HAPPY THO' MARRIED?

There are unhappy married lives, but a large percentage of these unhappy homes are due to the illness of the wife, mother or daughter. The feelings of nervousness, the befogged mind, the ill-temper, the pale and wrinkled face, hollow and circled eyes, result most often from those disorders peculiar to women. For the woman to be happy and good-looking she must naturally have good health. Dragging-down feelings, hysteria, hot-flashes or constantly returning pains and aches—are too great a drain upon a woman's vitality and strength. Dr. Pierce's Favorite Prescription restores weak and sick women to sound health by regulating and correcting the local disorders which are generally responsible for the

"I suffered greatly for a number of years and for the past three years was so bad that life was a misery to me," writes Mas. B. F. Dick-overs, of Utics, Ohio, Boute 4. "The doctors told me I would have to go to a heapital before I would ever be better. A year ago this winter and spring I was worse than ever before. At each period I suffered like one in torment, I am the mother of six children. I was so bad for five months that I knew something must be done, so I wrote to Dr. R. V. Pierce, tolling him as nearly as I could how I suffered. He outlined a course of treatment which I followed to the setter. I took two bottles of 'Favorite Prescription' and one of 'Gokien Medical Discovery' and a fifty-cent bottle of 'Smart-Weed, and have never suffered much since. I wish I could tell every suffering woman the weard over what a boos Dr. Fierce's medicines are. There is no use wasting time and mency dectoring with anything else or any one else."
