GLADSTONE FOLK HAVE FINE TIME

ANNUAL REUNION DRAWS 2000 PEOPLE TO ONE OF PRETTIEST SPOTS WEST SIDE WINS BIG BALL GAME Lively Program of Sports Provides Fun for All and Valuable Prizes for Winners Reception in Evening A success from start to finish in the way Gladstone people regard their annual reunion which was held at Gladstone park on the Fourth, and which partook of the nature of a general picnic and celebration of the day. Over 2,000 people attended and had the time of their lives, and jovial good fellowship reigned supreme. The park was turned over to Gladstone people for the day by H. E. Cross, and his generosity in the matter made it possible for the gathering to be held in one of the most beautiful spots in the county. While there were many sports and stunts pulled off for the entertainment of the merry-makers, the big event of the day was a baseball game between teams representing east and west sides of the city. The victory went to the west side team, and they thus captured a valuable silver cup and a handsome banner, which is now proudly displayed in the post office window, the post office being on the west side. The other events of the day, which were eagerly watched by those on hand, and which were fought for desperately, resulted as follows. In each case prizes well worth having were given the winner and second best: Bicycle race (open)—Leonard Williams first, Hugh Olds second. Bicycle race (under 16)—Jay Myers first, Ed Edwards second. Girls' relay—Lottie Loreson, Hazel Miller, Maude Mitchell and Gertrude Timmons first; Amy Tate, Gerie Edwards, Fayne Burdon and Gladys Blount second. 100-yard dash—Sam Arnold first, Hugh Burdon second. Sack race—William Healy winner. Fat man's race—Lyle Gault winner. 100-yard dash—Sam Arnold first, John Mulkey second. 50-yard dash, girls—Charlotte Loreson first, Hazel Miller second. 50-yard dash, women—Georgie Cross first, Hazel Mielke second. 220-yard dash—Sam Arnold first, Tom Burns second. WOMAN FINALLY RECOVERS FROM NERVOUS BREAKDOWN

Impoverished nerves destroy many people before their time. Often before a sufferer realizes what the trouble is, he is on the verge of a complete nervous breakdown. It is of the utmost importance to keep your nervous system in good condition, as the nerves are the source of all bodily power. Mrs. Anna Kounz, 211 Mechanic St., Pueblo, Colo., says: "For many years I suffered from nervous prostration; I was unable to do any house work and doctors failed to help me. Remedies I tried from druggists did not do me a particle of good. A neighbor told my husband about Dr. Miles' Nervine and he procured a bottle. After the first few doses I showed a marked improvement and after taking two bottles I was entirely cured. I have been perfectly well for years and cannot praise Dr. Miles' Nervine too highly." If you are troubled with loss of appetite, poor digestion, weakness, inability to sleep; if you are in a general run-down condition and unable to bear your part of the daily grind of life, you need something to strengthen your nerves. You may not realize what is the matter with you, but that is no reason why you should delay treatment. Dr. Miles' Nervine has proven its value in nervous disorders for thirty years, and merits a trial, no matter how many other remedies have failed to help you. Sold by all druggists. If first bottle fails to benefit your money is returned. MILES MEDICAL CO., Elkhart, Ind.

SANDY BANISHES I. W. W. AGITATORS

Citizens of Sandy celebrated the Fourth of July by driving out from their community some three or four I. W. W. agitators who have been responsible for considerable disorder during the past week or so. The men, who were working for a telephone company, first got into the limelight last Tuesday, when they hoisted the red banner of sabotage on a flagpole in the park. Citizens shot the flag down, dragged it in the mud and burned it while the Sandy hand played The Star Spangled Banner. Wednesday the I. W. W. men threatened to put up another flag. Nothing further happened till the end and were told that if they did they would be harshly dealt with. Citizens then gathered in a body, and following a color-bearer who carried the Stars and Stripes, they corralled the four I. W. Ws., marched them to the city limits, and ordered them to keep going straight ahead. The temper of the Sandy folk did not seem any too good, and as a number of them carried revolvers that were but partly concealed, the agitators did not fail to heed advice, and marched away. As they passed out of sight the citizens gave three cheers and a tiger, and marched back to the center of town again. Absence of the I. W. Ws. left no discordant note for the Fourth of July celebration and the program was carried out with great enthusiasm and without a hitch. The chief address of the day was delivered by City Attorney William Stone, of Oregon City.

MUNICIPAL DAIRY IS GLADSTONE IDEA

Chief of Police Miller, of Gladstone, is thinking of starting a municipal creamery, and supplying citizens of the city with fresh cream, milk and butter—the latter if the council will buy him a churn. Since his induction into office Chief Miller has studied the ordinances of his home city, and has discovered that it is against the law to permit stock to run at large. Many citizens of Gladstone developed a carelessness in regard to tethering them, with the result that these creatures at night, every since T. H. Hayhurst, manager of the Home farms, put him next to the stunts by corralling ten bovines in one night. The early morning duty of Chief Miller these days is to go down to the city pound with a nice new milk pail and gather the lactical fluid from the strays taken in the night before. The chief modestly refuses to say how many quarts he has to dispose of in the city charge give, but from his desire to open a municipal creamery it is believed the yield is considerable. And the best part of it is that the city gets 50 cents per day for pound charges while the chief gets the milk. Chief Miller wants it understood that he only milks the cows out of kindness and for their own comfort.

