square Deal—Many Rally To Littleton's Aid.

WASHINGTON, Dec. 4.—An investigation of the operation of the so-called Anti-Trust League was demanded by Republican Leader Mann in the House at the opening session of the sixty-second Congress today, after a remarkable speech by Representative Martin W. Littleton, of New York, who charged Henry S. Martin, secretary of the league, with attempting to defame him.

It was the climax of a dispute between Mr. Littleton and Chairman Stanley, of the Steel Corporation investigating committee.

Round after round of applause punctuated Mr. Littleton's defense of his integrity and Democrats and Republicans assured him of their confidence.

Meantime, Mr. Martin had handed to Speaker Clark a petition, asking that Mr. Littleton be impeached on the ground that he had "co-operated and conspired with heads of the trusts," to prevent a continuance of the Steel inquiry. This memorial, however, was not presented to the public.

Mr. Littleton assailed Martin and others as in conspiracy to use the Steel investigating committee to depress the value of stocks in Wall street.

## BLOW AIMED AT RUSSIA.

### NEW YORK, Dec. 6.—Abrogation of the treaty of friendly relations between the United States and Russia made in 1832, was urged in speeches delivered by a dozen men of National prominence and in resolutions adopted at a large mass meeting held in Carnegie Hall tonight.

The meeting was under the auspices of the National Citizens' Committee which plans a series of similar demonstrations throughout the country in the next month in protest against the abrogation by Russia in her refusal to honor the passports of Jewish-American citizens.

## BUILDING COLLAPSES; 3 DEAD.

### INDIANAPOLIS, Dec. 6.—(Special).—Three persons are known to be dead and a score injured—six seriously—as the result of the collapse of a new three-story concrete building erected by the Prest-Lite Company here today. Two others still remain unaccounted for. The known dead are: Fred Asher, Henry Barnes and M. Hadley.

There were forty-two persons working in the building at the time it caved in upon them and over half of them were buried beneath the mountain of brick, mortar and wood.

## BANK SUES ON NOTE.

### The Bank of Sellwood Monday filed suit against George L. Curry, Mary E. Curry and the American Adjustment Company for \$3,500 alleged to be due on a promissory note executed November 29, 1909.

## HYDE FIGHTS TO RULE OUT FORMER STORY

### KANSAS CITY, Dec. 4.—A crucial point in the state's case against Dr. B. Clark Hyde, on trial for the alleged murder of Colonel Thomas H. Swope—whether the physician's testimony in the former hearing may be introduced as evidence in this trial—probably will be decided by Judge Porterfield tomorrow.

An attempt was made by the state today to get before the jury testimony intended to contradict a statement made by Dr. Hyde in the previous hearing. Announcement was also made by Assistant Prosecutor Jost that the accused physician's entire testimony would be read to the jury.

## SOCIALISTS LOSE IN LOS ANGELES

### HARRIMAN BEATEN BY ALEXANDER BY ABOUT TWO-AND-ONE-HALF-TO-ONE.

## M'NAMARA CASE THOUGHT FACTOR

### Women Crowd Voting Places And Cast Ballots Against Man Who Won Easily In Primary.

LOS ANGELES, Dec. 5.—Alexander carried Harriman's precinct 1,537 to 922. Estimates of the vote give Alexander 100,000, Harriman 40,000. In 110 precincts complete Alexander's net gain over the primary vote was 25,990—10,739 more than Harriman's.

Socialism grappled in a final struggle with its foes under the "Good Government" banner at the ballot box today and was beaten. The red emblem, which waved victoriously over Job Harriman, the Socialist candidate, in the municipal primary a little more than a month ago, went down with him under an avalanche of votes cast for Mayor George Alexander. The only question remaining a few hours after the polls had closed was as to the size of the majority.

Prohibition, the other big issue in the campaign, received scant attention from the vote counters tonight and the fate of the drastic dry ordinance remains uncertain, though the probability is that it has been defeated.

Ninety precincts complete on prohibition give 1,459 for, 3,721 against.

Forced to yield first place in the nominating ballot, October 31, when the vote cast totaled 45,000, Mayor Alexander polled today apparently two and one-half to one majority in a vote which partial returns from 293 precincts out of 317 indicated would total 140,880.

