OLD PARTIES ARE CORRUPT, SAYS T. R.

BOSS SYSTEM SCORED BY ROOSEVELT IN AN ADDRESS AT SMITH TABERNACLE

SPEAKER INTERRUPTED BY WOMAN

Bull Moose Candidate for President Given Welcome in Portland—Judge McGinn Introduces Him

PORTLAND, Sept. 11.—Arraigning both of the old parties as corrupt and boss-ridden, Theodore Roosevelt, nominee of the Progressive party for president, in an address before an audience estimated at 9000 people, one third of whom were women, at the Gipsy Smith Auditorium this afternoon, commended the new party as the only hope of the people for solving the social and economic problems of the day...

Roosevelt introduced his address with an invitation to the voters, regarding past political affiliations, to unite with the Progressive party, which he said embraced the Democracy of Jackson and the Republicanism of Lincoln.

"Nominally we are fighting two parties, but in reality, there is only one," he said. "We are fighting the same representatives of the same interests in both of the old parties. It will be the purpose of the Progressive party to dispense with the bosses. We will not go away with the bosses but we will destroy the conditions which have made bossism practicable."

Disclaiming any selfish interest in assuming the leadership of the new party, Roosevelt repeatedly during his address reminded his auditors that the pending contest was their fight. He denied emphatically that the Progressive party movement was a one-man issue and declared that if it was he would not be identified with it.

MOOSE PLANS HARD FIGHT IN MAINE

T. R. MEN, WHO HELPED REPUBLICANS WIN STATE, TO ORGANIZE

W. T. HAINES' PLURALITY IS 3,032

Democrats Lose Congressmen and Republicans Will Elect Senator—Agreement Is Kept

PORTLAND, Me., Sept. 10.—Maine emerged from the state election yesterday, in which Republicans were victorious, to find herself facing another political contest with five parties instead of four in the race for six Presidential electoral votes.

The Roosevelt Progressive Party whose leaders joined with the Republicans in yesterday's election, came into being today after the announcement of the election of William T. Haines for Governor, three out of four Republican Representatives in Congress and a Republican majority in the legislature, which will choose a United States Senator.

Revised returns today for Governor, with only five small plantations missing, give: Haines (Rep.) 57,880; Plaisted (Dem.) 67,848; Haines' plurality, 8668.

Complete unofficial legislative returns show there will be 23 Republicans to eight Democrats in the Senate and 79 Republicans and 72 Democrats in the House, giving the Republicans 102 in joint ballot and the Democrats 89.

Interest today centered in the action of Roosevelt Progressive leaders. The Republicans and Democrats have already nominated their Presidential electors. The Roosevelt Progressives Prohibitionists and Socialists will make their nominations of electors by petition. These papers began to be circulated today.

Halbert P. Gardner, announcing the position of the Roosevelt Progressives today said:

"The Roosevelt Progressive Party as a party does not take credit for the result of yesterday's election, all credit should be given to the Republican Party who won the fight for Haines. It did this to carry out the agreement with the Republican leaders."

COLONEL GIVEN GREAT OVATION IN SPOKANE

SPOKANE, Sept. 9.—When Colonel Roosevelt climbed on board his private car tonight to wend his way westward once more, on the last stage of his journey from the Atlantic to the Pacific, he turned to look back at the city from the vantage point of the observation platform and remarked: "Well by George, Spokane has given me what I might call a middling lively day."

The colonel was permitted to have eight hours sleep after he reached Spokane last night, and that was all the time he had to himself. He made four speeches, attended a breakfast, luncheon and dinner, talked politics, with the Progressive leaders and headed a parade through the city. He is due in Seattle in the morning to spend the day there and in Tacoma.

COLONEL SCORES POLITICAL FOES

VOTERS DIVIDED INTO TWO CLASSES BY HIM IN DAKOTA SPEECH

LA FOLLETTE MEN HEAR ROOSEVELT

"If a Person is Not With Us He is Against Us", Bull Moose Leader Says—Half Dozen Talks Made

JAMESTOWN, N. D., Sept. 6.—The voters of the county were divided into two classes by Colonel Roosevelt in his speeches today. They were those with and those against the Roosevelt Progressive party.

"The man against it, however sincerely he may think he is 'progressive,' he said, 'is the ally of Wall Street; the ally of privilege; the ally of bossism.'"

Coming into North Dakota, which Senator La Follette carried in the primaries preceding the Republican National convention, Colonel Roosevelt made a particular effort to win over supporters of "progressive" principles from the Republican and Democratic candidates.