UNLUCKY DAY FOR ENTERPRISE FOLK

Two men connected with The Enterprise plant came to grief yesterday through minor accidents, one in Oregon City and the other in Seattle. Joseph Miller, an employee in the Miller-Parker garage in the morning and was thrown heavily, his wrist being captured by the door of an automobile at the door of the leg fractured. Miller was waiting at the garage for some gasoline when William Sheehan's car, driven by William McFarland, swung in and struck him. The other accident occurred in Seattle, where Louis Fischer, formerly a pressman on The Enterprise, caught his arm in a press in one of the shops in Seattle, and had it so mangled that it had to be amputated at the hospital.

CANEMAH PARK PICNIC MERRY

WILLAMETTE MILL EMPLOYEES SPEND FOURTH IN FESTIVITY AND HAPPINESS BALL GAMES ARE HOTLY CONTESTED Plenty to Eat, With Goodies for Youngsters and Dancing For Grown-ups, Makes Day One Big Success Probably one of the most enjoyable celebrations ever held in the surrounding country was pulled off Friday at Canemah park, when the Willamette Pulp & Paper company gave its employees their annual picnic. During the day over three thousand people attended and were served with a barbecue, ice cream and soda water, which were all furnished free by the company. Two baseball games and various other sports were indulged in, the most noteworthy of these being the ball game in the morning, between the Fata and the Leans, the batteries being Raleigh Griffith and B. T. McRain for the Fata, and J. Mowbray and L. Bernier for the Leans. The score was 11 to 3 in favor of the Leans. In the afternoon the construction crew and all mill employees crossed bats in a snappy game. The batteries being Ed Lavier and J. Sutterhoff for the construction crew and Henry Endres and O. Smith for the employees. The score in this game was 12 to 5, the crew winning.

JACK FROST PLANS BIG EASTERN TRIP

Constable Jack Frost, who presides over the force in Justice Slevers' court, is going to take a real vacation this year, and will journey back to Ohio to visit the scenes in which he spent his boyhood, and which he has not viewed for 30 years. About the middle of the month Mr. Frost will cease the pursuit of the desperate criminal, will surrender the keys of the county jail to Sheriff Mass, and will depart for Athens, O. After a visit there he will swing back to Kansas, where he lived when a young man, and will visit with friends and relatives there. On his way east and back to Oregon again, Mr. Frost intends to see as much of the county as possible. He will travel to Ohio by way of the Yellowstone Park route, and on his return will come out through Colorado stopping in Denver, and then continuing on through the scenic wonderland of the Rockies, striking north to Salt Lake City. After a slight sojourn there, he will continue his way back to Oregon City over the Oregon Short Line. In all he expects to be gone for about a month.

FINE GOOSEBERRIES GIVEN FOR DISPLAY

Some particularly fine seedling gooseberries, grown by William F. Mueller, of Carus, have been given to the publicity department of the Commercial club for display, and have been bottled by Secretary Freytag. The berries are of exceptional size, and have skins a very fine texture. Mr. Mueller, who is known as "the Burbank of Clackamas county," will shortly bring to the club some seedling apples which he has developed on his ranch. He also will harvest this year his first crop of 200 varieties of seedling potatoes, that he has produced by cross fertilization. His ranch is a huge experimental farm and upon it Mr. Mueller has grown many exceptional products, a large number of which have proved to be extremely valuable.

VALUABLE PRIZES FOR FAIR DISPLAYS

At a meeting of the executive board of the county fair board it has been decided this year practically double the value of the premiums that will be offered this year. This is aside from the prizes totaling \$100 for displays under the heading of grange and community exhibits. In addition to the premiums that will be offered by the fair board itself, Secretary Lee says he has been assured of a valuable special prize, the donor of which is not at present at liberty to mention. The Northern Pacific is offering a cup this year for the best exhibit of general farm products, and the Southern Pacific will offer a \$50 cup for the best dairy cow—not necessarily a pedigreed animal. The fair commissioners have also decided to replace the present poultry barn, and to have the turns in the track banked so that automobile and motorcycle races may be held. Purses worth \$1,000 will be hung up for horse races.

MYSTERY IN BLAST AT CANBY SOLVED

Mystery surrounding the explosion heard at Canby Monday evening, and throughout the country for a ten-mile radius, was solved Wednesday, when it was found that instead of its being caused by an I. W. W. demonstration it was the result of a prank by "village cut-ups." It appears that William Tull, who is interested in logging operations on the Molalla river, keeps ten pounds of giant powder stored in a houseboat for emergencies, log-jams or other troubles. Some young men of Canby, learning of this, thought it would be real fun to go down and touch the explosive off, and proceeded to do so. The blast that followed, which occurred while the Milwaukee bank robbery was fresh in the minds of residents of the county, and which came soon after the I. W. W. troubles in other sections, led to the circulation of the wildest rumors. With the solving of the mystery the general alarm has subsided, and Mr. Tull has ordered another supply of his emergency powder.
