## MAY PLAY TUNES THROUGH CANAL

OREGON PIPE AND DRUM CORPS  
WANTS TO LEAD MARCH OF  
BATTLE SHIPS

FFICIALS GIVE FAVORABLE ANSWER  
Tell Soldiers Their Request will be  
Given Prompt Attention When  
Time Comes—Post Has  
Fun

The Oregon Pipe and Drum Corps  
may lead the procession through the  
Panama canal on the battleship Oregon  
when that ship steams through  
the new water way and dedicates the  
canal for ocean travel in 1915.

Flattering letters have been received  
by the local corps from Secretary  
of the Navy Daniels and from Govern-  
or West assuring the members that  
their application to be sent on the  
ship at the head of the procession of  
war vessels will be considered by  
those officials at the proper time.

The Meade Post No. 2, G. A. R.,  
held its quarterly reunion in William-  
ette hall Thursday. Many of the old  
soldiers gathered at the session and  
stirring stories of the days in which  
they were prominent were told. Rev.  
T. B. Ford, pastor of the First Meth-  
odist church, and others addressed  
the meeting.

Judge H. S. Anderson of the county  
court spoke to the soldiers and told  
them that, though he is something  
over 60 years of age, he was but 10  
years old when the war was in progress.  
He said that he knew little of  
the great battles although he watched  
the march of events with interest  
as a boy and that he had heard that  
a man by the name of Anderson was  
famous about that time for his part  
in defending the Confederate attack  
upon Fort Sumpter.

Mrs. George Randall gave the soldiers  
a beautiful solo and other inter-  
esting numbers were on the program.

## As so many of my friends have asked for my recipe for canning corn I have concluded to send it to the papers, so others may try it, as it beats the old way of cook- ing in the jars, also saves work and fuel.

To Can Corn  
Nine cups corn, 2 cups water,  
1-2 cup sugar, 1-2 cup salt. Boil  
ten minutes after mixture begins  
to boil. Seal boiling hot in Ma-  
son jars (use new rubbers), and  
set away in a dark cool place on  
their tops. Keep in that position.  
When wanted for use pour out  
contents of jar in large dish, pour  
on cold water, stir a few times,  
drain off a couple of times, pre-  
pare as fresh corn, cook in gran-  
ite ware and fill jars to overflow.  
ing. I have used the above recipe  
four years without losing a jar.  
Do not be alarmed if you see the  
salt gather around the edge of lid;  
if it is not leaking it is all right.  
MRS. EVA L. CRITESSES,  
Canby, Ore.

## RING CEREMONY UNITES TWO

BOWERS OF FLOWERS ADD BEAU-  
TY TO SIMPLE AND IMPRES-  
SIVE MARRIAGE SERVICE

PROMINENT IN SOCIETY CIRCLES  
Young People are Well Known Here  
and Have Many Friends in the  
City—Leave for Short Wed-  
ding Trip

Under a beautiful bower of pink  
and white China asters and ivy Dr.  
Clyde Mount and Miss Myrtle Parker  
were united in marriage with the ring  
ceremony by the Rev. P. K. Hammond,  
pastor of the Episcopal church at Eu-  
gene.

The ceremony took place at the  
beautiful home of the bride's parents,  
Mr. and Mrs. J. B. Parker, "Hillsdale  
Farm" at East Independence and was  
very simple and pretty. Rev. Mr. Ham-  
mond read the Episcopal ring service.  
The bride was beautifully and  
charmingly gowned in white char-  
meuse, trimmed with Irish point lace  
and pearls and she carried on her  
arm a shower bouquet of bride roses.  
She was attended by her sister, Miss  
Lorane Parker, who was gowned in  
pink charmeuse and carried a shower  
of pink roses.

The best man was the groom's bro-  
ther, Dr. Guy Mount, Miss Irene Han-  
ney artistically rendered Loehgrin's  
wedding march. Mrs. J. B. Parker  
and Mrs. Rebecca Mount were charm-  
ingly dressed in gray silk.

