

FIRST ARREST OF ELECTION

JOE GABER HELD ON CHARGE OF CIRCULATING CARDS FOR THE WETS

SAID TO VIOLATE OREGON LAWS

Claim Made That He Broke Prohibition on Distributing Unsigned Boats for the City Saloons.

"It shall be unlawful to write, print, or circulate through the mails or otherwise any letter, circular, bill, placard, or poster, relating to any election, unless the name shall bear on its face the name and address of the author and the printer and publisher thereof; and any person circulating or publishing, or causing to be circulated or published any such letter, bill, which fails to bear on its face the name and address of its author and of the printer or publisher shall be guilty of an illegal practice and shall on conviction be punished by a fine of not less than \$10 nor more than \$100."—Section 3519, Lord's Oregon Laws.

Charged with violating Lord's Oregon laws in circulating cards on which were "wet" arguments and which were without the name and address of the author or printer, Joe Gaber was arrested Monday and placed under \$100 bond.

It is affirmed that Gaber stood on the approach to the suspension bridge and handed out cards to passers-by and then walked down Main street, putting them in stores and handing them to the persons on the street.

The arrest was made late Monday afternoon upon a warrant made out by Chris. Schubel. The man was placed under a \$100 bond which was furnished by Walter Hunsacker.

BEST IDEAS GET REWARD

Grant Olds took first and Herman Howard second prizes at the Williamette Pulp & Paper company for offering the best suggestions through the month in matters that would better the workings at the plant. The prizes are offered every month and the brains of the employes of the mills are working over time in the hunt for good ideas for the improvement of the service at the factory.

TAMMANY LOSES IN NEW YORK STATE

NEW YORK, Nov. 4.—Tammany was beaten in New York by the biggest majority that has been polled in that state in recent years.

Sulzer was elected to the assembly; Massachusetts and Maryland elected democratic governors while other important changes were made by yesterday's election.

Following are some of the important results:

New York City.—John Purroy Mitchell, fusionist, elected mayor by 75,000 plurality over McCall, Tammany democrat.

Ex-governor Sulzer elected to assembly by large plurality.

New York state—Republican victory for assembly and state judiciary indicated.

Massachusetts.—David F. Walsh, democrat, elected governor by probably 50,000. Gardner, republican, and Bird, progressive, close for second place. Governor Foss, independent, fourth.

Maryland.—Blair Lee, democrat, elected to United States senate.

Virginia.—Henry C. Stuart, democrat, elected governor; unopposed.

Congressional.—Third Massachusetts.—Calvin D. Paige, republican; succeeds a republican, the late William P. Wilder.

Thirteenth New York.—George W. Loft, democrat; succeeds a democrat, the late "Big Tim" Sullivan.

Twentieth New York.—Jacob A. Cantor, democrat; succeeds a democrat, Francis Burton Harrison, now governor-general of Philippines.

Third Maryland.—Charles R. Coady, democrat; succeeds a democrat, the late George Konig.

WILSON TELLS HUERTA TO GET OUT

MEXICO CITY, Nov. 3.—President Huerta must resign the presidency of Mexico without loss of time and must not leave as his successor General Aureliano Blanquet, his minister of war, or any other member of his official coterie whom he might be expected to control.

This ultimatum from Washington was conveyed to President Huerta through his private secretary, Senor Rabago by Nelson O'Shaughnessy, the American charge d'affaires, acting under instructions from the state department.

Senor Rabago presented the memorandum to his chief late Sunday, but up to this evening President Huerta had returned no answer, and as far as could be learned had guarded its contents from almost all of his official and intimate counselors.

HIS OLD SCHOOL SPIRIT NEVER LEFT HIM

PORTLAND, Ore., Oct. 30.—Calling upon him to travel clear across the continent to help his alma mater down the Yale university eleven. Harvard has asked Hamilton Corbett to assist in the coaching of the crimson eleven for the rest of the season. Corbett received a wire from Coach Houghton Monday morning and departed for the east Monday night, revealing that the old college spirit never lapses.

WELL MEANT BUT FUTILE

REAL CONVICTS REDICULE EFFORT OF AMATEUR TO GET INSIDE FACTS

COULD NOT GET BEYOND SURFACE

Never Penetrated into the Deeper Circumstances of the Life of a Man Inside of Federal Prison Walls

ATLANTA, Ga., Nov. 1.—The efforts of Thomas M. Osborne, who served a self-imposed sentence at Auburn prison to learn at first hand the psychological effect of penitentiary life among the prisoners, was characterized today as well-meant, but futile, in an article in Good Words, the paper printed in the Atlanta Federal prison.

