Avoid Sedative Cough Medicines. If you want to contribute directly to the occurrence of capillary bronchitis and pneumonia use cough medicines that contain codeine, morphine, heroin and other sedatives when you have a cough or cold. An expectorant like Chamberlain's Cough Remedy is what is needed. That cleans out the culture beds or breeding places for the germs of pneumonia and other germ diseases. That is why pneumonia never results from a cold when Chamberlain's Cough Remedy is used. It has a world wide reputation for its cure. It contains no morphine or other sedative. For sale by all dealers.

WILLAMETTE PESSIMISTS GLOAT OVER CATTLE PRICES

Probably frightened by the hunters around Willamette a large China pheasant flew in to the town and against the window of Leisman's store with enough force to completely stun it. Mr. Leisman heard the impact and rushed out from his store to find the bird lying on the walk. He picked it up and placed it in a box until it was able to fly away. It is thought that the noise of the hunters frightened the bird so that he was driven to the town and in its excitement crashed against the window.

Although a week ago there were several vacant houses in town, they are now being rapidly filled for the winter.

Evert Downey has left for the county with his auto to try his luck with the game birds.

Mrs. George Batdorf and her daughter Miss Marion Batdorf have left for the state fair at Salem.

Miss Beatrice Oliver visited Portland Wednesday.

The people of Willamette are well represented at the Clackamas County fair, both as visitors and as exhibitors. Mr. DeBoe has made an exhibit each year for several years and each time has had unusual success. Other people from this town and from the surrounding country are making displays, and many visitors are of the opinion that Willamette, considering its size, is one of the best represented towns there.

Mr. and Mrs. A. Fromong visited the fair Thursday and report that they had a very enjoyable time.

Mr. Boner is slightly ill at his home in Willamette.

Harry Greaves is having his house painted.

Mr. and Mrs. Edward Carpenter attended the county fair at Canby Thursday.

The extensive repairs on the Tualatin bridge below Willamette, is nearing completion. The bridge has been given entirely new planking, braces, and has been completely overhauled and will probably be open to traffic in a few days. The work has been under way for several weeks under the direction of Daniel Colson. A number of the citizens of Willamette have been forced to await the completion of the repairs to bring their winter's supply of wood.

August Kollenmeier with his wife and daughter, have moved to Willamette from Hubbard. Mr. Kollenmeier was formerly a farmer in that district but has sold his farm and returned to his home here.

N. Waldron, of this town, has let a contract for a large addition to his house and the work has been started and will be rushed to completion, which will probably be within the next two months. The addition will be two stories, with a basement and will have three large and well lighted rooms. Frank Scribner has taken the contract.

Miss Bell Mattley has resigned her position as primary teacher in the Willamette school and will accept a position as a teacher in the school of trades in Portland. The resignation will take effect at once. Miss Mattley has been a teacher at the Willamette school for four years and has been considered one of the best in that institution. Mrs. Hyatt has been secured to temporarily take the work left by Miss Mattley.

W. C. Elliott and family have moved from their former home on the outskirts of Willamette to H. Warnor's house.

Mr. and Mrs. Torberry and Mr. and Mrs. Schroder, all of Astoria, are visiting J. A. Reams.

Mr. and Mrs. George DeBok are spending the week at the state fair at Salem. Mr. DeBok is making a fine part in the display work there.

Herbert DeBok made a very successful display at the county fair at Canby. He received \$25 in prizes.