The groom is the son of Mrs. Re-  
becca Mount, one of the city's pio-  
neers, the brother of Dr. Guy and  
Hugh Mount, and Judge Wallace  
Mount of the supreme court of the  
state of Washington. He has been in  
practice here for the past six years  
and prior to that time, was in eastern  
Oregon. He is a member of the  
Elks and was the Exalted Ruler of  
that lodge last year.

Miss Parker spent some time in  
Oregon City last year and was promi-  
nent in local society circles during  
her visit.

Among those who attended the ceremony  
were, Dr. and Mrs. Hugh Mount,  
Dr. Guy Mount, Judge and Mrs. Wal-  
lace Mount, Charles and Ralph Park-  
er, Miss Irene Hanney, Mrs. Chester  
G. Howell of Portland, Mrs. John Wolf  
of Silverton.

After the ceremony Mr. and Mrs.  
Mount left for a short wedding trip.  
They will make their home in Oregon  
City on their return.

## MAYOR TIES MANY MARRIAGE KNOTS

Mayor Linn E. Jones has had a bar-  
gain day rush in marriages the last  
week and has performed the ceremony  
for a number of visitors to the city  
who have left their homes and come  
to Oregon City for their marriage li-  
censes.

The latest marriage was that of  
Charles H. Eggleston and Miss Ida  
Von Erenbrock. The ceremony was  
performed in the court house after the  
county clerk had issued the license.  
Mayor Jones was notified by telephone  
that his services were wanted to tie  
the knot and he performed the rites  
in a few minutes at the court house  
for those who had sent in the call.

## CAMINETTI GUILTY ON SINGLE COUNT

SAN FRANCISCO, Sept. 5.—Guilty  
on one count of violating the Mann  
white slave traffic was the verdict  
found today against Farley Drew Cam-  
inetti, eldest son of the Commissioner  
General of Immigration.

The jury was out three hours and  
took eight ballots. From the first,  
the vote stood 10 to 2 for conviction  
and finally the two agreed to compro-  
mise by finding a verdict of guilty on  
one count of the four counts charged.

Ball in the sum of \$10,000 was fur-  
nished by Frank Freeman, of Willows,  
Cal., and G. Bacigalupi, of San Fran-  
cisco, and was ready to be filed with  
the United States marshal when the  
verdict was announced. Sentence will  
be pronounced Wednesday, September  
10, the day set for sentencing Maury  
I. Diggs, jointly indicted with Cami-  
netti and convicted on four counts.

## Doctor's Services to be High Award for Best Fruit Cake

What is believed to be the most  
unique prize ever offered at a county  
fair is the first award for fruit cake  
at the Clackamas County Fair, to be  
held at Canby September 24, 25, 26  
and 27. The prize in this case will  
be a certificate entitling the winner  
to five dollars worth of medical at-  
tention from Dr. H. A. Imputation, of Canby.

There is no deduction that fruit  
cake's such as will be exhibited will re-  
quire medical services as an at-  
tempt to its consumption. Dr. Dedman  
is interested in the fair, that is all,  
and wants to give what he can to  
help make it a success.

## OTHER CITIES WANT BULL RUN WATER SUPPLY

Should Oregon City decide to tap  
the Mount Tabor reservoir and get  
water from the Bull Run supply, the  
other cities along the line would put  
in their applications to fill their city  
mains from the same source.

## WOMAN GOVERNOR CUPID'S VICTIM

ROSEBURG GIRL WHO WAS ONCE  
STATE'S EXECUTIVE IS NOW  
MARRIED

Well Known Official of Southern Pa-  
cific Gets License in Vancouver  
and Has Quiet Cer-  
mony

Miss Flossie Shambrook who has the  
distinction of being the only woman  
who has served as governor of Ore-  
gon, was quietly married to T. B. Bir-  
gen, a conductor on the Roseburg run  
of the Southern Pacific Wednesday  
afternoon, the ceremony being per-  
formed in Vancouver, Wa.

News of the wedding came as a  
surprise to her many friends here.  
Miss Shambrook was private secretary  
to the late Governor Benson, and  
while he was out of the state at one  
time during his administration was  
named "acting governor" during his  
absence.

