Hon. St. N. Lansing, of Remasslact, N. Y., Six Times a Member of the Assembly, Tells of Narrow Escape.

Three doctors told me I would never do another day's work-

shoctor and asked him to examine me. He said I was better than he ever expected to see me and asked it I was taking his medicine. When I told him I was not, but was taking Dr. Miles' Heart Remedy, he said. Thank the Lord for Dr. Miles' Heart Remedy. 1 continued to take it, and while realized my heart was damaged so realized my heart was damaged so I could not expect a permanent cure, for fifteen years I worked every day, not-withstanding I had been told I would never work again. In July, 1811, I was taken with theumatism again, and it went to my heart as before. I got so had that one of the Albany papers wrote up my life and said I could not libe but a few hours. I again took wrete up my life and said I could not live but a few hours. I again took Dr. Miles' Heart Remesly with very satisfactory results, and have not missed a day at business or in the legislature since January. I feel that Dr. Miles' Heart Remesly has saved my life and cannot recommend it too highly." Dr. Miles' Heart Remedy is sold and
