William Hammend

WATER RECEDING; MILLS TO RESUME

CHINESE GARDENS AT GREEN-POINT AND OTHER PROP-ERTY INUNDATED.

ABERNETHY IS OUT OF ITS BANKS

Under Water-Residences Are In Danger of Being Flooded.

The water was receding at 4 o'clock Wednesday morning and it is believed that all departments of the mills will be in operation Thursday. The crest of the flood was reached about 6 o'clock Wednesday morning and by noon there had been a fall of two and one-half inches. The Willamette Pulp & Paper Company mill will probably be able to resume operation in all departments Thursday after-noon. The Oregon City Woolen Mill will not resume work in its picking department until Thursday.

The Chinese gardens near Greenpoint are under water, and the lower flat in the northern part of the city is almost inundated. The roadway leading from Parkplace near St. Agnes' Baby Home and the track on the Southern Pacific railroad, is under water. Last year the O. W. P. suffered from a big washout of their roadbed but this was repaired and there is no danger of this happening | 22, 1911. at that point with the high waters The Abernethy is overflowing its banks near Fourteenth, Fifteenth and Washington streets. The water of that creek is nearing