Well Known  
Miss Shambrook was a Roseburg  
girl, and has many friends throughout  
the Willamette valley. During the  
time she served as the governor's private  
secretary she became extremely  
popular with legislators and state of-  
ficials. Her husband is one of the  
most widely known railroad men of  
this section, having been on the Rose-  
burg train for many years. His home  
is in Portland, and after a brief trip  
Mr. and Mrs. Birgen will reside in the  
Rose City.

Local railroad men say that Birgen  
has had several offers from the com-  
pany of better runs, but has steadfastly  
refused them. His fellow workers  
now see the reason, for conductors on  
the Roseburg run have about ten  
hours "overlay" in that city between  
their runs.

## THRESHERS ARE BUSY ON HEAVY YIELDS

Reports from the threshers of the  
county show that there will be a bumper  
crop in every grain this year and  
that the season will be an exception-  
ally long one.

All through the county the threshers  
report heavy yields and believe that  
they will be kept in the fields for sev-  
eral weeks yet. The recent rains  
have had the effect of delaying the  
work in some of the districts but the  
threshers plan to make up for the lost  
time when they get started gain with  
the first drift of clear weather.

On one field a gang of threshers  
made a run of 2200 bushels in one  
day and have averaged a run of 1700  
bushels a day for several days. Simi-  
lar reports have been brought into  
the city by the threshers who were  
thrown out of work for a short time  
on account of the rain but who plan  
on going back as soon as the weather  
again settles.

## MAYOR AND COUNCIL QUIT

CHARGES GROW TOO HOT AT  
MEETING AND MEMBERS RE-  
SIGN THEIR JOBS

## WOMEN TELL TAVERN'S STORY

Make Addresses Opposing the Grant-  
ing of License to Grafton Regard-  
less of His Many Prom-  
ises

Milwaukie, situated half way be-  
tween Oregon City and Portland, to-  
day has no official city government,  
because Tuesday evening Mayor Elmer  
and Councilmen W. H. Counsel and  
F. R. Mitchell resigned. Council-  
men King, Davis and Albee, who re-  
main in office, do not constitute a  
quorum and cannot transact the city  
business.

Discussions lively  
The resignations followed a discus-  
sion brought on by the motion of  
Councilman Albee, in Tuesday night's  
council meeting, that the license of  
the Milwaukie Tavern be revoked.

Councilman Mitchell amended the  
motion to the effect that all proceed-  
ings in connection with the attempt  
to grant Isaac Grafton a license for  
the tavern be expunged from the rec-  
ord, contending that as only two out  
of three councilmen had voted for the  
license it could not have been legally  
granted, the charter providing that a  
majority of the council must vote for  
licenses.

Uproar follows  
In the discussion that followed there  
was a tremendous uproar. Petitions  
were presented by various citizens,  
women addressed the council, and the  
history of the old "tavern" as run by  
"Bobbie" Burns was rehearsed by  
those opposing the license, while those  
who favored it declared the Mr. Graf-  
ton was going to turn the place into  
a resort similar to The Oaks, and  
would permit no more "rough stuff"  
than is permitted at that resort.

Finally charges and counter charges  
became so warm that Mayor Elmer  
and Councilmen Mitchell and Coun-  
sell resigned, the action to take place  
at once. This left the council with-  
out a quorum, and the session came  
to an abrupt end.

Position embarrassing  
The resignations leave Milwaukie in  
an embarrassing position, as much  
public improvement work is under  
way and still more was to have been  
ordered this week. A number of con-  
tracts were ready for signing and the  
disappearance of organized city govern-  
ment will leave these things in a  
bad tangle.

## COUNCIL'S POSITION IS DELICATE ONE

The Milwaukie city council is em-  
barrassed over the demand of some of  
the residents for the rescinding of the  
license that was granted to Isaac  
Grafton for the tavern because of the  
prominent part that he has taken in  
the growth and development of the  
city in the last few years.

Out of the \$40,000 worth of improve-  
ment that is now planned, Grafton  
will be called upon to pay about \$10,-  
000 as he is the largest property owner  
and holds nearly all of the city's  
water front. The industries of the  
town have been started by him and the  
city hall itself was erected from  
money that has been received from  
his license, not a cent of tax being  
spent on it.

