MISSING FARMER DROWNED HIMSELF

BODY OF GUY IRVINE IS FOUND IN RIVER NEAR OAK GROVE

Spikes and stones in pockets

Suicide Left Letter Announcing That He Was Bleeding To Death Internally As Result Of Accident

The body of Guy Irvine, a farmer, who lived near Oak Grove, which was found in the Willamette River near the man's home Thursday evening was buried in this city Friday.

Irvine disappeared June 13, leaving a letter in which he intimated he would end his life. Friends looked for him vainly for several days, and it was finally decided that he had either carried his threat or left the county.

"Do not look for me. You will not find me. I am bleeding to death on the inside on account of an accident. I do not care to live longer. Am not trying to prevent the bleeding. By the time this is read I will be far from here and out of human sight."

The body was found by Dr. W. F. Feilbig and C. A. Chambers, and Coroner Wilson was summoned. It was badly decomposed and in the pockets of the clothing were spikes and rocks

WEAKER FEELING SHOWN IN SPUDS

There is a weaker feeling all through the local potato market and prices are lower. Both old and new growth are showing the weakness, but in the old crop pressure is greatest.

Sales of good old potatoes are now being made in limited lots generally around \$1 @ 1.10 per cental, but some poor to ordinary offerings are going down to 85c.

Continued offering of old potatoes is show in trade and there is a noticeable decrease in the demand daily. At the present time the call is so limited that buyers are not inclined to purchase at any price from country interests.

At this time there is more than a sufficient amount of stock to fill all the wants of the trade.

Even the best California new stock is not being quoted above 20 a pound today. This is for southern California stuff being made down to 1 and one-half cents in many instances.

Local new potatoes are coming forward in larger supply and there is quite a noticeable increase in the quality. Sizes are better and in most instances are equal, if not better, than that received from the Sacramento section.

Prevailing Oregon City prices are as follows: DRIED FRUITS—(Buying)—Prunes 8c basis of 5 to 8 cents. Fruits, Vegetables. HIDES—(Buying)—Green hides, 7c
