

Nature's Way Is The Best.

Buried deep in our American forest we find bloodroot, queen's root, manna root and stone root, golden seal, Oregon grape root and cherry bark. Of these Dr. R. V. Pierce made a pure glyceric extract which has been favorably known for over forty years. He called it "Golden Medical Discovery."

J. G. Kent, Esq.

"More than a week ago I was suffering with an awful cold in my head, throat, breast, and legs," writes Mr. JAMES G. KENT, of 710 L. Street, S. E., Washington, D. C. "Some called it La Grippe, some pneumonia. I was advised to try a bottle of your 'Golden Medical Discovery.' I tried a bottle and it did me so much good that I feel free in saying it is the greatest and best medicine that I ever took. My health is much better than it was before using your medicine. It does all you claim for it and is satisfactory."
