

OREGON CITY ENTERPRISE

FORTY-SIXTH YEAR—No. 6.

OREGON CITY, OREGON, FRIDAY, FEBRUARY 9, 1912.

ESTABLISHED 1886

DIMICK APPOINTED POLICEMEN ACCUSED BY COUNCIL

POLICEMEN ARE CALLED SHIRKERS

MONTGOMERY NEW CITY ENGINEER

MAYOR REFERS TO COUNCILMEN AS BUNCH AND HOLMAN TELLS EXECUTIVE HE HAS NEVER BEEN ON THE SQUARE.

The grave accusation that Night Policemen S. R. Green, Henry Cooke and Jack Frost, were shirking their duties, and taking turns about going home and sleeping when they should be patrolling their beats, was made at the council meeting Wednesday evening just after Mayor Dimick announced that he would appoint Green Chief of Police to succeed E. L. Shaw. The council refused to confirm the appointment, and the accusers of the policemen declined to say where they got the information that the men were derelict in the performance of their duties.

Heated colloquies followed between the Mayor on one side and members of the Council on the other. The Mayor referred to the councilmen opposing him as "you bunch," and Councilman Holman finally told the Mayor that he (Dimick) had never been "on the square." Mayor Dimick accused the council of making "grand stand plays," which was vigorously denied by Councilmen Tooze, Beard, Holman, Meyer and others.

After the report of the Finance Committee had been read and approved Mayor Dimick announced that he would not sign the warrant of Chief of Police Shaw for his salary for January. Councilman Beard asked: "Do I understand you refuse to sign the warrant?"

The Mayor answered in the affirmative, adding that he had appointed another man chief and had dismissed Shaw. A motion that the City Recorder be instructed to draw an ordinance appropriating \$100 for the payment of the chief's salary was ruled out of order. Albright appealed from the decision of the chair and the motion was carried by a unanimous vote. The Mayor's veto of the assessment ordinance for the improvement of Water street between Sixth and Seventh was read, and the ordinance was being carried, but not anything compared to what was to follow.

Montgomery New Engineer. After the transaction of routine business Mayor Dimick announced the appointment of Henry Meldrum city engineer to succeed Charles A. Noble. A motion was made to confirm the appointment and the seven members present unanimously disapproved it. The Mayor then appointed H. A. Montgomery city engineer, the appointment being confirmed. Councilman Roake was the only one to vote in the negative.

The appointment of Lee French night policeman moved that the appointment be confirmed. Beard and Burk were the only members voting for French. Holman, in casting his vote in the negative said, "we have three policemen already, and that is all the law allows."

"You haven't three already," retorted the Mayor. The Mayor announced the appointment of Harry Wood night policeman. Tooze asked if Wood was to replace Henry Cooke, and said he would not vote for the removal of Cooke unless it could be shown that he had not done his duty. He said Cooke had served a long time as competent, should be continued in the service.

"It's up to me under the charter," declared the Mayor. "I'm responsible for the police."

Mayor Dimick announced that he had continued Cooke and Green on the force by appointing them every five days.

Charges Are Made. "I appoint S. R. Green Chief of Police," said Mayor Dimick. Burk moved that the appointment be confirmed.

"The people want Shaw retained," declared Albright. "I was sent here by the people and I believe I should do as they want me to do. I am loath to say it but an investigation has been made, and found that the night policemen are off their beats for hours at a time. They take their turns, nights about, in going home and going to bed when they should be at work."

"Who told you that?" asked the Mayor. "I won't tell," replied Albright, "but I will take a solemn oath that what I have said is true. I would stake my life on it."

Tooze said he would corroborate the statements made by Albright. He thought the accuser was within his rights when he declined to give the source of his information, and his willingness to take an oath that his statements were true should be sufficient. Tooze said he personally knew the statements were true.