When Harriman gained a plurality of 3,000 over the Mayor in the October primary, the registration was approximately 75,000. Today 187,000 persons, including 85,000 women, were entitled to vote.

Ninety per cent of the registration on the West Side, where the vote was light in the primary, was voted today, while on the East Side, Harriman's conceded stronghold, the balloting was light in comparison. The women of the West Side outvoted the men.

The reverse was the case seemingly in the precincts where Harriman would be stronger in the primary. But the balance of power, which the women were credited with having prior to the astonishing finale of the McNamara case last Friday, did not figure in the result.

"Persons who stayed out vote for Alexander simply stayed away from the polls," Chairman S. C. Graham, of the Good Government organization, declared tonight in predicting a majority of at least 30,000 for Alexander.

## SOCIALIST DEFEAT IS MOST CRUSHING

### LOS ANGELES, Dec. 6.—Complete returns from 315 out of 317 precincts in yesterday's municipal election give George Alexander, incumbent, candidate for the Good Government League for Mayor, 83,978, and Job Harriman, Socialist, 52,293.

The two missing precincts are in the suburb of Wilmington. They had a registration of a little over 1,500 and are expected to run about even between Alexander and Harriman.

The entire Good Government ticket was elected. No Socialist candidate for any office came within 65,000 votes of winning.

## "I'M ASTOUNDED," DECLARES GOMPERS

### NEW YORK, Dec. 1.—"I am astounded! I am astounded! My credulity has been imposed upon. It is a bolt out of a clear sky."

The exclamations were those of Samuel Gompers, president of the American Federation of Labor, when advised tonight of the plea of guilty in the McNamara cases.

## PROGRESS EDITION TO BE BIG AID TO COUNTY

### The Enterprise is working for a bigger and better Oregon City and a position among other Oregon counties which by virtue of her undeveloped wealth, she deserves. Will you assist in telling the world of the opportunities of the county? Don't be passive. The Enterprise wants the non-resident to know what the county has and in the Progress Edition will tell the whole story. It's a big undertaking, but Oregon City and Clackamas county deserve the expenditure of the time and money. Let us all pull together and help old Clackamas county!

## COMMERCIAL CLUB TO GIVE ENTERTAINMENT

### COMMISSION MAN TAKES ISSUE WITH STATEMENT OF MAYOR-ELECT.

## DIMICK URGES DOCK FOR STORAGE

### Main Trunk of Live Wires Suggests Plan For Having Portland Buyers Come Here To Trade.

The Commercial Club will give a big entertainment next Friday a week when the special rates of \$10 for resident members and \$5 for non-resident members will be discontinued. Every merchant, but one or two, who were not already members of the club, have taken advantage of the reduced rates, with the result that the club is now one of the strongest commercial organizations in the state. Congressman Hawley, who was a guest of the club recently, declared that it was the liveliest business organization that he had visited during his trip through his district. The road supervisors, who were guests of the club Wednesday, were enthusiastic in their praise of its work. The club headquarters have been remodeled, and everything has been done for the convenience and entertainment of the members.

## ROAD MOVEMENT GETS BIG IMPETUS

### SUPERVISORS AND OTHERS DISCUSS MEANS OF IMPROVING THOROUGHFARES.

## COURT SUGGESTS EIGHT MILL TAX

### Majority Favor Building Main Highways First and Laterals Gradually—Luncheon Given Visitors.

A big impetus was given the movement to improve the roads of Clackamas county at a mass-meeting of road supervisors, public-spirited citizens and members of the County Court in the Commercial Club assembly room Wednesday. It was the unanimous opinion that the roads be improved, but there was a difference of opinion as to how the work should be done.

Many of the speakers thought the main roads should be improved first, the work starting at the market centers in order to give the greatest benefit to the greatest number as soon as possible.

The supervisors adopted a resolution providing that they meet once a year with the County Court and others interested in highway work to exchange views and have a better understanding as to what should be done. County Judge Beattie, who presided, speaking for the County Court, said that a meeting would be called early next spring after the election of new supervisors. He also announced that an eight mill levy would be made, half of which would be used for road purposes and the other half for building bridges and liquidating the road debt.

