HOT LAKE, OREGON. WALTER M. PIERCE, Pres.-Mgr.

The Fountain Head of Life Is The Stomach

A man who has a weak and impaired stomach and who does not properly digest his food will soon find that his blood has become weak and impoverished, and that his whole body is improperly and insufficiently nourished.

Dr. Pierce's Golden Medical Discovery makes the stomach strong, promotes the flow of digestive juices, restores the lost appetite, makes assimilation perfect, invigorates the liver and purifies and enriches the blood.

This "Discovery" is a pure, glyceric extract of American medical roots, absolutely free from alcohol and all injurious, habit-forming drugs. All its ingredients are printed on its wrappers.

They also had their annual Christmas pie to which all members are supposed to contribute a few plums, which are carefully wrapped and deposited in a large dishpan with a brown paper cover for a crust and long cords attached and at the lecture hour all form in line and march to music, single file, around the hall and to the altar where each in passing pulls out a plum.

C. M. Gage and Will, son of Arden Gage, made a last visit to the old home and left Tuesday to take the steamer Breakwater at 8 that evening for Bandon in Coos county, where the former has a home and the latter has gone to seek his fortune, and incidentally see more of his native state.

The week before Thanksgiving Isabel Miller lost a straw handbag between Shauers and Stafford. It is a great loss to her as it contained among other useful articles an old fashioned silver Swiss watch, which had been in the family a long time and prized upon that account, and if any person who reads these lines has found such a bag they will be doing a great kindness if they will leave the same at