"An Amateur Convict," said Mr. Osborne's trip to prison with a string tied to himself was both estimable and entertaining, and that he deserves credit for directing attention to prison problems.

The article adds, however, that "although this penitentiary Columbus really may have gained some ideas about physical influences in jail, he really got no deeper than the surface of the influences in which all bona fide convicts must live."

SALEM SALOON MEN MAY CONTEST RESULT

SALEM, Ore., Nov. 5.—For the first time in its history, the capital of Oregon has been voted "dry." The prohibition forces won in yesterday's local option election by a majority of 488. One of the largest votes in the history of the city was polled there being 2734 votes for prohibition and 2296 against.

It is reported today that the saloon men will contest the election. They appear bitterly disappointed, and while they are not talking freely, it is reported that they will take the matter into the courts and endeavor to have the election declared void on the ground that the petition calling the election was imperfect, and perhaps on the ground that it was illegal to swear in votes under blank A.

All saloon licenses in the city expire December 1, and it is understood that the city council, in face of the returns in the local option election, is not in favor of renewing any of them, even though the local option law does not go into effect until January. The saloon men declare they will contest the council's right to shut them out of the last month of the year.

The alleged libelous statements were made in a pamphlet published by the defendant. He is accused of having published an interview with Mary Laseman, said to have "escaped" from the institution, reflecting upon the morals of the convent. A suit for damages also is pending against him.

EDITOR CONVICTED ON LIBEL CHARGE

SALEM, Ore., Oct. 31.—J. E. Mosmer, editor of the Silverton Journal, was found guilty this afternoon of libeling the Benedictine Convent, of Mount Angel, by a jury in Circuit Judge Kelly's department. The defendant declined to offer evidence and evidently plans to fight for a reversal of the case by the Supreme court. Judge Kelly announced that he would pass sentence next Monday.

The alleged libelous statements were made in a pamphlet published by the defendant. He is accused of having published an interview with Mary Laseman, said to have "escaped" from the institution, reflecting upon the morals of the convent. A suit for damages also is pending against him.

NOISE OF KICKER IS STILLED IN CLATSOP

SEASIDE, Ore., Oct. 30.—This end of Clatsop county is for good roads. There may still be some lingering holdbacks, but from this afternoon on those who have protested against the county bonding to build good roads will do their protesting in milder tones. Judging by the audience that turned out to hear the practical benefits to be derived from the building of good roads by men who know the noise of the "kicker" has been stilled.

GENERAL STRIKE ON VALLEY RAILROAD

BAKER, Ore., Nov. 5.—A general strike went into effect on the Sumpter Valley Railroad tonight at 6 o'clock, every trainman, engineer, conductor and fireman quitting service.

Trains still out on the line will be brought back to Baker and will be left here.

The strike grows out of dismissal by Guy L. Anderson, general manager of the road, of several employes, who had joined the Brotherhood of Railway Trainmen, when the order was instituted in Baker early in September. R. McIntyre, vice-president of the trainmen's order, came to Baker to try to straighten out the trouble and, in the course of consultations, the Brotherhood of Locomotive Engineers and Firemen became involved. A secret strike vote was taken last night and the result was unanimous.

WHOLESALE ARRESTS MADE BY HUERTA

WASHINGTON, Oct. 31.—Confidential advices from Mexico City to the state department indicated today the greatest activity among President Huerta's followers in the Mexican capital.

Wholesale arrests were being made in connection with the alleged plot to assassinate the dictator, and it was understood to be the latter's plan to get all his leading opponents in the metropolitan district locked up before congress meets tomorrow to canvass the election results.

Gambao, Calero and De La Fuente, Huerta's rival candidates, conceded their defeat, which, with Diaz a fugitive, left the dictator alone in the field.

SULZER SLAPS HIS POLITICAL ENEMIES

NEW YORK, Nov. 4.—William Sulzer, ousted from the governorship of New York last month by a verdict of a high court of impeachment, was elected to the state assembly today from the Sixth district by a sweeping plurality estimated at an early hour at 2000 or more. He ran on the progressive ticket and apparently pulled more votes than his republican and democratic opponents combined. Old neighbors on the east side rallied strongly to his support.

There was jubilation unbounded in the ex-governor's headquarters as the count recorded his victory. Sulzer himself was all smiles. He regarded his triumph as a personal vindication, he said, and issued a statement thanking his supporters and denouncing Charles F. Murphy, leader of Tammany hall.

