DIFFICULTIES.

To conquer difficulties is to increase our pleasures. When advancing toward any proposed object or when we see with satisfaction the completion of some favorite scheme the mind feels tranquil and contented and looks forward with pleasure to the coming day.

There's the Rub.

"Why is it that you are so strongly opposed to extending to women the right to vote?"

"My wife has become a suffragette."

"Well, what of it? Do you find that she neglects the children or that she isn't paying enough attention to the business of running the house?"

"Not it's not that. She's become so blamed well informed on public matters that I have to keep busy reading all the time in order to prevent her from finding out my ignorance concerning such things."—Judge.

Fungus Slippers.

Before the discovery of lucifer matches a large hoof shaped fungus growing on the trunks of trees was used throughout northern Europe for making amadou or tinder. The thick, brown, woody flesh of the same fungus, cut into slices and beaten until it assumes the appearance of felt, is used at the present day in some parts of Germany for the manufacture of chest protectors, caps, purses, bed-room slippers and various other articles.

The Cause of Earthquakes.

When there is an earthquake the Tibetans know just how it happened. There are evil spirits. "Some of them are gigantic brutes a mile in height, with tiny mouths which prevent them swallowing even the smallest crumb of any kind of food. Naturally they suffer from hunger, and in their agonized writhings they are the immediate cause of earthquakes."

Dandruff and Itching Scalp Yield to Zemo Treatment.

Why should you continue to experiment with salves, greasy lotions and fancy hair dressings trying to rid your scalp of germ life. They can't do it because they cannot penetrate to the seat of the trouble and draw the germ life to the surface of the scalp and destroy it.

Why not try a PROVEN REMEDY?

One that will do this. We have a remedy that will rid the scalp of germ life, and in this way will cure DANDRUFF and ITCHING SCALP.

This remedy is ZEMO, a clean, refined, penetrating scalp tonic that goes right to the seat of the trouble and drives the germ life to the surface and destroys it.

A shampoo with ZEMO (ANTISEPTIC) SOAP and one application of ZEMO will entirely rid the scalp of dandruff and scurf. Do not hesitate but get a bottle of ZEMO today. It acts on a new principle and will do exactly what we claim for it.

The First Thimble.

There is a tradition that a Dutch silversmith pondered over a certain notion which he had cherished long and silently in the slow working senses which he deemed his brain—a notion for a trinket, a fallal, for a dignified lady of Holland. It must be a useful trinket, albeit a costly one, meet for so good a sempstress as Dame Alice Van Renselaer. When the notion took definite shape, the thing was quickly wrought in precious metal by fingers as deft as the brain was slow, and the industrious housewife proudly wore not only her first thimble, but the first thimble possessed by any Dutch frau—Century.

A Hindu Proverb.

Help thy brother's last aross, and, to thine own has reached the shore!—Hindu Proverb.

Cookery and Government.

Rossini, the Italian composer, said a droll thing on the unification of Italy when some one asked his opinion on this matter. He replied that he thought it very difficult if not impossible to effect the unity for the simple reason that the Neapolitans eat nothing but macaroni, the Florentines nothing but faguoli and the Lombards only polenta, while the Piedmontese swallow all they can get. "It is clear," he said, "that uniformity of cookery must precede unity of government."

Tea In Java.

In Java tea is served in broad flat cups and flavored with Batavia arrack, and in Formosa it is steeped with tea flowers and one or two orange flowers. The result is a perfume and a flavor of the most intense kind.

TELLS ON THE KIDNEYS.

Oregon City People Have Found This To Be True.

The strain of overwork tells on the weakened kidneys more quickly than on any other organ of the body. The hurry and worry of business men, the heavy lifting and stooping of workmen, the women's household cares, tend to wear, weaken and injure the kidneys until they can no longer filter the poison from the blood and the whole body suffers from the waste matter that accumulates. The weakened kidneys need quick assistance. Doan's Kidney Pills are prepared especially for sick, weakened kidneys; tired, worn-out backs—have cured thousands of such cases. Convincing proof in an Oregon City citizen's statement.

Frank H. Busch, Jr., Main St., Oregon City, Ore., says: "I suffered from acute attacks of kidney and bladder trouble for some time and got no relief until I tried Doan's Kidney Pills. The contents of two boxes disposed of my complaint and I have had no return attack. I consider Doan's Kidney Pills an excellent preparation."