"I am glad we have such men as Mr. Albright," declared Tooze. "He has done a great public service. If he refuses to give the names of the men who made the investigation, he has that right. I like Mr. Green, but I would not support him for chief of police. I am sorry the investigation was against him. To tell who made the investigation would involve men in personalities. The reports are correct and I am willing to take my oath that they are correct."

POLICEMEN GREEN AND FROST DENY CHARGE.

"We demand that the Mayor make a full investigation of the charges made against us by Councilman Albright and force him to tell where he got his information," said Policemen Green and Frost who called at the office of the Morning Enterprise after the council meeting. "It is due the taxpayers who pay our salaries to know whether we are doing our duty. If these charges can be substantiated we will hand in our stars and quit like men. We have put in as high as seventeen hours a day during the past week, and no fault was found with our work. We collected \$85 in fines for the city during the past four days. The charges are groundless and were made to injure us."

"We are entitled to know who made the investigation," said the Mayor. "We must know in order to get at the facts."

"No Hill Protection." "The people have no protection on the hill," declared Albright, "although they voted at the last election to have a policeman in that section. They say no policeman comes up there. It is ridiculous for you to ask us to appoint men like this."

"As a citizen and taxpayer I ask you to tell me the names of the men who made this investigation," said Gordon E. Hayes, who had attended the meeting in behalf of a client. "I have a right to ask for these names. The people should know all about it. The names must be known in order to put witnesses on the stand. If our policemen are sleeping on duty they should be tried and summarily dismissed."

The Mayor again asked for the names of the investigators, and that being denied added, "It is a grand stand play."

"So far as I know Green has been a good policeman," said Burk. "I never heard anything wrong against him. If these charges are true something should be done."

Mayor Dimick said the charter placed the control of the police in his hands. He declared the councilmen were trying to cast reflections. "I won't be hampered by any grandstand plays," he asserted.

"Do you dispute my word?" asked Albright with feeling.

"No, I do not dispute your word," retorted the Mayor. "You might think you are right. I want the council to stay mad at me and I'll save the city money."

Tooze started to explain his position whereupon the Mayor said something about the "professor sending in a bunch." To this the councilman took vigorous exception, and said the Mayor misunderstood him. Mr. Tooze asserted that he acted entirely upon his own responsibility. Beard also took exceptions to the Mayor's charge.

"I signed the petition asking you to become a candidate for Mayor and voted for you," said Mr. Beard. "I have never spoken to any member of the council about a combination. The Mayor threw down the gauntlet when he told us we did not have 'gray matter' enough under our hats to thwart him. I was astonished that an astute lawyer like Grant B. Dimick would fly off the handle."

"Men went to you and wanted to be square with you after your election," said Holman, "which is something more than you have ever done."

Mayor Dimick appointed John Lewellen street commissioner, and again named Charles E. Burns chief of police, but the council refused to confirm both appointments.

Business Transacted. Mayor Dimick called the Council to order at 8:05 o'clock. The following members were present: Tooze, Albright, Burk, Roake, Beard, Holman and Meyer. Pope and Hall being the absentees.

It was unanimously agreed that the city pay for the lot obtained for August Asmuth, former police and fire chief in Mountain View cemetery. The cost of the funeral was defrayed by L. Ruonchell. Mr. Asmuth, who was a faithful public servant, died several weeks ago.

A remonstrance against the building of a stable on Twelfth between Water and John Adams streets was referred to the Committee on Streets and Public Property.

A proposition of James Roake to sell to the city for \$100 lot 5, block 116, the city to take over the amounts due for street and sewer improvements, was referred to the Committee on Finance.

A petition of residents of the hill that a light be provided at the turn near the top of the Seventh street steps was read. The recorder was instructed to confer with the Electric Light Company regarding the placing of the light.

A petition of Charles Babcock that the assessment against his property on Washington street be reduced \$100 was laid over for consideration until the next meeting of the council. Mr. Babcock complained that the street improvement had damaged his property.