"ALFALFA SPECIAL" TEACHER TO MANY

SPOKANE, Wash., Nov. 3.—What Professor Perry G. Holden, the celebrated Iowa agricultural scientist, declares is the biggest and most comprehensive farming campaign ever conducted in the United States, has just been concluded in the 150,000 square miles of territory tributary to Spokane.

With a special train of five coaches at his disposal continuously for 36 days, Professor Holden and a score of assisting experts and practical farmers traveled over four railroads in Washington, Oregon and Idaho for a distance of 2700 miles.

BOTH SIDES STUBBORN IN INDIANAPOLIS

INDIANAPOLIS, Nov. 4.—No settlement of the streetcar strike here was in sight today. The company would not so much as discuss arbitration. The strikers, rendered confident by the completeness of the tieup, maintained an unyielding attitude.

Mayor Shank received a request from company sources that the police be required to run the cars. He refused it. Governor Ralston was still hesitating to act on the advice given him by Agent Ethelbert Stewart of the federal labor department that martial law be declared. Stewart was in frequent communication with Acting Secretary of Labor Louis F. Post in Washington.

CASTORIA For Infants and Children

The Kind You Have Always Bought Bears the Signature of *Dr. J. C. Watson*

NEW YORK, Nov. 4.—Fifteen steers escaped from a slaughterhouse yard on the banks of the North river today and for about an hour held undisputed possession of Fifth avenue. They trotted up the avenue for about 17 blocks and then trotted back again.

WOMAN SAVES MEXICAN LIVES

MRS. JOHN LIND PROTECTS TWO LEGISLATORS WHOM HUERTA CHASED

WERE NOT IN CROWD AT CAPITOL

Managed to Invoke Aid of Wife of Special Envoy to Provisional Government Before They Were Taken

NEW YORK, Oct. 31.—The steamer that arrived tonight from Vera Cruz with Mrs. John Lind, wife of President Wilson's special envoy, brought also two Mexican legislators who were their liberty, if not their lives, to her generosity. To save the two Mexican men from arrest at Vera Cruz Mrs. Lind hid them in her stateroom and sat up all night on deck until the two left port and the officers of the Huerta government had gone ashore.

A week ago the cables brought word that the Ward liner Morro Castle had been detained at Vera Cruz, while Huerta's agents searched for eight rebellious members of the legislature of the state of Vera Cruz. Until the Morro Castle arrived here tonight only those aboard knew that two of the eight deputies had escaped arrest. These two, Adolfo Dominguez and Miguel A. Corona, Mexico becomes a safer home for the opponents of Huerta.

"We expected that the Morro Castle would sail from Vera Cruz," said Mrs. Lind, "at 4 o'clock on the afternoon of October 23. Then Captain Huff was subpoenaed to testify regarding the flight of Dr. Francisco Vasquez Gomez, who had sailed on the Morro Castle three months before. Later we learned the real reason for our detention was that the government wished to search the ship for eight state legislators from Jalapa. They arrested six of these men, but they didn't find the others."

GENERAL BOOTH HAS REGAL SUITE

NEW YORK, Oct. 31.—Iramwell Booth, successor to his father, the late General Booth, as head of the Salvation Army, arrived here today from London on the liner Louisiana. He occupied two rooms of the liner's regal suite.

Booth paid a tribute to the work of the Salvation Army, and asserted that his father was ahead of his time in teaching equality of sexes. This is Booth's first trip to America, and he will remain here only three weeks. The object of his trip, he said, was to inspect the army's work in America, but he refused to discuss a report that he had plans to collect a huge fund here.

Booth announced his intention of visiting his brother, Ballington Booth, head of the Volunteers of America, but said this must not be taken as meaning that a union of the two organizations was contemplated.

JOY IS UNCONFINED AT UNIVERSITY OF OREGON

EUGENE, Ore., Nov. 5.—Professors and classes were ignored on the university campus today, as the result of a spontaneous student rally that formed shortly after 3 o'clock this morning to celebrate yesterday's victory over the referendum. Seven hundred students, both men and women, formed the largest student parade ever held in Eugene, and in a pouring rain marched and danced through the streets, led by a student band. No football enthusiasm has ever run so high. Never before, until today, have the college women here participated in a serpentine parade. Many of the crowds marched bare-headed in the rain.

WASHINGTON, Nov. 3.—Senator Lane has had his attention called to the case of an Indian dying in a shack on the Grande Ronde reservation in destitution although he owned the land his shack stood on and had some \$240 in tribal funds.

Willis J. He tells you of the people and the country, of the past as well as the present, and even dips into the promises for the future.
