### NATURE'S ESSENCE. --- Extracted From Forest Plants.

Nature's laws are perfect, but disease follows if these laws are not obeyed. Go straight to nature for the cure, to the forest; there are mysteries here that we can fathom for you. Take the bark of the wild-cherry tree, the root of mandrake, stone, Oregon grape root, queen's root, bloodroot and golden seal, make a scientific, non-alcoholic extract of them with just the right proportions and you have

Doctor Pierce's Golden Medical Discovery. It took Dr. Pierce, with the assistance of two learned chemists, eight years of

hard work experimenting to make this pure glyceric extract and alterative of the greatest efficiency and without the use of a particle of alcohol.

Just the sort of remedy you need to make rich, red blood, and cure that lassitude and feeling of nerve exhaustion.

Dr. Pierce's Golden Medical Discovery bears the stamp of Public Approval and has sold more largely in the past forty years than any other blood purifier and stomach tonic.

"Some time ago I got out of health—my stomach seemed to be the tof the trouble," writes Mr. Erra Williams, of Belleville, Kanacommenced to doctor with all the doctors at home as well as with respectalists on stomach and digrestive organs. None seemed to de good—in fact, most of the medicines did me harm. Finally, I wrote Dr. Pierce, Buffalo, N. Y., who replied, stating that I had liver conjust with indigestion and constitution, and advised Dr. Pierce's Golden ileal Discovery and "Pleasant Pollets."

The Discovery and "Pelesta, have put me on my feet again med to be just what I needed, I could not have recovered without them."

Dr. Pierce's Pleasent Pellets are for liver ills.