Want Street Improved. Property owners on John Quincy Adams street between Twelfth and Fourteenth streets petitioned that the street be improved. Upon the suggestion of Councilman Tooze it was decided that a new petition, containing the names of all the property owners on the two blocks, should be presented. Councilman Tooze said all the property owners were in favor of the improvement, but all had not signed the petition under consideration.

(Continued on page 4.)

3 NEW DIRECTORS FOR FAIR ELECTED

MRS. C. M. WAIT, W. W. JESSE AND WALTER KIRTCHEM CHOSEN MEMBERS.

FINANCES ARE IN FINE CONDITION

Officers to Be Elected at Meeting Next Saturday—Vote of Thanks Given Retiring Directors.

The stockholders of the Clackamas County Fair Association, at a meeting Saturday, elected the following directors: James Smith, Canby; O. E. Freytag, Gladstone; O. D. Eby, Oregon City; Walter Kirtchem, Logan; Mrs. C. M. Wait, Canby; W. W. Jesse, Barlow, and the members of the county court, Judge R. E. Beattie, N. Blair and W. H. Mattoon. The directors will meet next Saturday and elect officers. The retiring directors are George Lazel, Twilight; R. S. Coe, Canby, and W. W. Everhardt, Molalla. The president officers, who probably will be re-elected are James Smith, president; O. E. Freytag, vice president; O. D. Eby, treasurer, and M. J. Lazel, secretary.

A vote of thanks was extended the retiring directors who have worked hard in the interest of the fair. Recently citizens of Canby, and various other parts of the county met at the fair grounds to beautify the place. The grounds were plowed, rolled and planted to seed. M. J. Lee, who has taken an active interest in the work, said that the grounds would be as pretty as any fair grounds in the state when the next fair is opened. The Canby Canal Company has agreed to donate water for use on the grounds. The county court recently paid the interest on the mortgage on the fair grounds, and the reports of the officers at the meeting Saturday were satisfactory. With the interest paid by the county the association will be able to pay \$1,000 annually on the indebtedness. The grounds and buildings are valued at \$12,000.

Mrs. Wait, one of the new directors, has had charge of the domestic science department for several years, and has taken a great interest in the association since its organization. Mr. Jesse, another of the new directors, has been engaged in farming and gardening in the county for many years, and Mr. Kirtchem, the other man added to the board, is prominent in the Grange work in the state.

ARCHITECTURE OF LIBRARIES SCORED

SALEM, Or., Feb. 6.—That the librarians of the country are not altogether pleased with the exterior style of architecture of Carnegie libraries and their interior arrangement as to utility and adaptability for library purposes is signified by the appointment of a committee by the National Association to confer on the subject with the Carnegie Corporation of New York. This is the statement of Miss Cornelia Marvin, secretary of the Oregon State Library Commission, who returned this morning from attending the convention, which was held in Chicago.

"The association did not take a critical attitude toward the Carnegie libraries," said Miss Marvin. "There is considerable room for improvement, however, and from the fact that many of these libraries are proposed for Oregon, I deem the move to be of considerable interest to this state."

"Before this subject was a delicate one, inasmuch as it was also a personal one. Now it is in the hands of the Carnegie Corporation and is no longer personal, and those at the association believed we could take up the question without placing ourselves in such a delicate position as we would have had the question arise when it was entirely personal."

FARMERS OPPOSE WIRES OF O. W. P.

Farmers near Boring and Sycamore are angered over the announcement that the O. W. P. company plans erecting high tension wires from Boring to Sycamore. The intention is to stretch the wires through the fields, and the farmers assert the railroad company has no right to do this. They allege that the company has not been granted a franchise to erect the wires and is attempting to impose upon the property owners. A meeting has been called to protest against the plan of the railroad.

WILDE IS ACQUITTED BY ORDER OF JUDGE

PORTLAND, Feb. 3.—Attended by a dramatic scene seldom witnessed in a courtroom, including a remarkable demonstration in which spectators and jurors joined, Louis J. Wilde, banker and promoter of San Diego, Cal., was acquitted today on an instructed verdict in Judge Kavanaugh's court of the charge of embezzling \$90,000 of the funds of the Oregon Trust & Savings Bank, for which he was indicted jointly with W. Cooper Morris, ex-cashier of that institution.

