The other cities of the country will st. 66 by druggists. Williams Mfg. Co., watch with interest the result of the Props., Cleveland, O. For sale by Boston experiment.

From Pittsburg, the center of the country's steel industry, comes the report that rail orders booked for 1912 delivery aggregate 175,000 tons, including 50,000 tons for the Louisville and Nashville, 61,000 for the Burlington, 25,000 for the Norfolk and Western, 19,000 for the Atlantic Coast Frial Subscription, Two Months .25 Line, and a number of smaller orders. An order of 40,000 tons from the Great Northern is not included in this total. Engineers of the Pennsylvania have ust submitted their reports as to the MEETING IS HELD AT COURTHOUSE quantity of rails which will be required in 1912. It is understood that the estimates call for a considerably Citizens invited to Visit Schools and larger tonnage than the 180,000 tons which the Pennsylvania purchased this year. Generally the rail orders are much heavier than last year.

While the rail mills are slack at Germany has an isue on its hands the present time these orders are innow which may turn out to be more dicative of the business pace that is
