E. B. TONGUE HAS A FINE LEGAL SUPPORT

ASTORIA, ALSO, COMES FORWARD

Has Marked Success as a Prosecutor for the State

To the voters of the fifth judicial district: We, the undersigned, friends of E. B. Tongue, who is now serving his first term as prosecuting attorney for the fifth judicial district...

The following, signed by every lawyer in Hillsborough, Oregon, Mr. Tongue's own home city, both democratic and republican...

The following from the republican lawyers of Astoria, county seat of Clatsop, and the home of Mr. Norblad, and which is signed by every republican attorney, except Norblad, his associate and one other:

"The fifth judicial district never had a prosecutor who worked harder or was more conscientious or more efficient than the present prosecutor, and we heartily believe that he should be re-nominated and re-elected...

Howard M. Brownell A. Anderson
L. L. Tracey G. C. Fulton
J. Q. A. Bowley Frank J. Taylor
Edward E. Gray E. C. Judd

The following signed by every republican lawyer in Columbia County, with one exception: "We, the undersigned lawyers of Columbia County, believe the faithful, conscientious and efficient service of a public official should be rewarded by the election of a second term. The Circuit Judge of this district, in charging the grand jury, often refers to E. B. Tongue as one of the ablest prosecutors in the State of Oregon."

Wm. M. Stone Geo. C. Brownell
Livy Stipp W. A. Dinsel
George L. Story J. F. Clark
D. C. Latourette

The following record of Mr. Tongue during his first and present term tells a simple story of success. He lost only 17 cases out of over 630 Circuit Court cases in the different counties, a few of which are still pending; he has won every criminal case tried in the Supreme Court. The number of cases set forth does not include the hundreds of Justice or Police court cases—simply the Circuit and Supreme court cases; those of importance consisting of murder, burglary, highway robbery, rape, etc., the list including six murder cases—5 convictions one acquittal.

We know that Mr. Tongue will honestly, vigorously, faithfully and impartially perform the official duties without fear or favor and accord to every individual, irrespective of party, politics or personality, a square deal under the law, keeping always uppermost in his mind the interests of the taxpayers, and that he will protect the innocent, as well as prosecute the guilty; that he will require every case to stand upon its own merits and prevent private cases from being tried at public expense; that he cannot be chibbed, slandered, bluffed or driven to squander the taxpayers' money on useless, frivolous or malicious prosecutions.

We, therefore, respectfully submit that Mr. Tongue merits reelection, and should be supported by the voters of the Fifth Judicial District (Signed)

Women!

If weak, you need Cardui, the woman's tonic. Cardui is made from gentle herbs, acts in a natural manner, and has no bad results, as some of the strong drugs sometimes used. As a medicine—a tonic—for weak, tired, worn-out women, Cardui has been a popular success for over 50 years.

GUSTAV SCHOENRR

Mrs. Lula Walden, of Gramlin, S. C., followed this advice. Read her letter: "I was so weak, when I first began to take Cardui, that it tired me to walk just a little. Now, I can do all the general housework, for a family of 9." Try Cardui for your troubles. It may be the very remedy you need.

MAGONE AGAIN SEEKS LEGISLATIVE HONOR

M. A. MAGONE

M. A. Magone, who has filed his declaration as a candidate for the Republican nomination for representative in this district, is the only member of the last Legislature from this county, who is a candidate for re-election. Mr. Magone was a member of two important committees—fisheries and alcoholic traffic—and he was regarded as a faithful, conscientious and capable lawmaker. He and his friends feel that he should be returned to the capitol to continue his good work.

WISE'S PLATFORM IS POETICAL GEM

Herman Wise, of Astoria, although a Democrat, is ingenious. Mr. Wise is the only candidate for delegate to the Democratic National Convention in the Fifth Judicial District, and expects to be elected. However, he wants to let his friends know about his candidacy, so like a live and up-to-date candidate he has had cards printed, and is giving them wide distribution. A large package of them arrived in this city Thursday, and before night every voter no matter what his political persuasion, had one. The cards look like the Helig Theatre tickets that cost \$2 per, and even at that price are hard to get when a good show arrives in the Metropolis. The following are the words on the coupon: "At the primaries. Please reserve for me a seat—in Section —, at the Democratic National Convention. Herman Wise, candidate for National Delegate."

Mr. Wise says he stands for—don't overlook the rhyme—the following: "More wool in woolen garments, More leather in our shoes; And on our bread more butter, Less tax on what we use. More Democrats, good Trust Laws, Less promises, more deeds; I want to go to Baltimore To argue for these needs."

FIERCE BATTLE REPORTED PROGRESSING IN MEXICO

MEXICO CITY, March 26.—A battle is in progress at Jimenez tonight between the commands of General Tracy Aubert and "Pancho" Villa and the insurgents of Orozco, according to information received at the Department of the Interior. Villa who fled with Ex-Minister Abraham Gonzalez, of the Interior Department, to Ciudad Guerrero, west of Chihuahua with a few loyal men when Orozco entered the state capital, is said to have recruited some men with whom he proceeded overland to join the advance of the Federals.

Schoenrr Declares Against Single Tax

Gustav Schoenrr, of Willamette, who is a candidate for the Republican nomination for Representative, Thursday gave out the following declaration of principles.

"An opposed to creation of new boards and commissions and favor the repeal of many of them; opposed to Single Tax. Favor good roads in to all parts of Clackamas County; favor the repeal of Fish and Game Commission, for the repeal of law creating county school supervisors; am opposed to large appropriations for the benefit of a few officers; want a dollar's worth of service to the state for every dollar expended; a square deal to everyone, and strict economy in every department of state; Favor Statement No. 1 and Direct Primary Law."