## Judge Beattie Presides.

The meeting of the supervisors was called to order at 10 o'clock in the County Court room by Judge Beattie, William Mattoon and N. Blair members of the County court. Judge Beattie explained that the general road fund had been overtaken by repeated demands from various districts and that the court had necessarily decided to suggest that the various districts levy special taxes for use in the districts taxed. After a general discussion the members of the court and the supervisors, fifty of the fifty-five in the county being present, adjourned to the Commercial assembly room where luncheon was served by the club. J. E. Hedges, president of the club, was toastmaster, and addresses were made by Gilbert L. Hedges, T. J. Gary and H. J. McGugin. Mr. Gary said that he had learned that many persons who objected to special taxes, owned little if any real property, and thought it would be a good plan to examine the assessment rolls to see what sums they would have to pay. Mr. Gary said the objectors could be confronted with the figures, and the joke, at least, would be on them.

## Marks New Road Era.

Mr. Hedges declared that the meeting of the supervisors marked an era in the history of the building of roads in the county. He declared that the interchange of ideas would result in a better understanding and give road building an unprecedented impetus.

"An effort should be made to have the levies as near the same figure each year as possible," said Mr. McGugin. "It is discouraging to have a small assessment one year and a large one the next."

H. E. Cross, Mayor-elect of Gladstone, the first speaker after the luncheon, declared that a roadmaster should be appointed to have general supervision over the work on all the roads in the county. He said the official should have a thorough knowledge of the latest and best methods of building thoroughfares.

"More than \$2,000,000 has been spent on the roads in this county in the last eighteen years," said the speaker, "and we have only 200 miles of good roads. If we had that money now with the knowledge of road building we have gained good thoroughfares could be built in almost every part of the county. I think the main roads should be built first, and the others as the money is raised."

## Dimick Praises Plan.

Grant B. Dimick urged that the supervisors be chosen regardless of popularity and politics, and that the best man should be appointed. He declared that this had not always been done, and as a result, a great deal of

## OREGON CITY FINE MART, SAYS BEATTIE

### COMMISSION MAN TAKES ISSUE WITH STATEMENT OF MAYOR-ELECT.

## DIMICK URGES DOCK FOR STORAGE

### Main Trunk of Live Wires Suggests Plan For Having Portland Buyers Come Here To Trade.

"There has not been a load of hay, straw, oats nor a load of anything else brought into Oregon City during the last year by a farmer that he has not been able to sell," declared A. L. Beattie, of the Oregon Commission Company, at the weekly luncheon of the Live Wires Tuesday.

Dr. Beattie was somewhat "riled" when Mayor-elect Dimick urged the construction of a free public dock with storage room so that farmers might store their produce in such quantities that Portland buyers would be induced to come to Oregon City and set a price on it. While Dr. Beattie favors the building of a public dock, he is quick to resent a statement reflecting on the buyers of Oregon City. His assertion passed unchallenged.

One Mayor and two Mayors-elect graced the Live Wire luncheon with their presence Tuesday. Mayor Gary, of Willamette; Mayor-elect Cross, of Gladstone, and Mayor-elect Dimick, of Oregon City. They occupied seats of honor and brief speeches were made by Mr. Gary and Mr. Cross, the latter calling the attention of the Live Wires to the need of a fruit canning establishment at Oregon City.

He said a cannery was in operation here in 1891 and the demand for labor was so great that it had to be imported from Portland, but that J. Lang, who owned the concern, became "peevish" over the failure of some of the people of this city to pay their stock subscriptions and he dismantled the cannery and removed the machinery away.

M. J. Lazelle, secretary of the promotion department of the Commercial Club, was named a committee to promote the establishment of a cannery here, and he called the attention of the Live Wires to the condition of the cannery at Canby, where the establishment is not in operation and where vain efforts have been made to secure people to operate the plant, though he had not ascertained the reason.

Postmaster Randall read letters from members of the Oregon congressional delegation and was directed to prepare information relative to the need of a Federal building at Oregon City requested by Senator Bourne, who wrote a long epistle to the postmaster, including his belief that the Senate committee on public buildings would have to be shown.

