PROGRESSIVES ARE WARNED BY TAFT

PRESIDENT TELLS THEM THAT THEY MUST CEASE THEIR DENUNCIATION.

REPUBLICAN PARTY SURE TO WIN

Alarming Reports Regarding Health of Executive Discredited—Declares Facts Are Demanded.

COLUMBUS, O., Jan. 30.—Reviewing the achievements of his Administration before the Columbus Glee Club here tonight, President Taft drew the line sharply between the old-line Republicans and the "progressives" of his party, and said that the time was at hand when the "denunciation by the "progressives" must cease and when the Nation will demand facts."

He said he had not the slightest doubt that the Republican party would carry the November elections. The President's second day in Ohio developed less speechmaking and more politics than did his sixteen hour stop in Cleveland. Many Republicans who did not journey to Northern Ohio to welcome him dropped in today to have a word or two and to add something to the President's growing information about the political condition here.

STATE UNIVERSITY PLANS NEW COURSES

UNIVERSITY OF OREGON, Eugene, Jan. 30.—(Special.)—Three new courses, to be given at the University of Oregon next semester, are "Birds," by Professor Vovard, head of the department of zoology; "How to Study," by Miss Montana Hastings, an instructor in the department of education; and "Economic Botany," by Professor Sweetzer, head of the department of botany.

The study of birds will consist of the observation of all the whims, characteristics, and habits of the Oregon songsters. Miss Hastings' instruction will consist of the art of studying in the laboratory. As some of the students at the University batch and others have charge of the buying for the clubs and the fraternities, the study of food values will be a very popular course.

FASTING KILLED GIRL, DECLARE PHYSICIANS

SEATTLE, Wash., Jan. 25.—The death of Miss Clara Williamson, the wealthy English woman, on account of whose death Mrs. Linda Burfield Hazard is on trial in the Kitsap County Superior Court at Port Orchard charged with murder in the first degree, resulted alone from the starvation treatment, according to the testimony of Dr. T. J. Baldwin, of Port Orchard, and Dr. John F. Munns, of Bremerton, the only witnesses called by the state today.

Shortly after his arrival he held a reception in a hotel and, according to estimates by members of his party, more than 3,000 persons marched by and shook his hand.

His receptions at the Chamber of Commerce luncheon and tonight's banquet were friendly in the extreme. The alarming reports as to his physical condition that went out of Cleveland last night were discredited today by the President and Dr. Thomas L. Rhoades, the Army physician who is accompanying him. Dr. Rhoades said that the President was recovering from a bronchial attack that could be expected to run its course without serious consequence in several days.

It is not known how much money was taken, but the sum will undoubtedly be high up in the thousands. The first report was that \$20,000 had been stolen.

TRENTON, N. J., Jan. 31.—Absolute denial of alleged violations of the anti-trust law is made by the United States Steel Corporation, its subsidiaries and directors, in their answers, which will be filed tomorrow in the United States Court, to the government's dissolution suit. Five separate answers will be filed among thirty-three defendants.

The effect of its organization, the corporation declares, has been to cheapen production, effect economy and increase foreign trade from \$5,000,000 to \$60,000,000 annually within ten years. So long has the government acquiesced in its existence, the answer says, that it is now too late, as a matter of equity, to insist that its organization was illegal.

Nothing was withheld from President Roosevelt by Messrs. Gary and Frick on November 4, 1907, the answer says, when they sought his consent to the corporation's proposed purchase of the Tennessee Coal & Iron Company, nor were the so-called Gary dinners productive of agreements to regulate prices.

The answers made public tonight are those of the Steel Corporation, Andrew Carnegie, John D. Rockefeller, John D. Rockefeller, Jr., and Edmund C. Converse. The Rockefellers make a joint answer.

Mr. Carnegie says he had no part in the plans for organizing the corporation and no voice, direct or advisory, in its management. He admits selling the Carnegie Steel Company to the United States Steel Corporation, but denies that the acquisition by the Carnegie Company of its subsidiaries was in restraint of trade.

The answer of Edmund Converse, a director of the Steel Corporation, is similar to the corporation's answer.

The answers to be filed tomorrow, with those filed Monday by the Minnesota group of land and mining companies and five individuals named as trustees, will complete the answers from all fifty-six defendants named in the suits. The next step will be the filing of replications by the government, which must be done within thirty days unless an extension of time be given. After that a Commissioner will be appointed to take testimony.

NEW YORK, Jan. 25.—A painting by Corot sold for \$85,000, after an animated bidding at an auction here. The dealer who bought it said he acted for a well known Western collector. The price marked a new record in this country for a canvas by the Barbizon master. The title of the painting is "Lake Nemi," and it was executed in 1865.
