Jones, and in fact all the members of the club received appropriate presents. One man received a bottle of

It would be unfair to close this story without expatiating upon the excellence of the work done by Mr. McBain, who escorted the men who received presents to the place which was the cynosure of ayy eyes, and Mr. Hedges, who was the greatest Santa Claus Oregon City has ever known. Each of them knew just what to do and did it at the psychlogical moment. Mr. Latourette, when pre-sented the ring by Mr. McBain, er been heard in the Commercial Club

mercial Club, who was presented SALEM, Or., Dec. 21 .- Laying the foundation for one of the greatest pure water supply plans ever attemptclough were then called forth as "the ed on the Pacific coast, the State gladiators of the Commercial Club." Board of Health at its annual meeting They did, and if all the metal in Onle here today adopted a report from En-Mountain mine is the color of that gineer Kelsey, which covers a pure

better checker player than he was a by the State Board of Health many months ago and it was placed in the E. C. Dye, representing his father, hands of Mr. Kelsey to work out the home. It was a banch of lemons sent details. The report has been finished him by "Mrs. Kate L. Newton," Mrs. and 1000 copies of it will be printed. Newton was recently a candidate for Clear Lake, 100 miles from Salem, mayor, Colonel Dye having circulated on a bee line, the source of the Willamette River and a lake with an in-

Dr. Clyde Mount, Dr. L. A. Morris, Eber A. Chapman and Ray O. Young water, was selected as the source of ments. They appreciated them so supply for the immense system that much that they immediately organ- is contemplated.

The scheme, in a nutshell, is to place the state behind the project. The cost of realizing the dream of the members of the State Board of Health is estimated at approximately \$4,000,000. Co-operation, both financially and otherwise, would de manded of all the cities and towns that come under the project, including all of them in the Willamette Valley down to Portland.

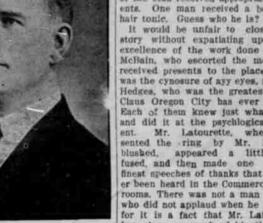

Part of the scheme would be the furnishing of a source of supply to the State Capicon and all of the state institutions.

#### Man Coughs and Breaks Rib

After a frightful coughing spell a man in Neenah, Wis., felt terriule blushed, appeared a little con-fused, and then made one of the finest speeches of thanks that has ev-ony Dr. King's New Discovery would ony Dr. King's New Discovery would rooms. There was not a man present have saved him. A few teaspoonsful who did not applaud when he finished ends a late cough, while persistent 

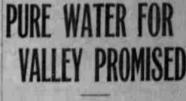

any man connected with it. After the awarding of presents there were musical selections, vaudeville stants and boxing contests. Nobody was hurt. The buffet luncheon and the stuff furnished to wash it down were good. anumanity, writes art, the avoid columbia, Mo., "for I believe I would have consumption today, if I had not teed to satisfy, and you can get a free trial bettle or 50-cent art.