CITIZENS TO AID SCHOOL CONTEST

MERCHANTS WILL BE ASKED TO GIVE PRIZES FOR BEST DISPLAYS.

LIVE WIRES HEAR PLAN EXPLAINED

Action of County Court in Naming O. E. Freytag Fruit Inspector Is Given Approval.

Professor Maris, representing State Superintendent of Schools Alderman, will, with Superintendent of the Clackamas County Schools Gary, today call on various merchants and other public spirited citizens of this city to ask their aid in providing premiums for the contests of school children in agriculture and horticulture and live stock raising. Professor Maris, at the weekly luncheon of the Live Wires Tuesday outlined the plan of the state superintendent, which met with the hearty approval of the commercial organization. The plan is for the children of the schools to exhibit at the county fair and state fair grain, fruit and live stock raised by them.

The Live Wires adopted a resolution introduced by O. D. Eby, endorsing the action of the county court in appointing O. E. Freytag fruit inspector of the county. The resolution follows:

"Whereas, The County Court of Clackamas county Oregon, has recently appointed O. E. Freytag, fruit inspector of said county and state, and

"Whereas, Said O. E. Freytag has qualified as such inspector and has outlined and already begun a plan of work which, if properly encouraged and carried out, will cause all of the diseased trees and orchards in Oregon City and Clackamas county to be thoroughly sprayed or the trees destroyed, and

"Whereas, We believe that such a plan of work, if properly carried out, and consummated will result in great good and inestimable value to the people of Oregon City and Clackamas county, therefore be it

"Resolved, By the Live Wires of the Commercial Club of Oregon City that we heartily endorse and commend the plan and work of said fruit inspector, and that we call upon all good citizens to assist him in ridding Clackamas county of all diseased trees and that we especially commend his plan of beginning his work in Oregon City and we ask all people in Oregon City owning fruit trees to have the same thoroughly pruned and sprayed that Oregon City may be the first part of Clackamas county to effectively destroy the diseases which are now a hindrance to the fruit industry of the county."

The attendance was the largest for several weeks and the members were particularly enthusiastic over the report of M. J. Lazel that the poultry show paid expenses.

PARENT-TEACHER MEETING IS CALLED

A Parent-Teachers' meeting will be held in the Melnic Hall, Sandy, Saturday, February 17, from 10 to 3 o'clock. All who are interested in education are urged to attend and take part in the discussion.

CLUB PLANS BIG BOOSTER MEETING

MEMBERSHIP GROWING SO FAST THAT LIMIT WILL SOON BE REACHED.

G. W. M'CARVER ELECTED STEWARD

Board of Governors To Aid Paper Company in Efforts To Have Steamer's Name Changed.

The board of governors of the Commercial Club, at a meeting Monday night, instructed the entertainment committee to give a big booster meeting on the night of February 29. Each member of the club will be asked to bring a friend, the object being to increase the membership. The membership is nearing the limit, and it is thought, within a few weeks, applicants will be compelled to await their turn. A number of persons joined the club last week.

The board also decided to send a copy of the promotion paper, "Publicity," which is published semi-monthly, to each member of the club. The poultry show, which was a much bigger success than was anticipated, was heartily endorsed and it was decided to recommend that one be given each year.

G. W. McCarver was elected steward of the club. The board also decided to aid the Willamette Pulp & Paper Company, which has purchased the Steamer Ruth, in having the name of the craft changed to Oregon City. Permission to do this will have to be obtained from the Federal authorities.

WEST SIDE LOCKS TO BE CONDEMNED

PRICE ASKED IS CONSIDERED TOO HIGH AND LAW WILL BE INVOKED.