The menu for Tuesday was: Roast Young Calf Dressing Corn Codd Stewed Salad—Yon Shrimp Hill Pickles State of Life Butters Apple Pie Mince Pie Cheese Coffee

## MT. PLEASANT CLUB TO REPAIR SIDEWALKS

### The Mount Pleasant Civic Improvement Club met at the Mount Pleasant schoolhouse Tuesday evening. Among the questions discussed were the roads in the vicinity of Mount Pleasant, and it was decided to have the Oregon City-Mount Pleasant sidewalk repaired. The residents of Mount Pleasant built this walk about a year ago at an expense of more than \$300. A neat sum was turned over to the treasurer by Mrs. Edward McLaughlin, who had charge of the entertainment given at the schoolhouse Friday evening, she being the chairman of the entertainment committee. A burlesque on "Mrs. Jolly's Wax Works" was given. Mrs. T. G. Clark was appointed chairman of the committee for the entertainment to be given at the schoolhouse in December.

Resolutions relating to the late Dr. W. E. Carl were adopted. Dr. Carl was an honorary member of the Mount Pleasant Civic Improvement Club, and had often addressed the club. He always praised the good work of the club, and assisted in the improvement of the roads and sidewalks in Mount Pleasant.

## \$17,965 TO BE SPENT FOR COUNTY BRIDGES

### The County Court has awarded the Coast Bridge Company a contract for bridges over Eagle, Pudding River, Sunnyside Gulch, near Arnett's and Clear Creek at or near Banfield, Veal Switch, Aurora and Clackamas. The work is to cost \$17,965 and all materials for the bridges must be on the ground by May 1. The contract is in line with the policy of the county court to build as many permanent bridges as possible.

## GLADSTONE FAVORS SPECIAL ROAD TAX

### MISSOURI CERTAIN TO ADOPT NEW SYSTEM, DECLARES OREGON LEADER.

## CANADA IS TAKING ACTIVE PART

### Ohio Constitutional Convention Has Big Majority Favorable To Initiative And Referendum.

## GRANT B. DIMICK ELECTED MAYOR

### FORMER EXECUTIVE CARRIES EVERY WARD, HAVING MAJORITY OF 112.

## WILLIAM ANDRESEN MAKES GOOD RACE

### John F. Albright, William Beard and Fred J. Tooze Elected To Council—Plan To Police Hill Section Wins.

Grant B. Dimick, for four years Mayor of Oregon City and four years Judge of Clackamas county, was on Monday elected Mayor of Oregon City by a comfortable majority over William Andresen. Dimick carried all three wards, nosing out in Ward No. 3 by twelve votes. The former Mayor obtained a majority in the three wards of the city of 112 votes.

John F. Albright was elected to the council from the First Ward, receiving 136 votes to 78 for M. D. Phillips. In the Third Ward William Beard was elected councilman over E. P. Elliott. Beard's vote was 85 and Elliott's 29.

The proposal to place a night policeman in the hill section of the city carried by a tremendous majority, the vote being as follows:

	Ward 1	Ward 2	Ward 3
Yes	149	201	85
No	54	80	28

Majorities 95 121 57  
F. J. Tooze was chosen councilman in the Second Ward without opposition, his vote being 247 out of 329 votes cast. M. D. Latourette had no opposition for City Treasurer, and obtained 673, his vote being as follows: First Ward, 195; Second Ward, 278; Third Ward, 100.

There were 660 votes cast for Mayor, which is considered a fair vote, when it is remembered that the campaign was an unusually quiet one. The vote for Mayor was:

	Ward 1	Ward 2	Ward 3
Dimick	126	195	65
Andresen	96	125	53
Dimick's majority	30	70	12

Mr. Andresen, when seen last night, after the result was known, said he had no comment to make, other than to thank his friends for their work and support in his behalf.

Judge Dimick gave out the following statement last night: "I have been informed that I have been elected Mayor of the city by 112 majority and I am proud of the fact that my friends have confidence in my integrity. I desire to state that I have made no campaign either for the nomination or election, nor have I asked a legal voter in Oregon City to support me; nor have I made a promise to appoint any man to office, or even intimated that I was favorable to any person for any position. After January 1, with the cooperation of the council we will have Oregon City a good, straight business administration for the ensuing year. I appreciate the many campaign put up by Mr. Andresen and consider him one of our best citizens."

## BUILDING FINE SCHOOL.

### A fine modern school house is being built at Welches. It will cost \$1,000, and H. W. Lang is the contractor. The light enters from the left and the rear. There will be two outside doors, front and rear, and a good supply of hyloplate blackboards. Miss Bessie Lewis, of Gladstone, is the teacher.