As the same time, the tavern has at-  
tained such a degree of fame that  
some of the residents are demanding  
that the license be rescinded and the  
members of the council may face a  
real unless it is done.

Joe and Ted and Misses Marie and  
Louise Shaban, returned from a visit  
to Powell River, B. C. where they  
have had a vacation with their grand-  
mother, Mrs. Curtain, and a friend of  
the family, Miss Louise Hantley.

## PERRINE'S PALS STILL AT WORK

SHERIFF BELIEVES ROBBERY AT  
CANBY MAY BE TRACED  
TO HIS FRIENDS

## MEN REMAIN IN THIS NEIGHBORHOOD

Officers Cannot See Their Reason for  
Staying in Vicinity of Oregon  
City When They are Wanted  
Here

Traces of an attempted robbery of  
the general store at Canby the other  
night led the sheriff's office to believe  
that "Wisconsin Dick" and John  
Homer, pals of Virgil Perrine, are still  
in the neighborhood and that they are  
hanging around the vicinity of the  
county seat with some definite pur-  
pose in view.

A carefully planned attempt to rob  
the general store was frustrated when  
the night watchman caught the men  
as they were trying to make their  
way into the building and drove them  
off the grounds.

The circumstances surrounding the  
case lead Sheriff Mass to believe that  
the pals of Perrine are still in the  
vicinity and that they are planning  
to make other robberies and hold up  
other places close to Oregon City.  
Just what their purpose may be in  
this has been a mystery to the office  
but the facts are such that the offi-  
cers are still on the lookout for the  
men.

Their descriptions have been scat-  
tered broadcast through the county  
and the other sections of the state and  
the officers are expecting, within the  
next few days, to have material that  
will end in the apprehension of the  
men for whom they have been looking  
since the saws were being looted  
through the doors of the jail to Per-  
rine.

## BANK GETS STOLEN MONEY RETURNED

E. T. Mass, sheriff of Clackamas  
county, returned \$365 in gold and sil-  
ver to the Milwaukie bank Thursday  
after Virgil Perrine had been locked  
behind the bars of the Oregon State  
penitentiary and the money was no  
longer necessary as a matter of evi-  
dence.

Since last July, when it was found  
on the prisoner after he had been cap-  
tured in the swamp following his rob-  
bery of the bank, the sheriff has had  
the money in the county safe and has  
held it as evidence for the trial that  
he thought the young bank robber  
would demand.

As Perrine decided to enter a plea  
of guilty and to take his sentence at  
once, the money was not needed and  
it was Thursday returned to the own-  
er, the bank, through Cashier Bold-  
stead.

to a dispatch received today at the

el, chief engineer of the Panama canal,  
Culebra cut will be finished Sep-  
tember 15, and water will be admit-

## Guard Your Children Against Bowel Trouble

Many children at an early age  
become constipated, and frequently  
serious consequences result. Not  
being able to realize his own con-  
dition, a child's bowels should be  
constantly watched, and a gentle  
laxative given when necessary.  
Dr. Miles' Laxative Tablets are  
especially well adapted to women  
and children. The Sisters of  
Christian Charity, 531 Charles St.,  
Luzerne, Pa., who attend many  
cases of sickness say of them:

"Some time ago we began using Dr.  
Miles' Laxative Tablets and find that  
we like them very much. Their action  
is excellent and we are grateful for  
having been made acquainted with  
them. We have had good results in  
every case and the Sisters are very  
much pleased."

The form and flavor of any medi-  
cine is very important, no matter  
who is to take it. The taste and  
appearance are especially important  
when children are concerned. All  
parents know how hard it is to give  
the average child "medicine," even  
though the taste is partially dis-  
guised. In using Dr. Miles' Lax-  
ative Tablets, however, this diffi-  
culty is overcome. The shape of  
the tablets, their appearance and  
candy-like taste at once appeal to  
any child, with the result that they  
are taken without objection.

The rich chocolate flavor and  
absence of other taste, make Dr.  
Miles' Laxative Tablets the ideal  
remedy for children.