RAILWAY COMPANY WANTS \$450,000

East Side Property Owners Demand \$2,000,000 For Right of Way—Fight Is Not Abandoned.

A telegram received from Washington Thursday gives the information that the government will institute condemnation proceedings against the Portland Railway, Light & Power Company for the West Side locks and canal. It is reported that the company has made a big reduction in the price asked for the property, and has agreed to take \$450,000 for it.

This price is considered too high by the government, and it is believed the property can be obtained for a smaller sum. The government engineers favored the route surveyed on the East Side for a canal and locks, but the indemnity asked by the property owners, has led to the conclusion that the West Side route is more preferable. The East Side property owners would have asked at least \$2,000,000, and the money could not be raised to meet this. The state has appropriated \$300,000 and the government \$300,000 for building the canal. The estimated cost is \$750,000 and the government will appropriate the additional amount required.

Members of the Commercial Club said Thursday night that the fight for the East Side route had not been abandoned, but it is thought the West Side route will be chosen by the government. The present canal will be enlarged and modern locks will be installed. With the improved canal and the river between here and Portland dredged, which has been promised, Oregon City will have facilities for water traffic equal by few cities in the state.

SYCAMORE TEAM WINS.

The basket ball teams of Damascus and Sycamore played an exciting game at Sycamore, Friday evening at Grange Hall. The admission fee was 15 cents, and there was a large attendance. Much enthusiasm was manifested and the boys on both sides were cheered by their friends. At the close of the game the score was 14 to 18 in favor of Sycamore. H. Hoffman, of this city, played with the Sycamore team.

WILLIAM HARDIN GETS 20 YEAR SENTENCE

William Hardin, a rancher of the Bull Run district, was sentenced Monday to serve twenty years in the penitentiary by Judge Campbell, on conviction of criminally attacking his step-daughter, Eva Phelps, now Mrs. Eva Woods. The attack is said to have been made three years ago.

Hardin was arrested soon after the attack was alleged to have been made, but the charge was dismissed. The defendant, who has been out on \$3,000 bonds was taken to jail immediately after being sentenced, and his attorney, Grant B. Dimick, announced that an appeal would be taken. Judge Campbell fixed bond at \$10,000 while the appeal is pending, but the prisoner has not found a bondsman. He owns a large ranch, and has made considerable money raising goats. Hardin is known throughout the county as "Cougar Bill" having killed more cougars than probably any other man in the county. He is more than fifty years of age.

PLAN IRRIGATION OF 15,000 ACRES

M. J. Lee, of Canby, secretary and manager of the Canby Canal Company, who was in the city Saturday, said that the construction of the high line canal from Mill Creek had been started. It will have a capacity of 300 cubic feet of water each second and will irrigate 15,000 acres. The low line canal, completed several months ago, furnishes water for 3,000 acres. The cost of the water is from \$2 to 4 per acre. The project contemplates the irrigation of many more thousand acres of land and the entire cost will be at least \$500,000.

ACKERMANN GIVES PUPILS GOOD ADVICE

J. H. Ackermann, President of the State Normal School, at Monmouth, addressed the pupils of the Oregon City High School, Friday morning. Several citizens also were present.

Mr. Ackermann spoke on "Success in Life." He said that to be successful one must be attentive, industrious and interested in his chosen work. Honesty, said Mr. Ackermann, also was a requisite. He explained how several great men had achieved success, and urged the pupils to profit by the examples set by them. Mr. Ackermann was introduced by Superintendent of City Schools Tooze. L. R. Alderman, superintendent of the schools of the State, will speak at the High School next Friday. Others who make addresses during the term are Governor West, Mayor Dimick, O. D. Eby and J. E. Hedges.

WORKMAN STRIKES ANOTHER WITH AX

Grant Mumpower, of Stone, brought one of the men employed by him who had been cut in the throat by another employe to the office of Dr. H. S. Mount for treatment early today. The man did not give his name, or the name of the man, who had cut him. According to Mr. Mumpower, six of his employes, became involved in an argument, and one of the men struck another with an ax, the blade penetrating the man's throat. Dr. Mount sewed up the cut which was about six inches long. The man will recover. He and his companions had been drinking.

