

MAN AND THE SOIL.

Dr. R. V. Pierce of Buffalo, author of the Common Sense Medical Adviser, says "why does not the farmer treat his own body as he treats the land he cultivates. He puts back in phosphate what he takes out of crops, or the land would grow poor. The farmer should put back into his body the vital elements exhausted by labor, or by ill-health induced by some chronic disease." Further, he says, "the great value of my Doctor Pierce's Golden Medical Discovery is in its vitalizing power. It gives strength to the stomach and purity to the blood. It is like the phosphates which supply nature with the substances that build up the crops. The far-reaching action of Doctor Pierce's Golden Medical Discovery is due to its effect on the stomach and organs of digestion and nutrition. Diseases that begin in the stomach are cured through the stomach. A bilious spell is simply the result of an effort made by the liver to catch up when over-worked and exhausted. I have found the 'Discovery' to be unsurpassed as a liver regulator and rich blood-maker."

Miss Lovette Kinsley of Perth, Kansas, says: "I will here add my testimony of the effectiveness of your remedy upon myself. I was troubled with indigestion for two years or more. Doctored with three different doctors besides taking numerous kinds of so-called stomach cures, but received no permanent relief. I was run down, could not sleep at night with the pain in my chest, caused by gas on the stomach. Was weak, could eat scarcely anything although I was hungry nearly all the time. About one year and a half ago I began taking your 'Golden Medical Discovery,' and after having taken several bottles, I am nearly cured of stomach trouble. Can now eat without distress and have gained fifteen pounds in weight. I thank you for your remedy and wish you all success in your good work."

TELLS ON THE KIDNEYS.

Oregon City People Have Found This To Be True. The strain of overwork tells on the weakened kidneys more quickly than on any other organ of the body. The hurry and worry of business men, the heavy lifting and stooping of workmen, the women's household cares, tend to wear, weaken and injure the kidneys until they can no longer filter the poison from the blood and the whole body suffers from the waste matter that accumulates. The weakened kidneys need quick assistance. Doan's Kidney Pills are prepared especially for sick, weakened kidneys; have cured thousands of such cases. Convincing proof in an Oregon City citizen's statement. Frank H. Busch, Jr., Main St., Oregon City, Ore., says: "I suffered from acute attacks of kidney and bladder trouble for some time and got no relief until I tried Doan's Kidney Pills. The contents of two boxes disposed of my complaint and I have had no return attack. I consider Doan's Kidney Pills an excellent preparation." For sale by all dealers. Price 50 cents.