If the first box fails to benefit,  
the price is returned. Ask your  
druggist. A box of 25 doses costs  
only 25 cents. Never sold in bulk.

on Shelves

Referee in Bankruptcy B. N. Hicks,  
of this city, Wednesday ordered the  
sale of the bankrupt stock of Barde  
& Levitt in Oregon City, Hood River,  
Corvallis and Salem. This firm failed  
last February, with liabilities ag-  
gregating \$140,000, and early this week  
Federal Judge Bean refused to agree  
to a compromise offered by Barde &  
Levitt to settle with their creditors  
for 45 cents on the dollar.

The date of sale is set for Thurs-  
day, September 25 and each store will  
be sold separately, or together, as pro-  
posals will be received by the referee  
both ways. The invoice value of the  
stock and fixtures of the four stores  
follows: Oregon City, \$24,932; Hood  
River, \$8,859; Corvallis, \$19,635; Sa-  
lem, \$18,880; Total, \$72,307.

## Secretary Guards His Exhibits From Eager County Farmers

So interested in the new wheat that  
P. O. Chindgren has produced are the  
farmers of the county that Secretary  
Freytag of the Commercial club has  
had to stand guard over the exhibits  
that he has collected of the product  
for the state fair.

Many of the farmers of the county  
are pouring into the secretary's of-  
fice and demanding samples of the  
wheat for their own farms. The  
samples that have been collected for  
the state fair are in the office of the  
secretary in the club office and have  
been arranged for a place in this coun-  
ty's exhibits.

Some time ago P. O. Chindgren cross-  
ed the Siberian wheat and the result  
was a new wheat, producing a new grain  
that has not yet been named. Many  
of the farmers have asked for samples.

Pacific railroad to have southbound

the grounds, arriving there at 9:45

during the balance of the day, but for  
those who desire to remain for the  
band concert which will be a regular  
evening feature of the fair, northbound  
night train will stop at the fair at 8:50  
p. m. to pick up passengers for Port-  
land and other intermediate points.

A special rate of a fare and a third

## AGED INDIAN WOMAN DIES

LEFT HER TRIBE MANY YEARS  
AGO AND LIVED WITH  
INVADING WHITES

HAD HOSTS OF FRIENDS IN CITY

Remained in One Family Twenty-five  
Years and had been in County  
for Long Time—Funeral  
Services

Leaving the people of her own tribe  
to live among the white invaders, Su-  
san Klamath, a well known Indian wo-  
man of the city died at the residence  
of Charles E. Burns, 125 Seventeenth  
street, Wednesday night and was bur-  
ied in the city cemetery at 2 o'clock  
Thursday afternoon.

The Indian woman, who was at  
least 82 years of age, has lived in  
Oregon City for as long as almost any  
of the other residents can remember.  
For the past 25 years she has been  
living with the family of Charles E.  
Burns and has had a home of her own  
on the Burns property.

For the last few years she has been  
afflicted with rheumatism but she  
died from cancer of the stomach. The  
funeral services were conducted in  
the Holman undertaking parlors by  
William Hammond, who read the  
Episcopal service. Several friends of  
the old woman attended the funeral  
and accompanied the body to the  
grave.

Few Relatives  
Though she had many friends  
among the whites, she had few rela-  
tives among the people of her own  
tribe that were closely tied to her  
by blood. "Indian Henry" at Molalla  
is her cousin and her closest relative.  
She was a member of the Klamath  
tribe of Indians but became friendly  
to the whites in her early days and  
has associated with them even after  
the government placed the members  
of her tribe on the Klamath reserva-  
tion.

She was well known through the  
community and has a great many  
friends among the whites of the city  
and county who were attached to her  
for the services that she had render-  
ed them at various times in her life.

## FORMER TREASURER OF COUNTY IS DEAD

For four years, treasurer of Clack-  
amas county, Enoch Cahill died at his  
late residence, 80 East Sixty-eighth  
street north in Portland, at the age of  
67 years, nine months, 12 days.

He was prominent for many years  
in the political life of the county and  
served as county treasurer for two  
terms, beginning in 1901. He is sur-  
vived by his daughter, Mrs. C. A.  
Clark of Delta, Utah; Charles Cahill