TAX COLLECTION TO START TODAY

VALUATION FOR 1911 SHOWS INCREASE OF \$2,081,424.01 OVER 1910.

TOTAL AMOUNT DUE IS \$646,691.13

Increase in Amounts for State and Schools Makes Levy Higher—Early Payers Get Rebate.

The collection of taxes for 1911 starts this morning and it is expected that the sheriff's office will be crowded all day. The tax roll extension was turned over Tuesday afternoon by County Clerk Mulvey to Sheriff Mass. The valuation is \$26,319,619.53, an increase over the valuation of 1910 of \$2,081,424.01. There is an increase in the amount of taxes of \$147,466.87, the total of the taxes for 1911 being \$646,691.13. Following are the divisions: For state, county roads, schools and libraries, \$460,593.31; special school tax, \$192,790.27; special road tax, \$53,794.51 and for the cities of Oregon City, Gladstone, Oswego, Sandy, Canby, Milwaukie and Estacada, \$29,603.04.

All persons who pay their taxes prior to March 15 will be given a rebate of 3 per cent, and taxes will not be delinquent until the first Monday in April. Persons who elect to pay half of their taxes now and the remainder after the first Monday in April will not be entitled to a rebate, but they will not have to pay a penalty unless the last half is not paid before the first Monday in October. Chief Deputy Sheriff Staats who has been placed in charge of the collection of taxes by Sheriff Mass is ready for the expected rush, and will be able to handle the crowd with celerity. The greater part of the money due will be paid before the rebate period expires, and a large part of the taxes will be paid by checks sent through the mail. Sheriff Mass already has had many inquiries regarding the date when the payments would be accepted.

The levy made by the county court for 1911 is seventeen and one-half mills, an increase of two and one-half mills over the last levy. The increase was caused by the increase in the state and school taxes. The state tax in 1910 was \$46,000 and in 1911 is \$105,000. The school tax in 1910 was \$7 per capita and for 1911 it is \$8 per capita.

TAX COLLECTIONS BETTER THAN USUAL

The tax collections Wednesday were three times larger than ever before on the first day. More than \$2,000 was paid in, and the indications are that the rush will continue for a week. Chief Deputy Sheriff Staats, who has charge of the collection, has two assistants, and all of them are kept busy receiving the money. Sheriff Mass said Wednesday afternoon that the property owners seem more anxious to pay their taxes early this year in order to obtain the rebate than ever before. The rebate period will expire March 15.

ROAD ASSOCIATION TO CONTINUE WORK

The East Side Capital Highway Association at an enthusiastic meeting in the Commercial Club parlors Wednesday night decided by a unanimous vote to continue working for the improvement of the roads of the county. A committee of five of which C. W. Rislley was named chairman, was appointed to look into the feasibility of opening a road near the mouth of the Clackamas River. George Randall announced that an improvement club had been organized in Central Point for the purpose of opening a road from that place to Oregon City. It was largely through the efforts of the association that Governor West decided to send convicts to this county to work the roads, and the Pacific Highway was located on the East Side of the river.

ACKERMANN GIVES PUPILS GOOD ADVICE

J. H. Ackermann, President of the State Normal School, at Monmouth, addressed the pupils of the Oregon City High School, Friday morning. Several citizens also were present.

Mr. Ackermann spoke on "Success in Life." He said that to be successful one must be attentive, industrious and interested in his chosen work. Honesty, said Mr. Ackermann, also was a requisite. He explained how several great men had achieved success, and urged the pupils to profit by the examples set by them. Mr. Ackermann was introduced by Superintendent of City Schools Tooze. L. R. Alderman, superintendent of the schools of the State, will speak at the High School next Friday. Others who make addresses during the term are Governor West, Mayor Dimick, O. D. Eby and J. E. Hedges.