The colonel was whirled across North Dakota by a special train to keep pace with a relentless schedule. He made a half dozen speeches and tonight was on his way to Montana.

In Fargo, Colonel Roosevelt spoke first to a large audience at Island Park. His audience was composed largely of farmers. The Roosevelt Progressive state convention was in session in Fargo, but when Colonel Roosevelt arrived the delegates went to the park, although he had agreed to address the convention later.

"I particularly call the attention of North Dakota," said he in his speech at Island Park. "To certain similarities between the situation and that in 1864. At that time several Republican leaders of the day, including Fremont, the first Republican candidate for the Presidency, and Wendell Phillips, a leader in the anti-slavery cause, were so discredited with Lincoln and certain actions of the mass of their fellow progressives that they actually proposed to run a third ticket against Lincoln, and when this effort failed many of them stood sullenly aloof and either supported no one or went against Lincoln."

"Now, the same kind of a thing is being done by these men today, who claim to be progressives and yet fail to support the Progressive ticket. If a man is not with us, he is against us, and if he is against us, he is siding with the reactionaries."

BUGS' RAYMOND VICTIM OF ATTACK

CHICAGO, Sept. 9.—City detectives and attaches of the coroner's office today reported that a post-mortem examination showed that Arthur L. Raymond, ex-pitcher for the New York National League baseball team, died Saturday, as the result of a fractured skull and not from heart disease, as was first supposed.

"Bugs" Raymond died as the result of an attack, and his assailant was under arrest by night," declared a detective. "Raymond was given a terrific beating at the Edison, Ill., baseball grounds a short time before his death, and his skull was fractured then."

It was announced Saturday that Raymond had died of heart disease, aggravated by excessive heat. His body was found in a room of a downtown hotel by a maid.

"BUGS" RAYMOND, DIAMOND STAR, DEAD

CHICAGO, Sept. 7.—Arthur, better known in baseball as "Bugs" Raymond was found dead at noon today in a downtown hotel at noon today. A coroner's physician said, Raymond's death was due to heart disease, which had been aggravated by the excessive heat.

Raymond had been at the hotel since Tuesday. Yesterday afternoon about 3 o'clock he went to his room. As he did so he complained of the hot weather.

"I'm about all in with this heat," he said to the manager of the hotel. He was not seen about the hotel last night and today a maid discovered Raymond's body.

REPUBLICANS WIN MAINE BY 4000

HAINES LEADS FOR GOVERNOR WITH CONGRESSIONAL RACES CLOSE

Several Leading Speakers Declare They Will Stump For Roosevelt—Local Issues Rule in Race

PORTLAND, Me., Sept 9.—The struggle between the Democrats and Republicans in Maine today for control of the executive and legislative departments of the state government the four congressional districts and county officers was one of the closest in years, with returns up to 11 o'clock in favor of the Republicans.

With five-sixths of the state on record, William T. Haines, Republican, had a good lead over Governor Frederick W. Plaisted, and the percentage system indicated that if the ratio were maintained the Republicans would win the fight for the head of the ticket by about 4,000.

Returns from the four Congressional districts also leaned toward the Republicans, especially in the first and fourth districts with the second showing a Democratic tendency.

Returns for Governor from 550 out of 634 election districts give Haines (Rep.), 66,121; Plaisted (Dem.), 62,127. The corresponding vote in 1910 was: Haines (Rep.), 60,658; Plaisted (Dem.), 67,501. The returns show a Republican gain of 9 per cent and a Democratic loss of 8 per cent.

The cowboys met secretly last night and organized themselves into a military body. It was declared that the invasion of Sonora would be an accomplished fact within two or three days.

Millions of dollars' worth of American property in Sonora is said to be in imminent peril of confiscation or destruction.

SUBMARINE DIVING RECORD IS MADE

SAN FRANCISCO, Sept. 6.—The United States Navy submarine F-1 established a world's record for depth yesterday, diving 283 feet below off Point Diablo in San Francisco Bay. The submarine remained at this depth for 10 minutes, cruising at a speed of six knots, finally rising to within 19 feet of the surface with the ease of a sporting porpoise.

The F-1, under command of Lieutenant James V. Howell, left its berth at the Union Iron Works yesterday and cruised for six hours, going out through the Golden Gate and circling a pilot-boat eight miles out. It was on the return trip, while passing through the deep water into which the steamer Rio de Janeiro dived several years ago, that the F-1 took its long slant into the depths, the crew of 28 comported doing their duties or eating their midday meal while the hull creaked and groaned beneath the enormous pressure.
