COURT ASKED TO FREE LIQUOR DEALERS

Judge Campbell Monday took under advisement a motion to dismiss the indictment against Yanke & Meister, of Estacada, for selling liquor. It was announced that the court had been ordered but no record of it could be found.

Soon after the indictment against Yanke & Meiser, saloon keepers of Estacada, had been dismissed by Judge Campbell Tuesday another indictment making the same charge against the men was returned by the grand jury. An order calling an election at that time is in the records. The grand jury returned indictments against Alex. Nomit, charged with stealing a horse from F. H. The directors of the Milwaukie school district, in response to sentiment of the taxpayers, will have plans prepared for a fire-proof eight-room high school building in the place of a frame structure as at first proposed. FIFTEEN KILLED BY TORNADO IN ALABAMA

BIRMINGHAM, Ala., April 22.—A tornado passed over Adamsville, Hincey City, Jughtown, Brookside and several mining towns today. Incomplete returns say 12 to 15 persons were killed and several were hurt. Twenty houses were destroyed at Brookside.

Mrs. David Jay, who with several friends, was returning from Kankakee, Ill., Sunday night to her home eight miles away, was killed by the tornado, and others of the party were seriously injured. They had taken refuge in a deserted house. The wind tore off the roof and threw down some of the walls. Mrs. Jay was instantly killed by a heavy timber. A tornado Sunday afternoon destroyed a house and six barns at Piper City, Ill., and approaching Chatsworth struck the cemetery, wrecking many monuments. Trolley lines through the storm-swept district suffered heavy damage on account of the destruction of the poles. The loss of life in the towns which are in communication with the outside world, follows: Bush, Ill., 13 dead, 40 injured. Willisville, Ill., 5 dead, 40 injured. Champus, Ill., 3 dead, 6 injured. Morocco, Ill., 9 dead, 12 injured. Telegraph and telephone wires between practically every point touched by the storm and Chicago are reported down and communication cut off. Illinois Central Railroad officials reported that so far as they have been able to ascertain none of the company's property has been damaged, and there has been no delay to traffic.