POULTRY SHOW IS AMAZING SUCCESS

LECTURES BY T. J. GARY AND M. J. LAZELLE FEATURES OF LAST NIGHT.

PHILHARMONIC BAND GIVES PROGRAM

Scenes From Various Parts of County Shown on Canvas—Exhibitors Delighted Over Success of the Show.

Saturday night, February 3, 1912, will be marked in the diary of the Oregon City Commercial Club as the close of the first fair poultry show ever held in Oregon City. But it also will be remembered for the practical benefits the show brought to Oregon City.

Of course the prizes were merely nominal. The men with birds on exhibition were not after the financial value of the awards, so much as for the honor that went with them. But that is the way with all poultry shows. In one respect, however, the Oregon City show differed from the average, and that was in the general acquaintance of the exhibitors in the justice of the judges awards. Not a single protest was recorded.

T. J. Gary superintendent of the county schools, delivered a lecture, illustrated with stereopticon views, and M. J. Lazel also lectured. Scenes from Clackamas County and other parts of the state were shown on the canvas. Another feature was the concert of the Philharmonic Band, under the direction of R. V. D. Johnston. The attendance was larger than that of Friday night, but it was a totally different crowd. It was Oregon City on holiday bent; divided between a natural curiosity to see what a poultry show looked like, and to hear the Philharmonic Band, so mysteriously sprung upon an unsuspecting public on the opening night. Mayor Dimick, Postmaster Randall, Judges Campbell and Beattie, in fact, the bigwigs generally, of the city, political and church life of the city were all in attendance at one time or another during the evening.

The awards, which were given incorrectly in the Morning Enterprise of Saturday, through a misunderstanding, were as follows:

Class "A," White Plymouth Rocks—First prize, E. D. Schanen, Leas, Oregon; J. C. Schmidt, Gladstone, second.

Class "B," White Plymouth Rocks—E. D. Schanen, and J. Lenta, first; J. C. Schmidt, second; E. D. Schanen, third.

Class "C," White Plymouth Rocks—E. D. Schanen, first; E. D. Schanen, second and third.

Class "A," Barred Plymouth Rocks—James Willock, Gladstone, first; James Willock, Gladstone, second; C. B. Huyck, Oregon City, third.

Class "B," Barred Plymouth Rocks—James Murrow, Hillsboro, first; H. W. Kruple, Portland, second; Marquam, Oregon City, third.

Class "C," Brown Plymouth Rocks—E. E. Hope, Oregon City, R. D. 6, first; E. E. Hope, second; George Pebock, Oregon City, R. F. D. 5, third.

Class "A," White Wyandottes—B. Lee Paget, Oak Grove, first; Mrs. F. F. Fisher, Oregon City, second.

Class "B," White Wyandottes—W. D. Kelly, Portland, first; B. Lee Paget, Oak Grove, second; Mac VanBuskirk, Milwaukie, third.

Class "C," White Wyandottes—W. D. Kelly, first; B. Lee Paget, second; F. F. Fisher, Oregon City, third.

Class "A," Rhode Island Reds—Mrs. S. A. Strong, Oregon City, first; B. C. Wever, Milwaukie, second; Harry Williamson, Oregon City, third.

Class "B," Rhode Island Reds—Marquam Brothers, first; Mrs. S. A. Strong, Oregon City, R. D. 3, second; Mrs. John Robins, Canby, third.

Class "C," Rhode Island Reds—Mrs. John Robins, first.

Class "A," Brahmas—N. C. Westerfield, Oregon City, R. D. 2, first.

Class "B," Brahmas—Mrs. R. L. Badger, Oregon City, first; Mrs. S. A. Strong, Oregon City, R. D. 3, first; Mrs. R. L. Badger, second and third.

Class "C," Brahmas—Mrs. R. L. Badger, first; Miss Lela Moreland, Oregon City, second; Mrs. R. L. Badger, third.

(Continued on page 4.)
