After much discussion Councilman Tooze made a motion that \$500 be appropriated to carry on the investigation at Mount Pleasant. This was later channed to \$1,000, A weff will be drilled to a depth of 250 feet. Councilman Albright stat-

ed that he believed the council should not appropriate any more money un til there was a special election and the people given a chance to express their views. His opinion was shared by Councilman Holman.

A communication was read from the committee of the Live Wires on the public dock, to which was atthched a petition signed by the majority of the business men from all parts of

the city. This matter was discussed by a number of the citizens present. among whom were B. T. McBain and C. Schuebel, who spoke in favor of the dock. The attitude of John Cooke and V. Harris was unfavorable toward the city owning and operating the dock, Mr. Albright stated that he from would not vote for any proposition that has been voted down by the people. It was urged that the dock

would not only provide cheaper freight rates, but would provide a place where the farmers might load their products direct into cars which would be switched onto the dock. Upon motion the mayor appointed the following committee to investi-Take prunes-tell her of the dainty gate the proposition: F. J. Tooze, R.