## MT. PLEASANT SCHOOL CENSUS GAINS 60

### Ward B. Lawton, clerk of the Mount Pleasant school district, has completed taking the district census which shows a gain of sixty. There were ninety-six children last year and this year there are 156. The directors and many of the residents of Mount Pleasant found that it was necessary to build an additional room, and from all indications the schoolhouse will have to be enlarged again. There are many newcomers at Mount Pleasant, and the members of the Mount Pleasant Civic Improvement Club deserve credit for the growth of the town. They have built sidewalks and have made other improvements that will be lasting.

## U'REN BACK, SAYS SINGLE TAX GAINS

### MISSOURI CERTAIN TO ADOPT NEW SYSTEM, DECLARES OREGON LEADER.

## CANADA IS TAKING ACTIVE PART

### Ohio Constitutional Convention Has Big Majority Favorable To Initiative And Referendum.

"The single tax sentiment is growing in all parts of this country and Canada," declared W. S. U'ren, who returned Wednesday from a trip East. Mr. U'ren, after attending a big meeting of single taxers in Chicago went to Cincinnati and then to St. Louis where he was the guest of leaders in the fight for the adoption of the land tax.

"The conference in Chicago was well attended, and all those present were enthusiastic," continued Mr. U'ren. "Mr. Fels was in attendance, and took part in the proceedings. The report from Missouri was especially gratifying. There seems to be no doubt that the plan to exempt all personal property from taxation will carry at the election next November in that state. Most of the states were represented at the conference and there also was a large delegation from Canada."

Mr. U'ren said that the delegates were pleased with the report he made of conditions in Oregon. He declared that they were especially delighted with his announcement that the indications were for a victory in Clackamas county.

"The single tax advocates go further in this state than they do in Missouri," said Mr. U'ren. "We were delighted with the report from Washington state that the single tax sentiment is gaining ground there daily. The success of the new scheme of taxation in Vancouver, British Columbia, will force Seattle to adopt the single tax. Other cities in Washington also will adopt it. The reports from California and other states were favorable."

Mr. U'ren spent two days in Cincinnati with Daniel Kiefer and Herbert Bliglow, leaders in the movement to have the initiative and referendum incorporated in the constitution of Ohio. He said that ninety of the 119 members of the constitutional convention favor the incorporation of these measures in the revised constitution. Mr. U'ren was the guest in St. Louis of Dr. W. P. Hall and D. L. Mosier, leaders in the fight for the single tax in Missouri.

## YOU OUGHT TO HAVE \$34.54, HAVE YOU?

### WASHINGTON, Dec. 6.—(Special).—The per capita circulation of money in the United States is \$34.54, according to a statement issued by the Treasury Department. Besides their calculation on the census of 1910, they estimate that there were 94,879,000 souls in the United States on December 1. The last census showed that the population April 15, 1910, was 91,922,266.

The total amount of money in circulation December 1 was \$3,270,582,753; the assets of the United States Government were \$345,943,923. This makes the total stock of money in this country \$3,616,526,676.

## AUTO VICTIM HERO FOR FAMILY'S SAKE

### JOHN WELSH, HURT BY MACHINE, CARES FOR WIFE AND LITTLE CHILD.

### NEIGHBORS ASSIST IN NURSING

### Mother Stricken, After Moving To County, Father Goes To Portland on Errand And Is Run Down.

One of the most pitiful cases of suffering and want in the history of Clackamas county was reported to the Oregon City police Wednesday. His wife critically ill and their two month old babe needing constant attention, John Welsh, a wood cutter, suffering severely from injuries received in an automobile accident in Portland a week ago, is doing his utmost to care for his little family. Their home is at Crescent Ridge, just beyond the Jones' Mill district.

The family moved to this section about two weeks ago, and immediately afterward Mrs. Welsh was stricken. Mr. Welsh obtained work, but was called to Portland one day and while crossing a street was struck by an automobile. His left leg was seriously injured, and for two days he was compelled to keep to his bed.

Neighbors heard of the predicament of the family and have furnished provisions and aided in caring for Mrs. Welsh and her baby. Mr. Welsh is a young man, and will be able to earn good wages as soon as he recovers from his injury.