Mr. Schoenrr is president of the Oregon City Verein and vice-president of the German societies of Oregon.

LABOR PROPOSAL IS SPURNED BY ASQUITH

LONDON, March 22.—Saying an amendment offered by the labor party to the minimum wage bill, fixing the minimum daily wage for adults and minors in the coal mines, would "establish a dangerous precedent followed by a demand from other trades for similar action," Premier Asquith today explained to the house of commons why he felt forced to reject the amendment. The miners, Asquith said, are opposed to fixing a minimum wage for six days' labor. The laborite amendment called for a minimum wage of five shillings daily for adults and two shillings for minors.

Andrew Bonar Law sprang a surprise on the Liberals today by commending the action of the premier in the matter. He spoke conciliatorily in the house of commons, indicating that the conservative party will not join in a combination with the Nationalists and the laborites to defeat the government.

SHARPSHOOTERS ON TRAIL OF BANDITS

HILLSVILLE, Va., March 26.—A squad of sharpshooting detectives will strike a blow at dawn to capture Sidna Albee Friel Allen and Wesley Edwards, indicted for the murders in the Carroll County Court House. Detective Thomas L. Felts returned here today to direct the sortie. Without hope of arresting Claude Swanson Allen, who he believes has escaped from the mountains, Felts is confident that the three other outlaws will be ensnared within the next 48 hours. While the detectives delved into the thicket today, the rehabilitated court of Carroll County resumed its sitting in the same room where scores of bullet holes dot the walls and dark blotches of blood stain the floors, mute reminders of the tragedy of March 14.

STEPHENSON RETAINS SEAT IN SENATE

WASHINGTON, March 27.—Senator Stephenson, of Wisconsin, octogenarian, millionaire banker and lumberman, retains his seat. By a vote of 40 to 24, the Senate today declared his election valid and rejected the charge that \$17,752, which the Senator admitted spending in the Wisconsin primaries, had been used corruptly. Twenty-eight Republicans and 12 Democrats held Senator Stephenson's election valid; 18 Democrats and 16 Republicans voted to declare it corruptly obtained.

TWO MEN ARE SLAIN IN BATTLE IN CHURCH

OAKLAND, Cal., March 27.—Adolph Goldman, recently released from San Quentin Penitentiary, is dead, and a former Mayor of Oakland, Roland W. Snow, is thought dying, as the result of a duel that was fought tonight in the assembly rooms of the First Congregational church. Only the sexton, Charles F. Lewis, and Mrs. F. Cassidy, were witnesses. The duel was the outcome of an emnity dating back to the time when Snow was elected Mayor, in 1899.

CLACKAMAS SOUTHERN ISSUES STATEMENT

The directors of the Clackamas Southern Railroad Tuesday issued the following statement to the stockholders: In March 1911 the undersigned were elected directors of the Clackamas Southern Railway Company for the purpose of building a line of railroad from Oregon City to Molalla, and cheerfully accepted the work assigned us, and during the early part of the year 1911 devoted a large part of our time to holding meetings along the proposed route, and with the assistance of a large number of the enterprising citizens of Clackamas county, who would be effected by the completion of the line of railway, the Company obtained about Eighty Thousand Dollars par value in subscriptions, consisting of money, labor and material to be used in the construction of the bridge.

During the year 1911 there was completed 10.62 miles of the grade between Oregon City and Molalla. When the autumn rains set in the directors concluded that they would not be able to obtain the best results by working through the wet season of the year and therefore suspended all work of grading and only retained in the Company's employ a few men to look after the fills and ditches during the wet season, and the engineer and a few helpers, who devoted their time during the winter in the completion of certain engineering features, and in tying in the established line to the adjoining property.

The stockholders of the Railway Company met in the latter part of 1911 and authorized the issuance of bonds to complete the building of the road, and while a large amount of the bonds were subscribed for, some of them were delivered as the directors were fearful of having interest charges to meet semi-annually, which might embarrass the Company in meeting those obligations, and as a result the directors concluded that it would be better subscribed by selling additional stock and applying the proceeds to the completion of the line of railway from Oregon City to the Molalla Valley and thereby avoid any possibility of being embarrassed in meeting interest payments upon the bonds.

We succeeded in interesting one, Stephen Carver, who built the Corvallis and Astoria Railway and also the Ontario and Vale Railway and after he carefully examined the territory through which the line of the Clackamas Southern Railway was being constructed, informed the board of

directors that he considered the proposition feasible and the territory far superior to any in the Willamette Valley for the construction of a line of railway, on account of rich contiguous agricultural lands and valuable timber belts tributary to the line.

Mr. Carver informed the board of directors that with the unused subscriptions now held by the Company and an additional Ninety Thousand Dollars, the road could be completed and ready for operation from Oregon City to the Molalla Valley, and he then subscribed to the capital stock in the sum of Forty-five thousand dollars, on condition that the Company raise an additional Forty-five thousand dollars, which would be a sufficient sum to complete the line from Oregon City to the Molalla Valley ready for operation.

The undersigned board of directors respectfully request every citizen interested in the development of Clackamas County to assist in raising the required amount of money for the purpose of completing the enterprise which will advance the interests of the interior farmer as well as the interests of the citizens of Oregon City.

In order to complete the work above mentioned the capital stock which is offered for sale will be delivered upon the payment of \$50.00 per share until the full amount of the forty-five thousand dollars has been subscribed. We feel that by pursuing that course the interests of all of the stockholders will be fully protected as the Company will not be compelled to meet semi-annual interest charges on bonds.
